11 July 2023

A meeting of the **Council** of North Norfolk District Council will be held in the Council Chamber - Council Offices on **Wednesday, 19 July 2023 at 6.00 pm.**

At the discretion of the Chairman, a short break will be taken after the meeting has been running for approximately one and a half hours

Members of the public who wish to ask a question or speak on an agenda item are requested to arrive at least 15 minutes before the start of the meeting. It will not always be possible to accommodate requests after that time. This is to allow time for the Committee Chair to rearrange the order of items on the agenda for the convenience of members of the public. Further information on the procedure for public speaking can be obtained from Democratic Services, Tel:01263 516010, Email:Emma.Denny@north-norfolk.gov.uk.

Anyone attending this meeting may take photographs, film or audio-record the proceedings and report on the meeting. Anyone wishing to do so should inform the Chairman. If you are a member of the public and you wish to speak on an item on the agenda, please be aware that you may be filmed or photographed.

Emma Denny
Democratic Services Manager

To: Cllr T Adams, Cllr P Bailey, Cllr M Batey, Cllr K Bayes, Cllr D Birch, Cllr H Blathwayt, Cllr J Boyle, Cllr A Brown, Cllr G Bull, Cllr S Bütikofer, Cllr E Coleman, Cllr C Cushing, Cllr N Dixon, Cllr P Fisher, Cllr A Fitch-Tillett, Cllr T FitzPatrick, Cllr W Fredericks, Cllr M Hankins, Cllr C Heinink, Cllr P Heinrich, Cllr V Holliday, Cllr N Housden, Cllr R Macdonald, Cllr G Mancini-Boyle, Cllr P Neatherway, Cllr L Paterson, Cllr S Penfold, Cllr P Porter, Cllr J Punchard, Cllr C Ringer, Cllr L Shires, Cllr R Sims, Cllr E Spagnola, Cllr M Taylor, Cllr J Toye, Cllr K Toye, Cllr E Vardy, Cllr A Varley, Cllr L Vickers and Cllr L Withington

All other Members of the Council for information.
Members of the Management Team, appropriate Officers, Press and Public

If you have any special requirements in order to attend this meeting, please let us know in advance
If you would like any document in large print, audio, Braille, alternative format or in a different language please contact us

A G E N D A

1. NORTH NORFOLK YOUTH COUNCIL

To receive an update from the Youth Council.

2. APOLOGIES FOR ABSENCE

To receive apologies for absence, if any.

3. MINUTES

1 - 14

To confirm the minutes of the meeting of the Council held on 21st June 2023.

4. TO RECEIVE DECLARATIONS OF INTERESTS FROM MEMBERS

15 - 20

Members are asked at this stage to declare any interests that they may have in any of the following items on the agenda. The Code of Conduct for Members requires that declarations include the nature of the interest and whether it is a disclosable pecuniary interest (see attached guidance and flowchart)

5. ITEMS OF URGENT BUSINESS

To determine any other items of business which the Chairman decides should be considered as a matter of urgency pursuant to Section 100B (4)(b) of the Local Government Act 1972.

6. CHAIRMAN'S COMMUNICATIONS

To receive the Chairman's communications, if any.

7. LEADER'S ANNOUNCEMENTS

To receive communications from the Leader of the Council.

8. PUBLIC QUESTIONS AND STATEMENTS

To consider any questions or statements received from members of the public.

9. APPOINTMENTS TO COMMITTEES, SUB-COMMITTEES, WORKING PARTIES AND OUTSIDE BODIES

To receive updates from the Group Leaders on any appointments.

10. PORTFOLIO REPORTS

21 - 60

To receive reports from Cabinet Members on their portfolios:

Cllr T Adams - Executive Support & Legal Services

Cllr H Blathwayt – Coast

Cllr A Brown – Planning & Enforcement

Cllr W Fredericks – Housing and People Services

Cllr P Heinrich – Sustainable Growth
Cllr C Ringer – IT, Environmental & Waste Services
Cllr L Shires – Finance, Estates & Assets
Cllr A Varley – Climate Change & Net Zero
Cllr L Withington – Community, Leisure & Outreach

Members are reminded that they may ask questions of the Cabinet Member on their reports and portfolio areas but should note that it is not a debate.

No member may ask more than one question plus a supplementary question, unless the time taken by members' questions does not exceed 30 minutes in total, in which case, second questions will be taken in the order that they are received (Constitution, Chapter 2, part 2, section 12.2)

11. RECOMMENDATIONS FROM CABINET 29TH JUNE 2023

61 - 160

At the meeting on 29th June, Cabinet made the following recommendations to Full Council:

Agenda Item 8: Corporate Plan 2023 – 2027

Recommendation:

That Full Council adopts the Corporate Plan 2023 - 2027

Agenda Item 9: 2022/2023 Outturn Report

Recommendation:

That Full Council approves:

- a) The provisional outturn position for the General Fund revenue account for 2022/23;
- b) The transfers to and from reserves as detailed within the report (and appendix C) along with the corresponding updates to the 2023/24 budget;
- c) The deficit of £0.261m relating to service overspends be funded from the General Reserve;
- d) The deficit of £0.561m relating to retained business rates be funded from the Business Rates Reserve;
- e) The financing of the 2022/23 capital programme as detailed within the report and at Appendix D.
- f) The balance on the General Reserve of £2.649m;
- g) The updated capital programme for 2023/24 to 2025/26 and scheme financing as outlined within the report and detailed at Appendix E
- h) The roll-forward requests as outlined in Appendix F
- i) The transfer of £0.5m from the Delivery Plan Reserve to a new reserve – 'Net Zero Initiatives' set up specifically to fund projects,

initiatives and works to achieve Net Zero.

- j) The provision of a Temporary Accommodation capital budget for 2024/25 and 2025/26 of £0.25m per year be moved into 2023/24 giving a total budget of £0.75m in 2023/24 and that this be funded by temporary borrowing until it can be replaced by preserved right to buy capital receipts.

Agenda Item 10 - Treasury Management Annual Report 2022 - 2023

Recommendation:

That the Treasury Management Annual Report for 2022 – 2023 be approved.

Overview & Scrutiny Committee considered the above recommendations at the meeting scheduled for 12th July. As this meeting was held after the Full Council agenda was published, the Chairman of the Committee will provide a verbal update to Full Council.

12. RECOMMENDATIONS FROM THE OVERVIEW & SCRUTINY COMMITTEE 12 JULY 2023

To consider any further recommendations from the Overview & Scrutiny Committee meeting held on 12th July.

13. QUESTIONS RECEIVED FROM MEMBERS

To consider any questions submitted by Members.

14. OPPOSITION BUSINESS

None Received.

15. NOTICE(S) OF MOTION

None Received.

16. EXCLUSION OF PRESS AND PUBLIC

To pass the following resolution – if necessary:

“That under Section 100A(4) of the Local Government Act 1972 the press and public be excluded from the meeting for the following item(s) of business on the grounds that they involve the likely disclosure of exempt information as defined in paragraph(s) _ of Part 1 of Schedule 12A (as amended) to the Act.”

17. PRIVATE BUSINESS

COUNCIL

Minutes of the meeting of the Council held on Wednesday, 21 June 2023 in the Council Chamber - Council Offices at 6.00 pm

Members Present:	Cllr T Adams	Cllr P Bailey
	Cllr M Batey	Cllr K Bayes
	Cllr D Birch	Cllr H Blathwayt
	Cllr J Boyle	Cllr A Brown
	Cllr G Bull	Cllr S Bütikofer
	Cllr E Coleman	Cllr C Cushing
	Cllr N Dixon	Cllr P Fisher
	Cllr A Fitch-Tillett	Cllr T FitzPatrick
	Cllr W Fredericks	Cllr M Hankins
	Cllr C Heinink	Cllr P Heinrich
	Cllr V Holliday	Cllr N Housden
	Cllr G Mancini-Boyle	Cllr P Neatherway
	Cllr L Paterson	Cllr S Penfold
	Cllr P Porter	Cllr C Ringer
	Cllr L Shires	Cllr R Sims
	Cllr E Spagnola	Cllr M Taylor
	Cllr J Toye	Cllr K Toye
	Cllr A Varley	Cllr L Vickers

Also in attendance:

18 APOLOGIES FOR ABSENCE

Apologies were received from Cllr R Macdonald, Cllr J Punchard and Cllr E Vardy.

19 MINUTES

The Minutes of the meeting held on 28th March 2023 and 17th May 2023 were approved as a correct record and signed by the Chairman, subject to the following amendment:

‘Cllr G Bull’s attendance to be recorded for the meeting held on 17 May 2023’.

20 TO RECEIVE DECLARATIONS OF INTERESTS FROM MEMBERS

Cllr L Shires declared a non-pecuniary interest in Agenda item 12: Witton – Renaming of Parish. She said that she had been appointed on a temporary basis in 2019 to help stabilise the parish council. She was also the County Councillor.

21 ITEMS OF URGENT BUSINESS

None received.

22 CHAIRMAN'S COMMUNICATIONS

The Chairman outlined recent civic events:

- 20th May – Dambusters 80th Commemoration event at the Cliftonville Hotel, Cromer. Cllr Dr V Holliday, Vice-Chairman of the Council, attended this on the Council's behalf and said that it had been a very inspiring and moving tribute.
- 3rd June – Service of dedication and official naming ceremony of the new Wells RNLI lifeboat. Cllr S Butikofer, Chairman of the Council attended this event and said that it had been very well attended and the RNLI President, HRH the Duke of Kent and Vice-President Vice Admiral Sir Tim Lawrence had been warmly welcomed. The Chairman said that the event had particular personal meaning for her as the boat commemorated 15,000 people on its decals and the name of her mother was included.
- 11 June – Lord Mayor of Norwich, City service.

23 LEADER'S ANNOUNCEMENTS

The Leader, Cllr T Adams, began by saying that the Member induction sessions had been going very well and he hoped that Members were finding them useful. He said that feedback from officers involved in the sessions had been very positive and they had commented how engaged members had been.

He then spoke about a recent trip to see fishery locations in Wells and Morston, accompanying NNDC's Sampling Assistant, as he collected testing samples to ensure seafood was safe for consumption. It had been extremely interesting and he encouraged all members to get involved with the Council's different service areas and their activities when possible.

The Leader concluded by saying that the development of the new Corporate Plan was progressing well, with an initial draft going to the next meeting of Cabinet. He thanked the Corporate Leadership Team for their support.

24 PUBLIC QUESTIONS AND STATEMENTS

Mr N Pearce was in attendance with Mr D Russell. He spoke about the recent series of commemoration events in Cromer for the 80th anniversary of the Dambuster raid. He explained that the week commenced on 16th May with Cromer Town Council flying the RAF Ensign in tribute. Following this, there was the laying of a wreath at the Northrepps War Memorial to remember Northrepps man Flight Sergeant C W Roberts and the other 52 aircrew who failed return to RAF Scampton.

On 17th May, The District Council did likewise. Councillor John Toye was thanked for arranging this. The on 20th May a special event of commemoration and presentations took place at the Cliftonville Hotel Cromer attended by NNDC Vice Chairman Councillor Victoria Holliday, Pilot Officer Brandon Prophet representing RAF Waddington, Duncan Baker MP and representatives of Sheringham and District RAFA and Cromer RBL and members of the public. A commemorative blue plaque, memorial scroll and pictures were presented to the Hotel Manager, including one donated by Councillor Toye whose father was an armourer at the time of the raid. Special thanks were extended to Cllr Dr V Holliday for attending at such short notice.

Mr D Russell then presented Cllr Dr V Holliday with a commemorative picture depicting all the Lancaster bombers which took part in the raid.

25 UPDATES REGARDING ANY APPOINTMENTS

The Chairman asked the Group Leaders if they wished to update members on any appointments.

Cllr A Fitch-Tillett said that she wished to make the following appointments:

- Substitute on Planning Policy & Built Heritage Working Party – Cllr A Fitch-Tillett
- Substitute on North Norfolk Sustainable Communities Grant Fund Panel – Cllr J Punchard

The Chairman of the Overview & Scrutiny Committee, Cllr N Dixon, informed Full Council that the Committee had agreed to appoint Cllr J Boyle as the Council's representative to the Norfolk Health Overview & Scrutiny Committee (NHOSC), with Cllr Dr V Holliday as the substitute.

26 PORTFOLIO REPORTS

The Chairman asked Cabinet members if they wished to add anything to their written reports. Cllr L Withington, Portfolio Holder for Leisure and Community Outreach, said that she wanted to thank the RNLI lifeguards at Sea Palling for saving two people who were carried out by riptides. Cllr Withington proposed a vote of thanks, adding that thanks should also be extended to all the teams along the coast who provided such an essential service under the contract with NNDC to provide lifeguards at beaches along the coastline. Cllr H Blathwayt, local member for Sea Palling, seconded the vote of thanks and said that the community was very grateful for the quick actions of the two lifeguards. Members supported the vote unanimously.

