

**Cabinet – Monday, 5 June 2023
Decision List**

Notes:

All decisions in this Decision List which are not identified as RECOMMENDATIONS to Council are capable of being "called-in" under Section 8 of Chapter 4, Part 3 of the Constitution. If not called-in, they will take effect on the expiry of 5 clear working days after the publication of this decision list.

For the avoidance of doubt, the deadline for a call-in request for this decision list will be **Tuesday 13th June**

The officer listed as taking action will generally be the author of the original report unless otherwise notified to the Democratic Services Team.

ACTION BY

| | |
|--|---|
| <p><u>8 - TEMPORARY LETTING ACCOMMODATION - GOVERNMENT CONSULTATION</u></p> <p>Decision RESOLVED</p> <p>To respond to the consultations as outlined in Appendix A to the report</p> <p>Reason for the decision:</p> <p>To support government proposals to introduce a more effective regulatory framework for the use of dwellings for purposes other than as principal residences and hence give local authorities better tools to manage the potential impacts of such uses.</p> | <p>Mark Ashwell Planning Policy Manager</p> |
| <p><u>10 - Purchase of two additional refuse collection vehicles</u></p> <p>Decision RESOLVED</p> | <p>Scott Martin, Environment & Safety Manager</p> |

To recommend to Full Council an addition to the Capital programme of £385,000 to purchase two new refuse collection vehicles and that the £385,000 be added to the residual £65,000 that is left over from the original budget to purchase refuse vehicles from 2019 to date.

That Cabinet recommend to Full Council that the purchase be funded by borrowing of £335,000 and a revenue contribution of £50,000.

That Governance, Risk & Audit Committee assesses the risk element of the proposals at the meeting on 13th June 2023

Reasons for the decision:

To ensure the Council can meet customers' expectations and provide a service that can keep up with the continuing increase in demand for garden and commercial waste collection services. To ensure statutory duties around waste collection can be fulfilled. To support the future growth in revenue generating services.

RECOMMENDATION TO COUNCIL

11 - Stalham High Street Task Force

To endorse the findings of the UYPP report and agree to the following actions:

- Continue to work with interested organisations in Stalham to progress options for supporting its town centre and local businesses operating there
- arrange a meeting in the summer to discuss the findings of the HSTF investigation and to develop a scope for future actions by the relevant stakeholders
- host a workshop in Stalham on improving local capacity, leadership and partnerships led by a High Streets Task Force expert that will consider governance and place management partnership structures, with an awareness of identified needs and potential future responsibilities
- following the workshop, act on the recommendations to establish a partnership with a timetable and cycle of meetings suitable to prepare a joined-up plan and coordinate future delivery
- evaluate the scope for a 'Place Making Programme' workshop to follow on from the above actions.

Reasons for the decision:

Rob Young
Assistant Director for Sustainable Growth

| | |
|---|---|
| <p>To support the further exploration of ways for Stalham's town centre to be improved.</p> | |
| <p><u>12 - NORTH NORFOLK HYDROGEN STUDY</u></p> <p>Decision RESOLVED:</p> <p>Cabinet is recommended to establish an initial budget as detailed in the exempt appendix funded from the Corporate Plan Delivery Plan Reserve to commission a piece of independent research of the opportunities being proposed for the future of the Bacton Energy Hub site, particularly as a location for the production of hydrogen and the capture and storage of carbon, in order that the Council can take an informed position with respect to these significant proposals in support of the UK's Net Zero ambitions.</p> <p>Reason for the decision:</p> <p>To position North Norfolk strongly in respect of developing proposals for the Bacton Energy Hub to make a significant contribution to the UK's Net Zero strategy and ambitions.</p> | <p>Steve Blatch Chief Executive</p> |