Cllr M Hankins asked Cllr C Ringer, Portfolio Holder for Environmental Services for an update on the ongoing situation in Fulmodeston, where there was a fly infestation due to the nearby poultry farm. Cllr Ringer replied that he was aware of the situation and confirmed that the Council's Environmental Health team had been out to visit the site and were engaging with the Poultry Farm owners. Further meetings were due to take place in the following days to address the issue.

Cllr A Brown, Portfolio Holder for Planning & Enforcement, said that there were two minor amendments to his written report: Under the section on Planning Policy & Neighbourhood Planning it should read 2023 not 2013. He then clarified that the referendum on Holt's Neighbourhood Plan would take place on 29th June.

Cllr A Fitch-Tillett said that she was not sure which Cabinet member to direct her question to. She said that her concern related to a sign regarding dogs on beaches. At Overstrand beach one set of steps was in poor condition but at the top of the ramp pointing towards these steps, there was a sign stating 'Dogs this way'. This was misleading and potentially dangerous. Cllr T Adams said that he would look into it and come back to Cllr Fitch-Tillett as soon as possible.

Cllr C Cushing referred to the Welcome Event on 9th May at the Council Offices when the Chief Executive had said that one of the challenges for the next 4 years was to be more successful in obtaining grant funding from the Government and the County Business Rates Pooled funds. He asked the Leader for his ideas on how the Council could successfully secure external funding so that really substantial projects could be undertaken. The Leader replied that there had been success in securing funding, with NNDC being in the top 10 councils securing funding for Changing

Places. He acknowledged that the levelling up fund bids had not been successful but said it was hoped that the ambitions could still be achieved. The feedback received had not been very illuminating but did indicate that areas with small populations were less successful in receiving a grant. He added that there was lots of ongoing work, including sports development in Fakenham but was happy to discuss it further if needed.

Cllr P Fisher asked Cllr L Withington about Visit North Norfolk's tourism promotion. He said with the pressure on coastal towns, was there an opportunity for future campaigns to focus more on inland attractions. Cllr Withington agreed, saying that the current coastal campaign was running very successfully but there were links to inland attractions and she was supportive of extending the tourism so that it covered the whole district.

Cllr N Housden asked Cllr W Fredericks, Portfolio Holder for People Services, about the Community Connector Team. He asked for the total number of connectors and a schedule of meetings that they had attended and the accompanying budget for the service for the previous 12 months. Cllr Fredericks confirmed that she would provide a written response within 14 days.

Cllr G Mancini-Boyle asked Cllr A Varley, Portfolio Holder for Climate Change & Net Zero, why the council was not applying for decarbonisation grants if it was serious about achieving Net Zero by 2030. Cllr Varley replied that the Council was focussed on achieving its target and had applied for grant funding and would continue to do so, adding that it was a very competitive sector.

Cllr J Toye asked Cllr W Fredericks, Portfolio Holder for Housing, how the serious and justified challenges on the provision of low cost, affordable housing, could be resolved. He referenced the figure of 571 households on the housing register against an anticipated delivery of 70 affordable homes this year and asked what the remaining 501 households could expect in terms of support. Cllr Fredericks replied that all options were being explored to provide more affordable homes but there were many challenges, including the ongoing impact of nutrient neutrality, rising interest rates, inflation and pressures on the private rental sector. The majority of the discretionary housing payments were currently being paid to renters in the private sector due to landlords paying higher mortgage rates. In addition, the cost of living crisis continued to squeeze household incomes. Cllr Fredericks said that the Council would continue to work hard to find solutions and was always seeking suitable rental properties. Cllr Toye asked whether she believe fundamental change was needed. Cllr Fredericks replied that a national housebuilding programme was required or a national scheme along these lines.

Cllr N Dixon referred to the latest Medium Term Financial Strategy (MTFS) and the challenges in addressing future budget gaps. He asked Cllr L Shires, Portfolio Holder for Finance & Assets, how she proposed to address these. Cllr Shires replied that local authorities were desperately in need of funding – as acknowledged by Cllr Cushing in his earlier question to the Leader. She said that her focus had been on the Outturn report but she would be bringing a report to Full Council soon regarding future plans.

Cllr L Vickers asked Cllr A Brown, Portfolio Holder for Planning & Enforcement, for an update on securing the future of the derelict building in Norwich Street, Fakenham. It was currently a safety hazard as people had to go into the road to pass it, which was particularly challenging for those using mobility scooters or pushing pushchairs. She referenced the 'no broken window policy' where evidence had shown that when a broken window was left unfixed, the whole area began to

degenerate. Cllr Vickers said in the case of 9 Norwich Street, there was an entire derelict building which was having a negative impact on the properties nearby. She asked for clarification of the actions that the Council intended to take to address the problem and the associated timeline. Cllr Brown replied that it was a difficult and complex case concerning a listed building in a central location in Fakenham. It became structurally unsound 4 years ago. The Council had been working with the freehold owner to undertake structural repairs but they had not been co-operative. The Council continued to liaise with Fakenham Town Council to keep them appraised of the situation. He explained that options were being considered regarding the future of the property, including the possibility of a compulsory purchase order (CPO). Cllr Brown said that he wished to declare a pecuniary interest in the premises concerned. Cllr Vickers said that she was happy to assist in any way that she could with expediting the process. She asked if there were plans to clad the sides of the building so that it was less of an eyesore. Cllr Brown replied that this was being considered.

Cllr M Taylor said that other District Councils were leading the way in solving their housing problem. He cited the example of Barking and Dagenham Borough Council, which was providing modular homes to meet the rapidly rising need. He said that Victory Housing Association had advised him that the current backlog in North Norfolk would take a decade to clear. He asked Cllr Fredericks if the Council had a strategy to deal with the problem. Cllr Fredericks replied that NNDC did not any land suitable for building houses on and consequently nowhere to put modular buildings. She added that the current housing strategy was undergoing review and would be coming back for members to review. For the current year, there were 60 affordable homes in the pipeline, which was a good number for such a small rural authority. Cllr Taylor asked when the Housing Strategy would come forward. Cllr Fredericks replied that it would be in the Autumn.

Cllr K Toye asked Cllr L Withington, Portfolio Holder for Leisure, about the reference to working quads in her written report. She asked how this would assist the Countryside team in meeting sustainability ambitions. Cllr Withington replied that the use of quads would transform how they would work in green spaces and country parks. They would be able to deal with much larger pieces of timber safely without relying on the use of contractors. There was also a sawmill coming onstream which would facilitate the construction of benches and other wooden structures. All of this would support the green flag status of the countryside parks, as they required a clear demonstration of year on year improvements. In addition, it would generate additional revenue as they would be able to increase the production of firewood to sell.

27 RECOMMENDATIONS FROM CABINET 5TH JUNE 2023

Cabinet Agenda item 11 – Purchase of Two Additional Refuse Collection Vehicles

Cllr C Ringer, Portfolio Holder for IT, Environmental Services and Waste, introduced this item. He explained that the report set out proposals for the purchase of two new waste collection vehicles, for the collection of garden and trade waste. These would be funded by borrowing £335k, with a revenue contribution of £50k. Cllr Ringer explained that both garden waste and trade waste were services that the Council could charge for and there had been a considerable increase in demand for both services. Garden waste subscriptions had increased by around 1000 per annum

since 2016/17 and over the same period trade waste had increased from 88k to 130k – an increase of 50%. Currently 64% of trade waste collections were included as part of the domestic rounds, whilst this could be expedient for holiday lets, it did place additional constraints on the crews as they had to return to the tip more frequently. It was hoped that an additional vehicle would ease the strain and improve the service overall. In line with contract requirements, these vehicles would be owned by NNDC and funded through a combination of a previously agreed, residual budget of £65k, a revenue contribution of £50k from performance failure deductions in the year 2021/ 2022 and newly agreed borrowing of £335k. Subject to final negotiations with Serco, it may be possible to utilise the performance management deductions for 2022/2023 to further offset the cost of one or both vehicles. Cllr Ringer said that the need for two additional vehicles had come about as the result of the Council's success in attracting new customers. He acknowledged that concerns had been raised about the timing of the report but it was important that the Council took the opportunity to use Serco's pre-allocated build slot with the vehicle manufacturer rather than wait. A delay could result in the vehicles not being available until 2024/2025, whereas a decision to go ahead now, would result in the vehicles being ready for later this year.

The Chairman invited Members to speak:

Cllr C Cushing said that he had been present for the discussions on this matter at Cabinet, Governance, Risk & Audit Committee (GRAC) and Overview & Scrutiny Committee. He said that the initial Cabinet paper had not included sufficient background information and he would not have supported the recommendations at that time, however, additional information had been provided at subsequent committee meetings and he was now supportive of the proposals. Concerns had been raised by members as to how the Council would pay for the new vehicles as very little detail had been provided in the Cabinet report. He said it was important that members had a good understanding of the financial implications of such decisions and it must be set out much more clearly in the future where funding would come from for any proposals on this scale.

Cllr S Penfold asked Cllr Ringer if he was confident that the Council could maintain a good service until the vehicles were ready. Cllr Ringer replied that Serco was currently providing a fourth garden waste vehicle at their own expense to limit any disruption, so that should be sustainable.

Cllr T FitzPatrick referred to page 73 the section entitled 'options considered'. One of the options listed was 'do nothing'. He said that in his view that wasn't an option, as residents expected their bins to be collected on time. He then referred to the section on 'consultations' which referenced 'future round reorganisation'. This gave him cause for concern as the ramification of the last reorganisation were still being dealt with. He asked that any future change to the rounds was handled carefully. Cllr Ringer agreed, saying that he shared his views regarding the previous reorganisation and he reassured Cllr FitzPatrick that lessons had been learned.

Cllr J Toye thanked Cllr Cushing for his summary of the discussion at the GRAC meeting. He said as the new Chairman of GRAC he was reassured that there were effective systems in place to provide a check and balance, should concerns be raised.

Cllr L Shires, Portfolio Holder for Finance & Assets, thanked Cllr Cushing for raising different points as the report progressed through the various committees, which helped members fully understand the proposals. She said that GRAC had added a

lot of value regarding any financial risks associated with the recommendations and she agreed that the Cabinet report had been light on detail and that was why Cabinet had referred it to GRAC for further discussion. She said that she was content that GRAC had drilled down into the financial risks of the decision but added that she would never be happy with the Council borrowing money and she was hopeful that it may not be necessary. However, it should be remembered that the proposals were due to business growth and that additional vehicles were required to meet demand.

Cllr A Brown thanked Cllr Cushing for his comments and said that he had requested that it was referred to GRAC for assessment of any risks. He said that he was not in any way undermining the report, he was supportive of the proposals and he agreed with Cllr Shires' comments that the Council was essentially a victim of its own success. It would be unfortunate if collections were missed due to lack of capacity. He concluded by saying that he noted the reference to the vehicles being capable of being converted to HVO fuel in the future.

It was proposed by Cllr C Ringer, seconded by Cllr L Shires and

RESOLVED

1. To approve an addition to the Capital programme of £385,000 to purchase two new refuse collection vehicles and that the £385,000 be added to the residual £65,000 that is left over from the original budget to purchase refuse vehicles from 2019 to date.
2. That the purchase be funded by borrowing of £335,000 and a revenue contribution of £50,000.

28 RECOMMENDATIONS FROM THE OVERVIEW & SCRUTINY COMMITTEE 14TH JUNE 2023

The Chairman of the Overview & Scrutiny Committee, Cllr N Dixon, confirmed that there were no further recommendations.

29 WITTON - RENAMING OF PARISH

The Leader, Cllr T Adams, introduced this item. He said that it was a request from the parish itself and he was supportive of the recommendations.

Cllr P Porter, Local Member, said that she had always known it as Witton and Ridlington, as did everyone. She was therefore supportive of the proposals.

Cllr L Shires reminded members that in 2019, several district councillors were appointed to Witton Parish Council on a temporary basis to support them during a challenging time. She agreed that everyone knew it as Witton and Ridlington Parish Council. She said as the County Council member and a previous parish councillor, she was fully supportive of the proposals.

It was proposed by Cllr T Adams, seconded by Cllr P Porter and

RESOLVED

To approve the renaming of the civil parish of Witton to the civil parish of Witton and Ridlington.

To approve the creation of an Order to formalise the name change.

To approve the delegation of powers to the Chief Executive or Monitoring Officer for the making of Section 75 orders in consultation with the relevant elected District Council and County Council members

30 SALTHOUSE PARISH COUNCIL - TEMPORARY APPOINTMENT OF DISTRICT COUNCILLOR TO ENSURE QUORUM

Cllr T Adams, Leader of the Council, introduced this item. He explained that he wished to update members on the situation at Salthouse Parish Council. The Chairman then read out the following statement from the Elections Team:

The Electoral Services team has been made aware that there are potentially six interested persons from within the parish who are interested in serving on Salthouse Parish Council. With this in mind, we feel the best course of action is to run a further Notice of Election in the parish to invite nominations for the five vacant seats on the council. This provides for better democracy as should there the reported six nominations received, we can allow the electorate to decide on who represents them.

Is less than six are received, the Parish Council would once again be in a position to operate having reached quorate levels.

However, keeping this in mind, we would still ask that Full Council do approve the request to allow for a temporary appointment to be made to the Parish Council which could then be enacted should they still find themselves inquorate at the close of the nomination period stated within the proposed new Notice of Election.'

It was proposed by Cllr T Adams, seconded by Cllr E Spagnola and

RESOLVED

To approve the temporary appointment of either Cllr Eric Vardy or Cllr Victoria Holliday to Salthouse Parish Council.

To approve the creation of an Order to formalise the appointment, if required.

To install a temporary parish clerk to support the co-option process and other duties until a permanent clerk is appointed.

31 QUESTIONS RECEIVED FROM MEMBERS

None received.

32 OPPOSITION BUSINESS

None received.

33 NOTICE(S) OF MOTION

The following Notice of Motion had been proposed by Cllr A Varley, seconded by Cllr L Withington:

Motion: Safer Seals - A SEAL of APPROVAL

North Norfolk District Council agrees to support a campaign to increase awareness of the dangers to seals from Flying Rings, encourage businesses to not sell these items in coastal regions and develop the SEAL of APPROVAL Scheme for those businesses supporting SAFER SEALS

Coastal members will be asked to:

- Support the development, implementation and ongoing focus of the Seal of Approval Scheme.

Coastal businesses will be asked to:

- Engage with, support and implement the Seal of Approval Scheme

Officers will be asked to:

- Liaise with relevant partners and create promotional materials for the scheme to operate, raise awareness and add to our online presence.

Before the proposer of the motion, Cllr A Varley, opened the debate, Cllr C Cushing said that he wished to propose an amendment. The Chairman said that Cllr Varley would present the motion, then she would ask Cllr Cushing to propose the amendment.

Cllr Varley began by thanking everyone involved in local campaigns to protect seals from the terrible injuries caused by flying rings. The Council had supported this work for several years now with the 'Safer Seals' campaign. He said that this was a cross-party, non-political campaign that had been very effective in raising awareness of the issue. He referred to the Opposition's motion in December 2022, which proposed that flying rings were banned on the district's beaches and promenades, however the lack of enforcement powers meant that it was not supported. Cllr Varley said that the new motion was aimed at strengthening the previous motion's ambitions with a new 'Seal of Approval' campaign. It was not intended to replace the Safer Seals campaign but to build on it and focussed on trying to prevent the sale of flying rings. He concluded by saying that the Council's Communications team were supportive of the proposals.

Cllr L Withington, seconder of the motion, confirmed that she wished to reserve her right to speak.

The Chairman then asked Cllr Cushing to introduce the amendment. Cllr Cushing referred to bullet point 3 in the motion and proposed that the following amendment: 'to develop and deploy signage with a form of wording effectively banning the use and presence of flying rings on the district's beaches and coastal car parks, stopping short of stating that it was a legally enforceable order.'

Cllr N Dixon seconded the amendment.

Cllr Cushing added that his group would support the substantive motion. He reminded members that the motion brought forward in December was following a motion supported by Kings Lynn & West Norfolk Borough Council, which effectively banned flying rings from their beaches. He therefore still believed that this was an effective approach. If people saw a sign essentially stating that flying rings could not be taken onto beaches, then that was likely to be an effective deterrent.

The Chairman invited members to speak on the amendment:

Cllr N Housden said that he had abstained on the previous motion on a number of grounds. He said that seals were not an endangered species and there was a minimum of 157k grey seals around the British coast and about 55k common seals. He said that pollution was the main damaging factor for seals, along with fishing nets and tourist disturbance and pressure. He referred to the recent discussion on the district's housing situation and said that he would not like to see any significant amount of officer time and resource put towards the protection of seals. He said that Cllr Fitch-Tillett had worked hard to ensure that the Council signed up to the 'Motion for the Ocean' which was specifically aimed at hitting plastic pollution. It might be beneficial to ask shops to restrict the sale of flying rings but there were no plans to restrict the sale of plastic buckets, flip flops and disposable barbecues. He concluded by saying that although he would support the motion, it was far more important for the Council to understand the wider pollution implications and the continued focus on protecting seals should not take up a huge amount of time or cost money that the Council could not afford.

Cllr H Blathwayt, Portfolio Holder for Coast, said that the Motion for the Ocean was passed over a year ago, subject to a review after 12 months. However, the district council elections had delayed this so an update would be coming to Full Council soon, setting out the Council's progress in meeting the ambitions of the 'Motion for the Ocean'. He added that he had no objection to additional signage if it discouraged people from using flying rings.

Cllr S Penfold said that he agreed with Cllr Housden's view that it was a bigger issue than just flying rings but added just because something wasn't endangered at present, that it wasn't worth protecting or cherishing. He said that he was supportive of the amendment and that any strongly worded signage was to be encouraged.

Cllr A Brown said that he was concerned about the consequences and the reputational risk of effectively introducing a ban that wasn't enforceable. He said that it needed to be a bye-law or the Council could be put at risk if anyone tested it. He asked the Monitoring Officer to clarify the situation. She confirmed that the Council did not have any enforcement powers if such a sign was erected and people then continued to use flying rings.

Cllr L Shires said she was going to raise concerns about needing to employ more officers to enforce any breaches but the Monitoring Officer had just confirmed that the matter could not be enforced.

Cllr T Adams said that he would like to see a ban on flying rings but there was no means of doing so and he would be concerned about putting up signs that were not enforceable and could be open to challenge. Ideally, in the long term he would like to see signs that would discourage the use of all plastic items on the district's beaches but these should be legally enforceable.

The Chairman said that other Councils placed recycling bins on their promenades and piers for buckets and spades, to discourage people from just discarding them. It would also help families during the cost of living crisis.

Cllr J Toyne sought clarification on the banning of dogs from beaches and queried why signs were permitted for this. Cllr T Adams replied that the current regime was aimed at protecting people but not animals. For dogs, public space protection orders

could be used to protect people from the impact of fouling.

Cllr M Taylor said that he wanted to remind members of the wording 'develop and deploy signage'. He said that it was acknowledged that it was not legally enforceable but a simple sign stating 'no flying rings' with a picture of a seal with a ring around its neck, would deter people from using them.

Cllr C Ringer said that what was being proposed in the amendment was effectively an educational campaign. He said that he had no issues with using signage but it was just one element and so much more could be done. He would be supportive of taking a broader approach that could also reference wider plastic pollution.

Cllr A Varley thanked Cllr Cushing for bringing forward the amendment and indicating their support for the substantive motion. He said, however, that it didn't strengthen the overall concept of the proposed campaign. Signage was just one aspect of this.

Cllr P Heinrich said that he was supportive of signage if it was advisory and educational. He added that tourists left a huge amount of detritus on beaches and across the countryside and this should not be overlooked.

Cllr M Batey said that he had seen strongly worded signage at Horsey over the weekend and it may be worth exploring something similar as an option.

Cllr G Bull said that he supported the amendment. He did a lot of sea fishing and a lot of tourists did not have any understanding of the risks and dangers of the sea or the consequences of using flying rings. They were not acting maliciously but signage would give useful guidance and that was to be welcomed.

Cllr L Withington said that she appreciated the engagement from the Opposition on this matter. She said that she understood their frustration as Sheringham Town Council had tried to introduce a ban on flying rings but were not able to as they were advised it was not enforceable. Cllr Withington said that she wanted to remind members of the substantive motion and its intention. It was not about the Safer Seals campaign – this would continue and the current advisory signage which was in all of the resorts would be refreshed soon with more graphic images. This motion was about trying to stop flying rings which were being sold in local shops getting onto the beach. If people could not purchase them then they could not be taken onto the beach. By giving local business the opportunity to be part of a wider campaign which would publicly allow them to demonstrate their commitment through a charter mark scheme, then the key message about reducing the impact on wildlife, would start to grow and expand. It was about bringing the community on board and encouraging businesses to take responsibility for items that they sold. She urged members not to get distracted by other matters but to focus on the wider issues.

The Chairman invited Cllr N Dixon, seconded of the amendment, to speak. Cllr Dixon said that members were making heavy weather of the proposals. He said that the amendment was simply to add 'teeth' to the substantive motion for the sake of seals and other wildlife.

Cllr A Varley, as proposer of the substantive motion was invited to speak. He said he welcomed engagement from the Opposition but was concerned that the amendment was not something that was enforceable and he felt that the Communications Team were already preparing a full campaign to raise awareness about the impact of flying rings and this would include signage. For this reason, he said that he did not support

the amendment.

The Chairman said that a vote would now be taken on the amendment. It was supported with 27 members voting in favour, 7 against and 1 abstention. The Monitoring Officer advised that the amendment would now form the substantive motion.

Cllr L Shires sought clarification on whether the Council had approved something that was not legal. The Monitoring Officer replied that the amendment proposed that any wording on signage should stop short of stating that a ban was legally enforceable.

Cllr Cushing read out the wording of the amendment again at the request of the Chairman.

Cllr T FitzPatrick said that he wished to pick up on Cllr Housden's point about seals not being legally protected and although this was true, they were an important part of the district's wildlife and the public would still expect to see them treated well and protected where possible. He reminded members that when a motion on this subject had been brought debated just 6 months ago, the Administration had proposed an amendment which was supported, which included the following:

- The Leader meets and discusses the issues with North Norfolk's MPs in conjunction with the Friends of Horsey Seals and the RSPCA, if they wish to join us, to press for the need for additional powers for local government to ban the ring frisbees on our beaches.
- Engage with retailers in North Norfolk about the issues with ring frisbees.
- Post further general communication messages from the spring onwards across social media platforms.
- Consider the benefits of advisory signage on our beaches and Promenades asking that the rings are not used.

Cllr FitzPatrick said none of this had been mentioned tonight and there had been no update to members as to whether these actions had been undertaken. It was now Summer and nothing seemed to have been done on the actions agreed at the previous motion.

The Chairman advised members that the debate had now run out of time and she would now take a vote on the substantive, amended motion.

It was proposed by Cllr A Varley, seconded by Cllr L Withington and

RESOLVED to

Support a campaign to increase awareness of the dangers to seals from Flying Rings, encourage businesses to not sell these items in coastal regions and develop the SEAL of APPROVAL Scheme for those businesses supporting SAFER SEALS

Coastal members will be asked to:

- Support the development, implementation and ongoing focus of the Seal of Approval Scheme.

Coastal businesses will be asked to:

- Engage with, support and implement the Seal of Approval Scheme

Officers will be asked to:

- Liaise with relevant partners and create promotional materials for the scheme to operate, raise awareness and add to our online presence.
- to develop and deploy signage with a form of wording effectively banning the use and presence of flying rings on the district's beaches and coastal car parks, stopping short of stating that it was a legally enforceable order

One member abstained.

34 EXCLUSION OF PRESS AND PUBLIC

35 PRIVATE BUSINESS

The meeting ended at 7.43 pm.

Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in "The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012". You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

"Disclosable Pecuniary Interest" means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

"Partner" means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A 'sensitive interest' is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which **directly relates** to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.
8. Where a matter arises at a meeting which **affects** –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative, close associate; or
 - c. a body included in those you need to disclose under Other Registrable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied

9. Where a matter **affects** your financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Table 1: Disclosable Pecuniary Interests

This table sets out the explanation of Disclosable Pecuniary Interests as set out in the [Relevant Authorities \(Disclosable Pecuniary Interests\) Regulations 2012](#).

Subject	Description
Employment, office, trade, profession or vocation	Any employment, office, trade, profession or vocation carried on for profit or gain. [Any unpaid directorship.]
Sponsorship	Any payment or provision of any other financial benefit (other than from the council) made to the councillor during the previous 12-month period for expenses incurred by him/her in carrying out his/her duties as a councillor, or towards his/her election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.
Contracts	Any contract made between the councillor or his/her spouse or civil partner or the person with whom the

	<p>councillor is living as if they were spouses/civil partners (or a firm in which such person is a partner, or an incorporated body of which such person is a director* or a body that such person has a beneficial interest in the securities of*) and the council —</p> <p>(a) under which goods or services are to be provided or works are to be executed; and</p> <p>(b) which has not been fully discharged.</p>
Land and Property	<p>Any beneficial interest in land which is within the area of the council.</p> <p>'Land' excludes an easement, servitude, interest or right in or over land which does not give the councillor or his/her spouse or civil partner or the person with whom the councillor is living as if they were spouses/civil partners (alone or jointly with another) a right to occupy or to receive income.</p>
Licenses	<p>Any licence (alone or jointly with others) to occupy land in the area of the council for a month or longer</p>
Corporate tenancies	<p>Any tenancy where (to the councillor's knowledge)—</p> <p>(a) the landlord is the council; and</p> <p>(b) the tenant is a body that the councillor, or his/her spouse or civil partner or the person with whom the councillor is living as if they were spouses/civil partners is a partner of or a director* of or has a beneficial interest in the securities* of.</p>
Securities	<p>Any beneficial interest in securities* of a body where—</p> <p>(a) that body (to the councillor's knowledge) has a place of business or land in the area of the council; and</p> <p>(b) either—</p> <p>(i) the total nominal value of the securities* exceeds £25,000 or one hundredth of the total issued share capital of that body; or</p> <p>(ii) if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which the councillor, or his/her spouse or civil partner or the person with whom the councillor is living as if they were</p>

	spouses/civil partners has a beneficial interest exceeds one hundredth of the total issued share capital of that class.
--	---

* 'director' includes a member of the committee of management of an industrial and provident society.

* 'securities' means shares, debentures, debenture stock, loan stock, bonds, units of a collective investment scheme within the meaning of the Financial Services and Markets Act 2000 and other securities of any description, other than money deposited with a building society.

Table 2: Other Registrable Interests

<p>You have a personal interest in any business of your authority where it relates to or is likely to affect:</p> <ul style="list-style-type: none"> a) any body of which you are in general control or management and to which you are nominated or appointed by your authority b) any body <ul style="list-style-type: none"> (i) exercising functions of a public nature (ii) any body directed to charitable purposes or (iii) one of whose principal purposes includes the influence of public opinion or policy (including any political party or trade union)

CABINET MEMBERS REPORT TO COUNCIL

19 JULY 2023

CLLR TIM ADAMS – LEADER AND CABINET MEMBER FOR CORPORATE STRATEGY AND PERFORMANCE SUPPORT, LEGAL AND DEMOCRATIC SERVICES

For the period June to July 2023

1 Progress on Portfolio Matters.

Legal Services:

Planning

- NNDC are the leading authority on drafting/completing planning agreements to mitigate the nitrate neutrality issues which has been preventing development proceeding. The agreements mostly deal with the installation and management of a package treatment plant at the development.
- Eastlaw have been working with the legal representatives of other parties involved to deliver twenty-three affordable homes in Holt.
- It is understood that the planning inspector's decision, re demolition of the building, in the Arcady matter is not being appealed. Eastlaw continue to work with planning at the early stages of issuing enforcement notices and dealing with lawful development certificates,

Litigation

- Eastlaw is working closely with the planning enforcement officers to proceed with several planning enforcement matters in the Magistrates Court.
- Eastlaw is working with both planning and Environmental Health on a joined-up prosecution, which is nearing readiness for issue in the Magistrates Court.
- Eastlaw is representing NNDC in respect of an appeal of a refusal of a boarding kennel licence.
- Eastlaw continues to work to recover/secure outstanding debts to NNDC.

Standards

- Eastlaw has investigated and brought before the standards committee two breaches of Code of Conduct matters.
- Eastlaw is developing its procedures for future investigations/standards hearings to streamline the process and ensure collaborative working with the Council's Independent Persons.

Contracts

- Eastlaw is working with Housing to put together a Rent Guarantee scheme for tenants.
- The variation to the Cromer Pier Contract is finalised.
- Eastlaw is completing several funding agreements in relation to the Community Housing Fund.
- Eastlaw continue to advise and assist on the Coastal Transition Accelerator

Programme

Property

- Eastlaw has completed on the purchase of a new three-bedroom property for a family in need; a joint project with Housing and Estates.
- Eastlaw is due to complete the business lease for the Seaview building at North Lodge Park this month.

Democratic Services:

- The member induction programme is being completed and the new committee cycle commencing.
- The Youth Council met on 22nd June and agreed to launch their social media channels, ahead of commencing their mental health campaign in the summer.
- A second session on report writing was delivered for officers. This was well attended.
- All of the registers of interest submitted by parish and town councillors are now on the website.

Elections:

The team have successfully delivered the Holt Neighbourhood Plan Referendum which was held on Thursday, 29th June. 684 votes were cast from an electorate of 3270 giving a turnout of 20.92%. 552 people voted Yes to the question 'Do you want NNDC to use the Neighbourhood Plan for Holt to help it decide planning application in the neighbourhood area?' and 131 voted no, with one rejected paper.

The Annual Canvass for North Norfolk has also commenced which will run until publication of the Revised Electoral Register on Monday 1st December 2023. The team have started the process early this year in an effort to get an increased response from second homeowners visiting their properties early in the summer season.

Corporate PA Team:

The team are currently interviewing for a new Corporate PA who will join the team to primarily provide support for the Place and Climate Change Directorate. The team are commencing preparations to support the Corporate Peer Challenge in the Autumn.

2 Forthcoming Activities and Developments

The Norfolk Climate Change Partnership has recently appointed a Partnership Manager, Greg Pearson. Greg's initial one-year temporary role will be funded by Norfolk LA partners. Greg will primarily be based at the Council offices in Cromer and reports to Steve Blatch.

Democratic Services:

- The Youth Council is organising an in-person meeting in the summer. Anyone aged 11 – 18 who is interested in attending this is welcome to come

- along.
- A review of the member induction programme will be undertaken over the next few weeks. Attendance figures will be collated, and feedback gathered so that learning can be identified to improve future years.

3 Meetings attended

Meetings attended:

- Transport East (Norfolk Leaders Appointment).
- Norfolk Public Sector Leaders Board
- Victory Housing Trust
- Cities & Local Growth Unit
- Cabinet and Business Planning
- Rural Services Network
- Police & Crime Commissioner

Events:

- Attended the LGA Conference

Visits:

- To view the Crinkle-Crankle Wall to the rear of Fakenham Connect

This page is intentionally left blank

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR HARRY BLATHWAYT - CABINET MEMBER FOR COAST

For the period June to July 2023

1 Progress on Portfolio Matters.

Cromer and Mundesley:

- Planning application going through consultation for both the Cromer Phase 2 and Mundesley Coastal Management Schemes.
- Marine application going through consultation for both the Cromer Phase 2 and Mundesley Coastal Management Schemes.
- Ongoing conversations with the Environment Agency about additional funding claims associated with inflationary increases.
- Major Project Board established and first meeting to be held on 05/07/23.

Coastwise:

- Initial communications information and materials are being developed introduce Coastwise – the local branding for the North Norfolk Coastal Accelerator programme. This will begin to share the objectives and opportunities the programme presents and will be a starting point to initiate the conversations with communities and sectors impacted by coastal erosion.
- Recruitment of a multidisciplinary Coastwise team is underway and is essential to provide the skills and capacity to work in North Norfolk to deliver the programme. The roles are funded entirely by the programme which is externally funded.
- The Coastwise Programme Board, Senior Officer Steering Group and Critical Friends Groups are being established. Further governance arrangements, such as community/youth opportunities will be incorporated as the programme progresses.

Bacton and Walcott Sandscaping Monitoring:

- Sandscaping Monitoring Committee met to discuss procurement and funding for continued monitoring and analyses of Sandscaping scheme. An agreement was reached in principle for procurement of monitoring and analyses; funding will be split between the Anglian Coastal Monitoring Programme, Shell UK Ltd and Perenco UK Ltd.

Supplementary Planning Document:

- Final changes being made to the document.

Repairs and Maintenance – Key Works:

- Wells tug boat yard - wall repairs
- Bacton - revetment repairs
- Cromer seawall and prom – exposed rebar removed
- Trimmingham – debris removed from beach
- Repairs to accesses in Overstrand, Mundesley and East Runton

Coastal Partnership East:

- Head of Coastal Partnership East attended a Local Government Association Special Interest Group (LGASIG) meeting as Adaptation Working Group Lead where she flagged the new national LGASIG Adaptation Working Group plan for 2023/24.

2 Forthcoming Activities and Developments.**Cromer and Mundesley:**

- Advertising of planning consultations in local papers.
- Additional funding claims to be submitted to the Environment Agency.
- Construction phase proposal expected from Balfour Beatty by the end of July 23.

Coastwise:

- Recruitment of Coastwise roles.
- Coastwise webpage and initial communications/engagement
- Development of monitoring evaluation and learning methodology

Supplementary Planning Document:

- Adoption process in the four councils in coming months.

3 Meetings attended

- Flood and Coast Conference in Telford
- Marine & Environment meeting (Internal)
- Broads Authority Bio-Diversity Workshop
- The Norfolk Coastal Partnership, & Coastal Management Group. (Cllr Blathwayt elected Vice Chair)
- Cllr Peter Fisher attended LGA Coastal Special Interest Group on Cllr Blathwayt's behalf as Cllr Blathwayt attended Cabinet on that day.

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR ANDREW BROWN - CABINET MEMBER FOR for
PLANNING AND ENFORCEMENT

For the period June to July 2023

1 Progress on Portfolio Matters.

Building Control

The new Building Control fees and charges scheme has been introduced on the 1st July 2023. This is the first rise in fees since October 2018 and is set to give full cost recovery of the 'fee earning' element of the service.

Conservation, Design and Landscape

Work continues on the draft of the Glaven Valley Conservation Area Appraisal. This will need to be the subject of further public consultation in due course and will be discussed at the Working Party first.

Significant challenge for the Service due shortly in relation to 'Biodiversity Net Gain' becoming mandatory in November of this year. This will lead to significant additional workload.

We have been proactively adding 'water your tree' labels on a housing development in North Walsham. This is a pilot project which could if successful be rolled out to other schemes.

Development Management

The Development Committee received an update on performance at its meeting last month – it is available on our website. Particularly pleasing was our major application performance statistics for the last two years.

In addition, from the 5th to the 26th June (3 weeks), 205 new (valid) applications were registered.

The Planning Service Improvement Plan continues to bring about both back office efficiencies and improvements, along with a continued focus on customer care. Feedback forms are being issued with every decision notice to encourage customer feedback.

The Planning service is continuing to reach out to Town & Parish Councils when requested to provide, training, support and advice.

Planning Enforcement

The team have 193 current live cases, showing a slight decrease from the previous month.

All enforcement cases are acknowledged and validated within 24 hours of receipt, all site inspections are being undertaken within the prioritised case requirements.

The team remain focused on clearing a backlog of historic cases and reviewing permissions with a view to ensuring that planning conditions have been complied with.

Planning Policy (including Neighbourhood Planning)

Following its submission for Independent Examination the appointed Local Plan Inspector has requested clarification and additional information to assist with the examination process. The Council is likely to get a sequence of such requests and the responses to them will help the Inspector to define his Issues and Matters for examination. These will then form the basis of the public hearing sessions which are unlikely to take place before September 2023.

The Holt Neighbourhood Plan was subject to referendum on the 29th of June. The referendum question asked "*Do you want North Norfolk District Council to use the Neighbourhood Plan for Holt to help it decide planning applications in the neighbourhood area?*". 552 votes for Yes with 131 against. The required threshold is 50% of the votes cast must be in favour. The Council will now move to formally adopt the Plan.

The referendum for the Blakeney Neighbourhood Plan will take place on Thursday 14th September 2023.

The Wells Neighbourhood Plan has been submitted to North Norfolk District Council for pre submission screening and will likely be submitted for examination shortly.

Over the coming weeks the team expects to complete work on updated five-year land supply position and consider if and how any of the policies in the new Local Plan might be used in decision making pending the outcome of Local Plan examination.

It is hoped that partners will agree a final version of the Coastal Management Supplementary Planning Document to enable its adoption by all of the

coastal authorities before the end of September 2023.

2 Forthcoming Activities and Developments.

- Cabinet 4th September
- Overview and Scrutiny Committee 13th September (Planning Service Improvement Plan Update)
- Planning Portfolio Holder 13th July
- Development Committee 17th August and 14th September
- Planning Policy and Built Heritage Working Party 7th August

3 Meetings attended

This page is intentionally left blank

CABINET MEMBERS REPORT TO COUNCIL

COUNCILLOR WENDY FREDERICKS – PORTFOLIO HOLDER FOR HOUSING & PEOPLE SERVICES

JULY 2023

1. Progress on Portfolio Matters.

Benefits

Financial Inclusion

The Financial Inclusion team were introduced into People Services in October 2022 as part of the council's program of support during the cost-of-living crisis. The team provides support and guidance to residents on money matters including budgeting, debt advice, benefit advice, and income maximisation.

Since the team formed, they have seen over 650 cases referred to them and have completed nearly 300 cases, with most cases having a successful outcome. The most common reason for referring into the team is for benefit advice and support. Outstanding cases are with an officer and are in progress.

We are creating a suite of reports to illustrate the significant and important work of the team and this data will be shared in due course.

Discretionary Housing Payments

For 2023/24, North Norfolk has been allocated funding of £103,037, and up to 30th June 2023 we have spent £36,682.99 which equates to 35.6% of our allocation across 53 households. A further 61 applications have been refused as the circumstances of the household are outside the scope of the scheme. Where we have not been able to provide support through the DHP scheme, the team will consider other funding options and signpost the customer accordingly.

A breakdown of how the expenditure has been allocated across the 53 households can be seen below:

Single Working Age Households	
Number of successful applications	29
Rent Arrears	£1,321.06
Rent Deposit/Moving Costs	£210.00
Ongoing Rent Shortfall	£20,105.91
Sub Total Expenditure	£21,636.97
Single Pension Age Households	
Number of successful applications	4
Rent Arrears	£0.00
Rent Deposit/Moving Costs	£0.00
Ongoing Rent Shortfall	£1,822.58
Sub Total Expenditure	£1,822.58
Couple Working Age Households	

Number of successful applications	2
Rent Arrears	£0.00
Rent Deposit/Moving Costs	£0.00
Ongoing Rent Shortfall	£1,042.62
Sub Total Expenditure	£1,042.62
Couple Pension Age Households	
Number of successful applications	1
Rent Arrears	£700.00
Rent Deposit/Moving Costs	£0.00
Ongoing Rent Shortfall	£0.00
Sub Total Expenditure	£700.00
Family Working Age Households	
Number of successful applications	17
Rent Arrears	£800.00
Rent Deposit/Moving Costs	£1,095.00
Ongoing Rent Shortfall	£9,585.82
Sub Total Expenditure	£11,480.82
Family Pension Age Households	
Number of successful applications	0
Rent Arrears	£0.00
Rent Deposit/Moving Costs	£0.00
Ongoing Rent Shortfall	£0.00
Sub Total Expenditure	£0.00
Total Expenditure	£36,682.99

Most of the expenditure has been allocated to households to support with a shortfall between their rent and the amount of Housing Benefit they are entitled to.

Housing Benefit for privately rented housing is based on Local Housing Allowance (LHA) rates. LHA rates have been frozen in cash terms since 2020. As the LHA rates are not keeping up with the rate of inflation, and as rents continue to rise, more people receiving housing benefit are seeking additional support through funds such as the Discretionary Housing Payment scheme.

Council Tax Support Fund (Q1 2023/24)

Recognising the impact of rising bills, the government has provided funding to LAs in 2023-24 to support economically vulnerable households in their area with council tax payments. Households in receipt of Council Tax Support (CTS) will be awarded up to £25 towards their council tax bill.

North Norfolk District Council has been allocated **£203,643** under the fund. The discount of £25 has been applied directly to the council tax accounts where the taxpayer is in receipt of council tax support and has an outstanding council tax liability for the 2023-24 financial year. So far, we have provided 5276 households with additional support utilising 63% of the fund.

Housing Benefit/Council Tax Support caseload

Due to the increase in the number of reported changes in circumstances we receive around income changes, rent increases, and benefit upratings for the new financial year, our outstanding workloads had increased from January through to May, but have now significantly reduced.

Month 2023	Volume of Work Items Received	Volume of Cases Received	Volume of Cases Outstanding*
January	8647	4319	1142
February	8339	5081	1325
March	5756	4579	1923
April	5513	3927	2198
May	8080	4748	2598
June	6126	3631	1123

* Cases outstanding at the end of each month

Please note December 2022 volumes: work items received was 4166, cases received 2510 and cases outstanding was 493.

Housing Benefit/Council Tax Support Speed of processing

Our local target for processing new claims for Housing Benefit and Council Tax Support is 20 days, and for changes in circumstances, this is 14 days. Our speed of processing times had increased as we worked through the significant volume of outstanding work, and our times have now started to improve.

We are continuing to look at ways of achieving a performance level that offers customers a response time in line with other benchmarked authorities.

Recruitment

We are recruiting to the following posts:

1 x Permanent Benefits Visiting Officer post to support the work of the Financial Inclusion team and to ensure our service continues to be accessible to all. This is currently a vacant post.

1 x Benefits Officer (12 months) to replace an officer who has been seconded to another service area within the council.

2 x Service Development Officers (up to 31st March 2024) to review the services being provided and methods of service delivery, and to propose changes which deliver better outcomes for the customer in a more cost efficient and effective manner. The post holders will also be working with the Quality Assurance and Subsidy Team to identify potential areas of risk and loss of subsidy and to develop solutions to maximise and generate income. They will be working collaboratively with People Services Development Officers under the direction of the Assistant Director for People Services and the service managers to embed the ethos of prevention more generally across People Services and the wider Council.

Housing Strategy

Local Authority Housing Fund

In the first round of funding government offered the Council up to £1,245,210 to provide 11 additional affordable homes in the district by December 2023 – initially to house Ukrainian and Afghan refugee households. Cabinet (on 6/3/23) agreed to accept the money and work with the Flagship Housing Group to deliver the 11 homes. We have identified 11 suitable properties and offers have been made and accepted on all 11. One home will be owned by NNDC and the remaining 10 will be owned by Flagship.

The Council has been offered a further £560,000 of funding to provide four further homes. Three would initially be to house Afghan refugee households. The fourth would be to provide a home to house a homeless household. The Council is in discussion with the Flagship Housing Group. The proposal is for Flagship to own the three properties for Afghan refugees whilst the Council will own the fourth home and add to the Council's stock of homes used for temporary housing.

Long-term all 15 homes would be available to households on the Council's housing list, either as temporary accommodation for homeless households or as a long-term affordable home.

New Affordable Homes

We have a healthy affordable housing schemes pipeline, many of which are Rural Exception Housing Sites at various points in the development process. There are 20+ developments which will or could, subject to approvals, yield 350+ new Affordable Homes in the next few years. Officers have worked with Broadland Housing Association to get in-principle support from Homes England (the government's funding agency for affordable housing) to fund a package of five Exception sites in North Norfolk to be delivered over the next 2-3 years.

We anticipate completion of 27 affordable homes in 2023/24. Unfortunately, this is lower than reported in June as some sites previously expected to complete in 2023/24 will now complete in 2024/25.

Grant for Energy Efficiency Improvement Works

North Norfolk District Council (NNDC) is part of the Norfolk Warm Homes Consortium of five Norfolk districts.

The consortium has been successful in a bid for £3,933,000 to improve the energy efficiency of 'off-gas' homes. Eligibility criteria for future grants has been simplified and will include any home within the most deprived areas in the UK (measured by the Government's Index of Multiple Deprivation income deciles 1-3) if privately owned or privately rented, provided the Energy Performance Certificate is rated D-G and the households has no more than £100k in savings. This will open up the grant to many more eligible households – across Norfolk there are 603 postcode areas covering 2,600 properties we believe meet the criteria and 23% of these are in North Norfolk.

Housing Options and Homelessness Prevention

Your Choice Your Home

As at the 30 June there were **2,538 households** on the housing list with 592 (23%) being on the Housing Register – this register contains those qualifying applicants who have the most urgent housing needs.

Housing List by Bedroom Need:

	Housing List – Bedroom Need:					
	1 Bed	2 Bed	3 Bed	4 Bed	5 Bed +	Total
Housing Register	266	142	86	91	7	592

Housing Options		1	0	0	0	1
Transfer	1	2	0	0	0	3
Total:	31	26	0	0	0	57

Temporary Accommodation

As at the 30 June 2023 there were **72 households** in Temporary Accommodation.

Households in Temporary Accommodation

* Other households includes couples and families with older Children.

Households Assessed and Duty Owed

Open Cases

Our Housing Options Service offers advice to anyone who has a housing problem, and offers support and assistance if someone is homeless, or threatened with homelessness, within the next 56 days.

Demand on the service remains high, as at the 30 June 2023, there were **214** open cases. Each represents a household who has contacted us as they have some sort of housing need and we are still seeing an increase in homeless households.

**A high proportion of the Triage cases will be supported by the Early Intervention Team.*

Early Intervention – improving outcomes for people.

The Early Intervention team, forms part of the Housing Options service and work closely with other services to identify those in need and proactively targets people at risk of homelessness much sooner to avoid them becoming threatened with homelessness. This pre-crisis intervention can take many forms, including but not limited to, specialist advice and support on rent, tenancy rights and help finding alternative accommodation.

Early Intervention work starts as early as possible. In many cases this will be before issues have escalated to a point where homelessness appears imminent, and the household is in crisis.

During Q1 (April to 30 June 2023) the team opened 48 new early intervention cases.

For the same period (Q1 April to 30 June 2023) the team closed 58 early intervention cases. Of the 58 cases closed, 49% (28) households were supported with securing alternative accommodation or sustaining existing accommodation/staying with family. Early Intervention activities were not successful for 10% of cases closed and resulted in a homeless case being opened. 41% of cases were closed due to either non engagement or at the request of the client.

Detailed below are some case studies detailing some of the successful outcomes:-

No Fault Eviction (Section 21)

We were approached by a family (2 adults and 3 Children) who were a risk of losing their private rented tenancy. We contacted the landlord, who advised that he needed to sell the property due to increased mortgage payments. We started working with the family to identify alternative housing options and were realistic that due to the lack of social housing, we would need to look at private rented.

We were made aware of a private landlord who had a 3-bedroom property that they wanted to rent out to a family facing homelessness. We contacted the landlord and they agreed to rent the property to this family. We supported the family with a Rent in Advance and Damage Deposit Loan.

Whilst the loss of their home could not be prevented, working with the family early meant that we could find alternative accommodation in the same area, without the need for them to make a homeless application or spend any time in temporary accommodation.

- *Cost of Living*

We were contacted by a family in private rented accommodation, their landlord had increased their rent and it simply wasn't affordable to them anymore. Although we identified that the rent increase was significant, it had been applied lawfully and was still affordable when compared to other 3 bed properties in the area. We advised the family of this and worked with them to look at their expenditure to establish what the family could afford. Through this we identified that they were not claiming Child Benefit for one of their children and also supported an application for a Discretionary Housing Payment whilst they reworked on their expenditure to account for the increased rent.

The family were able to re-work their budget to account for the new rent figure and were able to sustain their tenancy, avoiding any rent arrears occurring and potential notice being issued.

- *Universal Credit*

Mr F was renting a room in a house. He was working full time until diagnosed with Leukaemia. His company sick pay has come to an end, and he was still very unwell and receiving treatment. With no income now to pay his rent, his landlord had asked him to leave and advised that he was thinking about selling the property. We liaised with Department of Work and Pensions (DWP) to submit a Universal Credit claim and provided the DWP with evidence of his rent liability to get the housing element added to his claim. His claim was successful which meant that he could afford the rental payment and the Landlord confirmed that with a guaranteed payment, we would not be selling the property, which allowed Mr F to stay in his home.

- *Homes for Ukraine*

A Ukrainian family and their 2 children were still living with their host but were looking to move into more permanent accommodation due to overcrowding. Their original Homes for Ukraine placement had been for 1 adult and 1 child but following the arrival of their second child and the

husband being able to leave Ukraine to be with his family, the accommodation was no longer suitable.

Working with NNDC's Ukrainian Community Support Officer, we met with the family to discuss housing options, support available with finding private rented and information on benefit entitlement.

Suitable private rented accommodation was found, and we were able to loan the family rent in advance for 6 months in order to secure the property.

Homelessness & Rough Sleeping

During Qtr. 1 we have seen the rollout across all local authorities in England a new Rough Sleeping Data Framework to measure progress locally towards ending rough sleeping

Previously data to track rough sleeping in England has come from the annual rough sleeping 'snapshot', which uses an annual street count to estimate the number of people sleeping out on a single night each autumn.

Within the new framework, there is a set of five core indicators which require data to be submitted on a monthly basis.

These indicators are relevant to every part of the country and allow us to capture the prevalence of specific types of experiences of rough sleeping (for example, someone who is experiencing long term rough sleeping, or repeated rough sleeping or has been seen for the first time in the district.

For the month of June, our data return highlights that we continue to support 2 entrenched Rough Sleepers, 2 people were new to rough and 2 people have previously slept rough (with the past 180 days) within North Norfolk.

.

Preparing for Adulthood

Over the past three months, the People Services Teams within the Communities Directorate has welcomed over 30 students from Sidestrand Hall Sixth Form. The aim of the visits was to support students with complex needs (including moderate learning difficulties; behavioural, emotional and social difficulties; autistic spectrum disorder; and speech, language and communication difficulties) gain an understanding around what support might be available to them as they approach adulthood.

Information was provided around their housing options (including joining the Housing Register and Housing Adaptations), access to benefits, social prescribing and information about the fantastic voluntary and community groups in North Norfolk that are available and can provide that little bit of extra support.

Feedback from the school has been very positive, and not only provided the opportunity for students to get an understanding about the support and services we offer, but they also benefited from visiting NNDC and meeting officers which will help build their confidence when interacting and engaging with services in the future.

Integrated Housing Adaptations Team (IHAT)

Demand for the service remains high. A total of 87 new contacts were received in May & June.

In the last financial year 142 Disabled Facilities Grants (DFG) were completed. This equates to 33 grants under £5,000, 92 grants between £5,001 & £15,000, 15 grants between £15,001 & £29,999 and 2 grants over £30,000.

A Discretionary Disabled Facilities Grant Policy was approved by Cabinet in June. This will enable additional Discretionary DFG's that meet identified needs that are outside of the scope of the current mandatory DFG to be offered.

Waiting Well

The Waiting Well project aims to support residents on the orthopaedic waiting list for a knee or hip condition at the Norfolk and Norwich University Hospital.

A mid project report was presented to the North Locality Place board in June. The project is currently due to end in October 2023. Research is being done to investigate possible areas where the model could be re-purposed.

Community Connectors

The Community Connectors weekly radio show <https://www.poppylandradio.co.uk/shows/community-connectors> has recently covered the following topics:

- Domestic abuse support
- Veteran's support
- Menopause support
- Archaeology for Wellbeing

In June the Community Connectors were involved in the following events to provide information, signposting and support:

- Carers week
- Information stalls in Wroxham and North Walsham
- Inaugural "Parent Support" event in Cromer – a collaboration between the WOW Bus, Local Maternity & Neonatal System (LMNS) and Children's Services.
- Armed Forces Day in Northrepps
- Healing Harbour, High Kelling event

The Community Connectors continue to have a regular presence at warm spaces, community groups, food hubs, food banks, coffee mornings, libraries, community lunches and wellbeing walks.

Social Prescribing

In June 2023, seventy-seven new Social Prescribing referrals were received requesting support with one hundred and ninety issues. Benefits, financial advice, mental health, long term health conditions and social isolation are the most frequent reason for referral.

The total number of referrals received in 2023 until 30th June is four hundred and six.

An increasing number of referrals are complex and require multi agency input. Referrals where hoarding is a factor have risen.

In addition to NNDC funded Living Well Officers, NNDC has a contract with North Norfolk Primary Care Network to deliver a Link Worker Social Prescribing service to Birchwood, Paston, Mundesley, Cromer and Aldborough Practices. External funding has also been secured to deliver a Social Prescribing in Secondary Care Service.

Homes for Ukraine (H4U)

There are currently 164 Ukrainian Guests being supported in North Norfolk of which 104 are adults and 60 are children.

There are currently 55 Hosts In North Norfolk, Norfolk County Council has recently run a campaign to try to increase the number of hosts able to offer a home to H4U guests.

During the month of June;

- We Received One new accommodation request;
- Completed two new initial welfare visits
- Three families were moved into Homes for Ukraine temporary accommodation.
- One guest was assisted to move into private rented accommodation.

Grants

North Norfolk Sustainable Communities Fund

The June meeting has been rescheduled for 11th July. Seven applications were received for consideration, 5 for between £1,000 and £15,000 and 2 for under £1,000 totalling £56,004.

Arts & Culture Fund

Five new applications have been received totalling £16,286.

Community Transport

1 application for continuation funding totalling £2,000.

Other activities

North Norfolk Health and Wellbeing Partnership Older Person's Group:

The inaugural meeting of this working group has been arranged for the 25th of July. This initial meeting will agree the format and structure of the group, and its initial actions in addressing the Health and Wellbeing partnership strategy action plan.

Carer Friendly Tick Accreditation:

The application for the Carer Friendly Tick Employer accreditation was submitted at the end of June. We anticipate a response by the end of August.

Waiting Well:

The Waiting Well project has been well received to date with positive feedback. A mid project report was presented to the North Locality Place board in June. The project is currently due to end in October 2023. Research is being done to investigate possible areas where the model could be re-purposed.

Age Friendly Communities:

Initial conversations have taken place with Age UK Norfolk to collaborate on work around Age Friendly Communities. This is also an identified action for the North Norfolk Health and Wellbeing Partnership strategy, and therefore will connect with both NNDC and the partnership, specifically the Older People Working group.

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR PAUL HEINRICH- CABINET MEMBER FOR SUSTAINABLE GROWTH

For the period June to July 2023

1 Progress on Portfolio Matters.

Funding and Programmes

Rural England Prosperity Fund

On 3 July NNDC launched the Rural Business and Communities Grant. This capital-only grant, funded by the Rural England Prosperity Fund, is intended to support the following activities :

Businesses

- Small scale investment in micro and small enterprises in rural areas. Including capital funding for net zero infrastructure for rural businesses, and diversification of farm businesses outside of agriculture to encourage start up, expansion or scale up of these businesses where this involves converting farm buildings into other commercial or business uses.

Community groups

- Funding (capital grants) for investment in capacity building and infrastructure support for local civil society and community groups.
- Funding (capital grants) for existing cultural, historic and heritage institutions that make up the local cultural heritage offer.
- Funding (capital grants) for impactful volunteering and social action projects to develop social and human capital in local places.

The allocation for 23/24 is £364,462.75 and £1,093,388.25 in 24/25. The scheme is open for applications now, however, this year's allocation has not been received, but is anticipated to be shortly. DLHUC have apologised for the delay.

UK Shared Prosperity Fund

The intention of the fund is to invest in local priorities, targeted towards a

number of areas: building pride in place, supporting high quality skills training, supporting pay, employment and productivity growth and increasing life chances.

The following activities have now commenced

- Support funding for new, or improvements to existing, community and neighbourhood infrastructure projects through the North Norfolk Sustainable Communities Fund;
- Work with Visit North Norfolk to develop a programme of support for local visitor economy businesses, including an additional staff resource to support this;
- Deliver the Go Digital programme to support business digitalisation (working with Norfolk County Council), and;
- Work with New Anglia Local Enterprise Partnership to deliver a business support and advice programme.

North Walsham High Street Heritage Action Zone (HSHAZ)

The HSHAZ programme is being delivered as expected, with 22/23 end of year funding deadlines having been met and satisfied by the key funders. A number of shopfront and other building improvements, funded by the Building Improvement Grant, are underway and there is a good pipeline of proposals for the remainder of the year. The Market Place improvements have now been completed and the predominant focus will now be on the Black Swan and Bank Loke areas. The renovation work to the Cedars is reaching the final fix stage and negotiations are underway with a number of potential tenants.

The HSHAZ Cultural Programme is detailed in the update provided by Cllr Withington, whose portfolio includes culture.

2 Forthcoming Activities and Developments.

- Development and delivery of the UKSPF and REPF funds
- Supporting the Stalham High Street Task Force team
- Next stages of the North Walsham HAZ place making – design and tender for Black Swan Loke area

3 Meetings attended

Recent business visits/meetings include:

Vattenfall briefing on Community Benefit Fund

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR RINGER - CABINET MEMBER FOR IT, WASTE AND ENVIRONMENTAL SERVICES

For the period June to July 2023

1 Progress on Portfolio Matters.

IT Infrastructure Team

- **Testing for Business Continuity** - Out of hours testing has made good progress towards automating the switch over to Fakenham in the event of an internet line outage at Cromer.
- **Public Services Network (PSN) Health Check** – Last week we had an external tester scanning our IT infrastructure for vulnerabilities, these results will determine if we retain our PSN accreditation. Without this we wouldn't be allowed to access data supplied by the DWP for the processing of Benefit claims.
- **Redundant Equipment** - Laptops and PCs are used for 5 years before we replace them. Old equipment is being picked up by Norfolk County Council to be refurbished and redistributed to people who can't afford to buy IT equipment.

IT Web Team

- **Invest North Norfolk** - Content and structure of the new Invest North Norfolk section has been completed and put live to the public.
- **CoastWise** - Initial pages created and published to support the new branding for the Coastwise initiative.
- **Intranet** - Updated look and feel applied to team sections of the corporate intranet.

ICT Applications Support Team

- **UniMap web** - The authority is required to move across to the Unimap web offering as the current product is being decommissioned. This is used by the Planning department to access the mapping component of Uniform.
- **Out-of-date servers** - There is a requirement to move any software that is on Windows 2012 servers across to servers on a more recent version, this will be happening in the coming months.

Environmental Health

Public Protection

Unusually for North Norfolk during the month of June 2023 we rated two premises a zero (0), one premises a one (1) and two premises a two (2) on the Food Hygiene Rating Scheme. We would normally only score this many low scoring premises in a whole year.

Businesses are reporting to us that they are unable to get members of staff to

undertake all the tasks that need to be done in their businesses.

Environmental Protection

Fly Infestation Poplar Farm Fulmodeston (dated 03/07/23):

There is a continuing issue for the village of flies from the farm (primarily along Croxton Road). There is a degree of media interest from this. The site owner has admitted that managerial lapses may have contributed to the issues.

The site owner has received formal notification from Environmental Protection that the conditions in the village meet the criteria for statutory nuisance.

Now the site operator has initiated additional actions to bring the situation under control, including:

- Additional fly treatments Inc. larvicide
- Enhancements to site management practices (site cleaning etc)
- Offer to provide fly traps to impacted residents.

EP are monitoring the situation and working with residents to determine if the situation improves following agreed actions by the operator.

Civil Contingencies

A Tactical Coordination Group meeting regarding the national 999 system issues was convened on Sunday 25 June. NNDC attended and supported the County wide approach.

Environmental Services

The Norfolk Waste Partnership Board met on Friday 30th of June. This was attended by officer and portfolio holder. The team continue to manage the contract with Serco although are still receiving a high level of customer calls for missed collections.

2 Forthcoming Activities and Developments.

We await the outcome of the Government consultation on standardisation of waste collections previously delayed in April. This may have various implications for the authority and residents.

Improvements to the webform for reporting missed bin collections are due shortly

3 Meetings attended

- Norfolk Waste Partnership
- Regular meetings with officers across IT and Environmental and Waste Service area
- Visit to Anaerobic Digester in Attleborough (17/7)

This page is intentionally left blank

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR SHIRES - CABINET MEMBER FOR FINANCE, ASSETS AND PROPERTY SERVICES

For the period June to July 2023

1 Progress on Portfolio Matters.

Finance

- **Outturn position** – The outturn position for the 2022/23 financial year shows a General Fund overspend of £0.782m, which is made up of a £0.261m revenue services overspend and a £0.561k income shortfall in retained business rates. The deficit of £0.261m relating to service overspends be funded from the General Reserve and the deficit of £0.561m relating to retained business rates be funded from the Business Rates Reserve.
- **CIVICA** – The finance team are continuing to work on improving the processes within CIVICA and an internal audit is being undertaken to review the implementation of the system.
- **Statement of Accounts** – The 2020/2021 accounts will be signed off shortly

Revenues

- **Business Grants Assurance Success** - Based on the assurance evidence supplied by us, none of the businesses that were assessed have been identified as ineligible for the grant they received.
- **Collections as of 28 June 2023** - The 30 June monthly Council Tax collection was 28.96% against target of 28.75%. An excess in collection to target of £184k. The 30 June monthly NDR collection was 32.56% against target of 27%. An excess in collection to target of £1.3m.
- **Council Tax Energy Rebate Scheme Reconciliation** - NNDC's total rebate awarded to NNDC council tax customers for the main scheme was £6,108,000.
- **The Energy Bills Support Scheme Alternative Funding (EBSS AF) & Alternative Fuel Payment (AFP)** - There has been 860 applications paid for a total of £241,200.

Property Services

- **Cromer Pier** - Our Structural Design Engineers HOP Ltd have been awarded the Peter Mason award by the National Pier Society for their design works at Cromer Pier and the Pier has again been awarded runner up Pier of the year.
- **Public Conveniences (PC)** - All our new build / refurbishment public conveniences will be entered in the National Loo of the year awards.
- **Car Parks** - The car park boundary wall at Morris Street car park Sheringham has been completed and all pay and display bays are operable.

All pay and display machines are fully operable and ready for the summer.

- **North Walsham** - Works to support the refurbishment of The Cedars and the wider HAZ project in North Walsham are ongoing, with a completion date of the 16th August.
- **LED Lighting** - Completion of the middle tier of the Council offices is expected in November with the lower level works commencing shortly afterwards.
- **“Tackling homes in disrepair”** - Property Services are supporting the scheme. The pilot will run until end March 2023.

2 Forthcoming Activities and Developments.

Finance

- **2023/2024 Budget Monitoring** – The Budget monitoring for period 3 is ongoing and will be taken through the committee cycle in due course.
- **Statement of accounts** – The 2021/2022 Accounts will be audited in August, with the 2022/23 Accounts audited by December.

Revenues

- Online forms - reviewing and improving most commonly used customer paper forms including the Long-term empty property review forms

Property Services

- Play equipment repairs and maintenance programme.
- Winter Public Convenience Repair and maintenance programme now being scoped.
- Car park resurfacing works to be programmed for after the summer season.

3 Meetings attended

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR ADAM VARLEY CABINET MEMBER FOR CLIMATE CHANGE AND NET ZERO	-
--	---

For the period June to July 2023

1 Progress on Portfolio Matters.

Estate Decarbonisation

Phase two of the construction of the Reef solar car port continues on schedule with completion expected before the beginning of the school holidays. Generation is expected to follow soon after. Publicity has raised awareness of the project and informed users of The Reef about the expected disturbance. No issues have been reported and visitors to The Reef appear to have been interested and widely supportive of the project.

Staff Engagement

The regular slot at the Staff Briefing was used to raise awareness of the Council's Net Zero journey and to raise awareness of personal actions that can be taken to reduce our individual carbon footprints.

Net Zero Strategy & Action Plan

A review of the NZAP is being undertaken in the light of progress on its implementation so far and in light of emerging Corporate Plan.

Wider environmental matters

The team conducted a 'show and tell' of North Walsham Miyawaki forest for Natural England

CABINET MEMBERS REPORT TO COUNCIL

19 July 2023

COUNCILLOR LIZ WITHINGTON - CABINET MEMBER FOR LEISURE

For the period June to July 2023

1 Progress on Portfolio Matters.

Leisure Centres

- 54 participants took part in the Victory Super Sprint Triathlon on June 25th. This is an entry level event which requires participants to swim 300m, cycle 17km and run 3km. 10 of the 54 entrants had never taken part in a triathlon before and 22 came from outside of the district to take part. The event was very well received.
- Performance remains strong across the 6 facilities with the latest figures (May) reaching 44918 visits. The Reef now has 1635 members.

Beaches/RNLI

- Peak season lifeguarding commenced on July 1st, with additional stations added at West Runton, East Runton, Sheringham East, Cromer West and Wells.

Health and Wellbeing/Sports Development

- All to Play For men's mental health football project in Sheringham has been pushed back a week to a start date of July 25th
- Bacton primary (£12000) and Cromer Academy (£9434) were successful for funding from the Opening School's Fund. Bacton will act as a pilot for a wider 'Community Hire Hub' project which is being worked on for the district.

Pier Pavilion Theatre

- Opening night of the summer show took place on Saturday 1st July and early reviews have been very positive.
- Bookings in advance are currently mirroring 2019 figures which is extremely positive.

2 Forthcoming Activities and Developments.

3 Meetings attended
Openwide Coastal Ltd- Pier Contract Meeting Opening night of the Pier Show Coastal Team Everyone Active – Community Outreach ICB Health inequalities

LEISURE & OUTREACH**

For the period June to July 2023

1 Progress on Portfolio Matters.

Culture

Deep history Coast (DHC) – In order to maintain the functionality of the DHC app, an upgrade process is underway. This is nearly complete, with a few teething problems to iron out, and the newer version will shortly be uploaded to the App Store and Google Play. The DHC discovery points will be reviewed and the identified maintenance issues addressed in time for the school summer holidays.

Visit North Norfolk (VNN) – The Council has been working in partnership with VNN to develop the way in which it supports businesses in the local visitor economy. With funding from the Shared Prosperity Fund, the post of ‘Membership and Business Development Manager’ has been created and VNN is hoping to have made an appointment into this soon (closing date for applications was June 30th). VNN reports that there has been a good pool of applicants.

- The Year of the Coast Campaign is being well received and is supporting the attraction of visitors to local businesses, our special and beautiful open spaces, the Deep History Coast, as well as activities to get people involved in being outdoors and enjoying our heritage and cultural attractions.

2 Forthcoming Activities and Developments.

North Walsham Cultural Programme

The funded programme of cultural activity that supplements the High Street Heritage Action Zone will continue with the following:

- mosaic workshops will run in July and August
- street circus (from Foolhardy Circus) performing and delivering four workshops plus a day performance and community picnic in August
- craft workshops will continue to be held during July (needle felting, silversmithing scrapbooking, crochet, candle rolling and cyanotype)
- Summer play and community engagement opportunity (via New Stages) during August

COUNCILLOR LIZ WITHINGTON - CABINET MEMBER FOR OUTREACH

For the period June to July 2023

1 Progress on Portfolio Matters.

Customer Services

In the month of June, we managed over 7,800 customer contacts which was up nearly 7% on the previous month. Incoming calls made up 59% of these, face to face 13% and online methods including email 28%.

The average telephony wait time was 4 minutes 25 seconds which is the lowest achieved since December 2022, but still not at our target of two and a half minutes.

68% of all enquiries were resolved by the customer services team, with the remaining 32% needing to be passed to the services to deal with.

The Chat Bot service is soon to go live and will be another alternative way of answering customer queries. The final stage of its development is to make sure that if a customer's query is not resolved the Chat Bot, that they are forwarded onto the Customer Services team. It is hoped that the Chat Bot will reduce telephony and face to face contact by providing an alternative way of accessing information and services. If this is used as hoped, then this should free up some time of the customer service assistants and thus lead to reduced Customer Service contact and we would expect to see a reduction in customer wait time when calling.

We completed our first full month of capturing Customer Satisfaction performance. There were 219 out of a possible 2,347 (9.3%) customers who completed our survey.

The results achieved were:

89.04% of customers were satisfied or extremely satisfied with the ability to contact the council.

88.58% of customers were satisfied or extremely satisfied with the helpfulness of the advisor.

84.93% of customers were satisfied or extremely satisfied with the advice provided.

84.47% of customers were satisfied or extremely satisfied with their overall experience.

2 Forthcoming Activities and Developments.

Development of a back office Customer Satisfaction Survey

Following the development of a Customer Satisfaction for all enquiries resolved at the first point of contact in the Customer Services team, it is proposed that a Customer Satisfaction survey is developed for customer contacts that are dealt with by service areas. This will provide a better understanding of how customers view their experience in each service area.

Customer Service performance reporting – Escalated enquiries

Dashboards that capture the Customer Service performance for escalated customer enquiries have been set up. It has been suggested that these should be included in reported performance measures of all services areas on In Phase. The Customer Services Manager believes this will increase service engagement and focus on delivering an improved performance for 'a strong, responsible and accountable Council'.

Corporate Plan 2023 – 2027	
Executive Summary	<p>Following the District Council elections on 4th May the Cabinet and Corporate Leadership Team have worked to develop a new Corporate Plan which sets out the intent and ambition of the authority for the period 2023 – 2027.</p> <p>The draft Corporate Plan document is now presented for formal approval by Cabinet and thereafter presentation to Full Council for adoption.</p>
Options considered	<p>The Council is required to publish a Corporate Plan.</p> <p>The development of this Plan reflects the priorities of the administration based upon their manifesto statements and looks to take forward new actions under the principal themes from the 2019 – 2023 Corporate Plan – particularly with respect to the environment and Net Zero, housing, the local economy, quality of life and engagement with our residents and communities.</p>
Consultation(s)	<p>The development of the new Corporate Plan has not in itself involved a specific process of consultation. The Plan has been developed recognising those critical issues facing North Norfolk and its communities and reflects the priorities of the incoming council administration for the period 2023 – 2027. These issues are not new and will involve the Council working with established partners to develop responses to these challenges. The Corporate Plan is a high level document setting out the priorities of the Council over the next four years, with specific project proposals and interventions developed to address those challenges being the subject of engagement and consultation in the months ahead.</p>
Recommendations	<p>That Cabinet resolves to:</p> <ol style="list-style-type: none"> 1. Agree the content of the draft Corporate Plan 2023 – 2027 as a statement of the Council’s intent and ambition for the term of this Council administration. 2. Authorises the Chief Executive, in consultation with the Leader of the Council, to agree any minor revisions and changes to the final draft of the Corporate Plan document and thereafter the format / design of the document for publication, following adoption by Full Council. 3. That Cabinet publishes an Action Plan detailing how the objectives detailed in the Corporate Plan will be delivered / achieved to its November 2023 meeting. <p>That Cabinet recommends to Full Council:-</p> <ol style="list-style-type: none"> 4. That Full Council adopts the Corporate Plan 2023 – 2027.
Reasons for recommendations	<p>The Corporate Plan details the Council’s ambitions and intent for the next four years. It will provide the framework and context for the Council’s service provision, project</p>

	<p>interventions and resource allocation (financial and staffing) for the period through to 2027.</p> <p>The Plan will be subject to annual review to ensure that it continues to reflect the Council's priorities and objectives throughout the next four years in response to emerging trends, policy developments and legislation.</p>
Background papers	No background papers were used in the preparation of this report.

Corporate Plan:	Not applicable – this report proposes a new Corporate Plan
Medium Term Financial Strategy (MTFS)	The adoption of a new Corporate Plan will inform future revision of the Medium Term Financial Strategy
Council Policies & Strategies	The adoption of a new Corporate Plan will inform future revision / adoption of council policies and strategies

Corporate Governance:	
Is this a key decision	Yes
Has the public interest test been applied	Public business item.
Details of any previous decision(s) on this matter	New Corporate Plan to reflect the priorities of the Council during the period 2023 - 2027

1. Purpose of the report

- 1.1 To propose a new Corporate Plan for the Council for the period 2023 – 2027.

2. Introduction & Background

- 2.1 The Corporate Plan is a key document which details the Council's ambitions and intent for the four-year term of this Council administration. It is a high-level document which details the Council's priorities and will then inform service provision, project interventions and the allocation of staff and financial resources to deliver against those priority issues and themes over the lifetime of this Council.

- 2.2 The Corporate Plan details the Council's ambitions and priority areas of focus and attention. However, alongside delivery of actions in support of the Corporate Plan objectives, many of the Council's staff and resources will be focused on the delivery of "core" or statutory services around which there is some choice as to service standards but little real discretion over the need to provide.
- 2.3 The Council's performance in these "core" service areas will be the subject of performance monitoring and "benchmark" reporting in addition to reporting on the progress the Council makes in delivering against its Corporate Plan objectives in quarterly performance reports.

3. Proposals and Options

- 3.1 Following the District Council elections held on 4th May, the Council's new Cabinet has shared its priority areas of focus for the next four years with the Corporate Leadership Team and work has been undertaken to refine key ideas and proposals in to a high level Corporate Plan, which is now attached at Appendix A of this report.
- 3.2 The Plan has a headline strapline and overarching statement of intent, as follows:-

Putting North Norfolk and its Communities First

We will be a Council green to its core, focussed on supporting the communities of North Norfolk; particularly our rural villages, businesses, those affected by the housing crisis and the challenges facing our unique environment.

- 3.3 This statement of intent is then supported by five principal themes, being:-
- **Our greener future**
 - **Developing our communities**
 - **Meeting our local housing need**
 - **Investing in our Local Economy and Infrastructure**
 - **A strong, responsible and accountable council**
- 3.4 Following approval and adoption of the Corporate Plan, work will commence on the development of a more detailed Action Plan for this year and next (2024/25) which will outline those projects and interventions the authority might seek to take forward to address the challenges faced by the District under each of the priority themes over the next 21 months – particularly in the 204/25 year. It is proposed that this will be an inclusive process with some initial work being progressed by officers over the July / August period and then some member / officer workshops for each theme held in September before a draft Action Plan is presented as a pre-Scrutiny item to the Overview and Scrutiny Committee meeting on 11th October and then the final draft Action Plan documented presented to Cabinet for approval at its meeting to be held on 6th November.
- 3.5 Agreement of the Action Plan will then inform a revision of the Council's Medium-Term Financial Strategy and the 2024/5 budget process, so that the

focus of the Council's activity and resources in the future are clearly aligned to the Corporate Plan priorities.

4. Corporate Priorities

4.1 Early agreement of a new Corporate Plan for the four-year term of this Council administration will provide a clear public context for the Council's priority actions and allocation of resources – both staff and finances for the next few years.

4.2 Agreement of the new Corporate Plan will therefore provide the context for the development of new policies and strategies and inform future financial and investment decisions to be made by the authority on projects and initiatives moving forward. The Corporate Plan is therefore a key document for the authority as it looks to plan for the next four years.

5. Financial and Resource Implications

5.1 Agreement of a new Corporate Plan will assist with the Council's financial planning through informing a revision to the Medium Term Financial Strategy and preparation of the 2024/25 and future years budgets.

5.2 Preparation of the new Corporate Plan itself will not involve significant direct costs beyond senior management time, which has been scheduled to support this process following the May elections. There will then be some wider requirement for officer time in the development of the Action Plan over the period July – October this year but this will provide the context for where staff and financial resources will be directed in the future.

5.3 There are no direct costs associated with the preparation of the new Corporate Plan itself; any project proposals identified through the Action Plan process will require the development of business cases and allocation of resources in their own right in due course.

6. Legal Implications

6.1 The Council is required to produce a Corporate Plan detailing its priorities and focus in seeking to address the challenges and opportunities in its area. The Corporate Plan is a high level document and does not in itself raise any legal issues which require consideration at this time. As individual project proposals are developed due consideration will need to be given to any legal issues arising through procurement, land and premises, employment issues etc.

7. Risks

- 7.1 The development of a new Corporate Plan does not in itself raise any risks for the authority. As individual project proposals are developed each will be required to consider any risks involved and where these are significant a project risk register developed and regularly reviewed. Any significant “corporate” risks would be escalated and included in the Corporate Risk Register.

8. Net Zero Target

- 8.1 The challenges of climate change and the Net Zero agenda and the Council’s proposed response feature prominently in the new Corporate Plan; with specific objectives outlined. Detailed project proposals which seek to address the Net Zero challenge will be included in the Action Plan as well as there being an over-arching narrative and requirement for the Council to consider Net Zero objectives in all of its activities and actions moving forward.

9. Equality, Diversity & Inclusion

- 9.1 The development of a new Corporate Plan does not in itself raise any issues in respect of equality, diversity and inclusion although a number of the key themes of community engagement, housing, the economy, and quality of life seek to address equality and diversity issues across the District.
- 9.2 As the Corporate Plan Action Plan is developed over the period July – October proposals will be assessed against an Equality Impact Assessment to ensure that the implications of any proposals on equality, diversity and inclusion are properly understood.

10. Community Safety issues

- 10.1 This report does not raise any issues relating to Crime and Disorder.

11. Conclusion and Recommendations:-

Following the District Council elections on 4th May the Cabinet and Corporate Leadership Team have worked to develop a new Corporate Plan which sets out the intent and ambition of the authority for the period 2023 – 2027.

The draft Corporate Plan document is now presented for formal approval by Cabinet and thereafter presentation to Full Council for adoption.

It is recommended that Cabinet resolves to:

- 1. Agree the content of the draft Corporate Plan 2023 – 2027 as a statement of the Council’s intent and ambition for the term of this Council administration.**
- 2. Authorises the Chief Executive, in consultation with the Leader of the Council, to agree any minor revisions and changes to the final draft of the Corporate Plan document and thereafter the format /**

design of the document for publication, following adoption by Full Council.

- 3. That Cabinet publishes an Action Plan detailing how the objectives detailed in the Corporate Plan will be delivered / achieved to its November 2023 meeting.**

It is further recommended that Cabinet recommends to Full Council:-

- That Full Council adopts the Corporate Plan 2023 – 2027.**

LOGO

Corporate Plan 2023 -2027

Putting North Norfolk and its Communities First

A Council placing the environment and our communities at the heart of everything we do, particularly our rural villages, businesses, those affected by the housing crisis and the challenges facing our unique environment.

Leader's introductory statement

To be developed for meeting of Full Council to be held on 19th July 2023 reflecting on discussions of Cabinet on 29th June and Overview and Scrutiny Committee on 12th July 2023.

final draft

Contextual Information/Infographics

The infographic datasets to be included here are being developed alongside the process of approving the draft Corporate Plan at the Cabinet meeting of 29th June and Overview and Scrutiny Committee meeting to be held on 12th July 2023.

final draft

Our Priorities.....

Our Greener Future

Developing our communities

Meeting our local Housing Need

Investing in our Local Economy and Infrastructure

A Strong, Responsible and Accountable Council

Final draft

Our Greener Future

We will continue our work to create a cleaner, greener and zero-carbon future for North Norfolk.

Continue our journey to Net Zero

- Continuing our own annual emissions reductions to reach Net Zero by 2030
- Introducing significant new projects which deliver on our Net Zero ambitions
- Supporting homeowners upgrade the environmental performance of their homes.
- Continuing to invest in the Council's property portfolio to reduce carbon impact.
- Promoting measures to reduce emissions from transport and increase active travel
- Protecting and enhancing the special landscape and ecological value of North Norfolk whilst improving the biodiversity of the district
- Strengthening the ability for local communities to deliver on local environmental ambitions and priorities.

- Continuing to pursue government and external funding for new green initiatives.
- Providing carbon literacy training for all staff and members to better inform council decisions and promote community understanding.

Tackle environmental waste and pollution

- Using the National Waste and Resources Strategy implementation and any additional funding available to maximise recycling and reduce waste through the introduction of new streams, such as food waste collections for every household.
- Taking the strongest action to combat and prevent environmental crimes, such as fly-tipping
- Engaging with businesses, residents and partners to develop campaigns, actions and investment in infrastructure to reduce waste and litter

- Identifying solutions to nutrient neutrality that will enable key watercourses to remain healthy ecosystems, whilst ensuring necessary development can take place

Protect and Transition our Coastal Environments

- Realising the opportunities of external funding to secure a sustainable future for our coastal communities through transition and adaptation responses.
- Implementing the Cromer and Mundesley Coast Protection Schemes.
- Continuing our programme of investment in coastal and resort infrastructure and amenities, building on the progress made in recent years.
- Working with local communities and organisations to reduce plastic in the environment and achieve 'Plastic Free' status for our coastline

Developing our Communities

We will develop our work to support confident, engaged, resilient and inclusive communities.

Engaged and supported individuals and communities

- Ensuring that people feel well informed about local issues, have opportunities to get involved, influence local decision making, shape their area and allow us to continue to improve services they receive.
- Ensuring that the needs of harder to reach groups are not overlooked; through identifying, understanding and removing the barriers that might hinder engagement with the council.
- Supporting our communities to become more resilient, self-reliant, inclusive and embrace their diversity

Increase accessibility and inclusion for all

- Building upon our declared statement of wanting to make North Norfolk more accessible and inclusive for all.

- Continuing our record of investment in the provision of inclusive public toilet facilities.
- Creating active environments for all ages and abilities.
- Continuing to deliver the Sustainable Communities Fund, focussing on community activities for all.

Promote Culture, Leisure and Sports activities

- Championing North Norfolk as a place where residents and visitors can enjoy inclusive cultural opportunities and healthy leisure and sports activities.
- Continuing to support cultural assets across the District to provide cultural opportunities for all.
- Working with partners to support and develop participatory and community sports and cultural events.

- Developing further the leisure facilities provided across the District

Promote health, wellbeing and independence for all

- Tackling the COVID legacy of loneliness and isolation felt by those most impacted across our communities.
- Growing the work done in reaching out to our communities and provide additional focus to the work being undertaken to support the most vulnerable.
- Working with partners to promote healthy lifestyles and address the health inequalities faced by our communities.

Meeting our Housing Need

We will seek to meet the challenges of local housing need.

Address housing need

- Supporting the delivery of more affordable housing, utilising partnership and external funding wherever possible.
- Developing our prevention and support services to those who are at risk of losing a secure home
- Increasing our portfolio of Temporary Accommodation to support residents in crisis.
- Innovating to bring new types and tenures of homes to the District

- Working with partners to deliver more rural exception sites.
- Meeting the specific housing needs of our elderly and vulnerable residents.
- Working with national, regional and local partners to support the needs of refugees.

Tackle the impact of second homes and holiday lets

- Continuing the work we have done to represent the District over second homes, advocating for a fair proportion of the taxation which will be spent on

affordable homes and related infrastructure provision.

- Ensuring the efficient collection of taxes on second homes and holiday lets.

Promote best use of housing stock and good housing standards

- Working harder to bring empty homes back into use.
- Continuing the high-profile work done to tackle unscrupulous landlords/ poor quality housing during the cost of living crisis.

Investing in our Local Economy and Infrastructure

We will create an environment where businesses thrive and prosper, supporting jobs and economic opportunity for all

An environment for business to thrive in

- Working with our Market and Resort Towns to reinforce their roles as local service centres, centres of employment, financial services and business activity, served by public transport
- Providing support to allow rural businesses to thrive, recognising that many of our larger employers operate outside of our main towns.
- Looking to maximise the benefits to our business community of the UK Shared Prosperity and Rural England Prosperity Funds.
- Continuing to promote North Norfolk's diverse tourism and visitor offer
- Working with partners locally and nationally to deliver increased

sustainability in marine industries and develop a sustainable and equitable blue economy that delivers ocean recovery and local prosperity

Skills for jobs

- Promoting innovation and workforce development throughout the district.
- Promoting improved access to post 16 vocational education
- Continuing to provide apprenticeships opportunities, directly as a large local employer and promoting uptake in the wider business economy.

Infrastructure to support growth

- Exploring opportunities for securing development of our few brownfield sites.

- Seeking to maximise the potential from the local implications of the transition towards hydrogen and carbon capture, use and storage (CCUS) at the Bacton Gas site
- Acting as a digital champion to promote investment to address our competitive disadvantage through broadband and mobile connectivity challenges.
- Influencing issues of water scarcity and constraints in the local electricity distribution network
- Ensuring an adequate supply of serviced employment land and premises to support local business growth and inward investment

A Strong, Responsible and Accountable Council

We will ensure the Council maintains a financially sound position, seeking to make best use of its assets and staff resources, effective partnership working and maximising the opportunities of external funding and income.

Quality customer service

- Developing our self-service options so that customers can do business with us 24/7 to enable the most efficient transactions
- Providing support for all residents, focussing on equality, understanding and respect
- Improving communication with residents via all communication channels
- Reviewing contract and partnership arrangements to ensure the most appropriate and efficient means of delivering services to our diverse communities and customers.
- Reviewing service delivery arrangements so as to realise efficiencies without compromising service standards and outcomes

Effective and efficient delivery

- Managing our finances and contracts robustly to ensure best value for money
- Continuing a service improvement programme to ensure our services are delivered efficiently
- Delivering services that are value for money and meet the needs of our residents
- Ensuring that strong governance is at the heart of all we do.
- Creating a culture that empowers and fosters an ambitious, motivated workforce
- Exploring opportunities to work further with stakeholders and partner organisations

Maximising opportunity

- Investing in projects which deliver financial returns and/or contribute to our wider objectives around Net Zero, business and jobs, community facilities and infrastructure
- Reviewing our parking management contract to ensure we are realising all opportunities to generate revenue from these assets.
- Increasing the rates of occupation on all council's commercial properties
- Maximising external grant funding to deliver the Council's corporate objectives
- Investigating the implementation of a Tourist Tax to finance the provision and maintenance of visitor infrastructure so that the costs do not fall directly on local Council Tax payers/ making sure tourism pays for itself.

Our Key Actions 2023 -2024

Green to our core

- Deliver the solar car port at the Reef
- Develop a response to the Waste and Resources Strategy
- Local Plan examination
- Launch CoastWise
- Commence delivery of Cromer and Mundesley Coast Protection Schemes

Developing our Communities

- Encouraging those in our communities eligible for financial support through the benefits system to claim all they are entitled to
- Delivery of new/ refurbished toilets at North Walsham Sheringham and Holt
- Promote the development of Neighbourhood Plans
- Develop an Active Environments Strategy
- Further develop and embed our Youth Council work
- Develop a Rural Strategy
- Submit quality bids to available Government funding opportunities

Meeting Housing Need

- Develop XX (to be agreed) affordable housing units
- Deliver the Councils contracted commitment under the Local Authority Housing Fund
- Working with partners, agree a programme of investment in local housing initiatives, funded through the local Second Homes Council Tax premium. Deliver additional units of Temporary Accommodation

Investing in our Local Economy and Infrastructure

- Deliver the Stalham High street Task Force Action Plan
- Facilitating the provision of at least one Banking Hub in the district as a model to retain access to cash and financial services in our key settlements
- Commission a study into the potential Hydrogen production at the Bacton Energy hub
- Prepare an Economic Growth Strategy
- Launch the Virtual Business Support Hub

A Strong, Responsible and Accountable Council

- Ensure the Council's annual accounts are audited in a timely manner
- Facilitate Corporate Peer Challenge and prepare response to any recommendations made
- Review and prepare and options appraisal for the management of the car park service

- Advertise and let the Cedars building in North Walsham
- Ensure our customer service delivery model reflects current and future customer needs
- Complete implementation of the Planning Service Improvement Plan
- Develop a new People and Workforce Strategy in support of the Council's objectives and priorities

final draft

Our proposed future actions.....(for 2024 and beyond)

To be agreed through member / officer workshops for each of the themes to be staged in September 2023, followed by pre-Scrutiny in October 2023 and then agreement / sign off by Cabinet at its meeting of 6th November 2023.

final draft

2022/23 Outturn Report	
Executive Summary	<p>This report presents the provisional outturn position for the 2022/23 financial year which shows a General Fund overspend of ££0.782m, which is made up of a £0.261m revenue services' overspend and a £0.561k income shortfall in retained business rates.</p> <p>This report also presents the Council's capital programme outturn position.</p> <p>Details are included within the report of the more significant year-end variances compared to the current budget for 2022/23. The report also makes recommendations for contributions to reserves.</p> <p>The report provides a final budget monitoring position for the 2022/23 financial year. The report makes recommendations that provide funding for ongoing commitments and future projects.</p>
Options considered	<p>The revenue outturn position as of 31 March 2023 shows an overall overspend of £0.782m. The final position allows for £1.137m from budget and grant underspends to be rolled forward within Earmarked Reserves to fund ongoing and identified commitments in 2023/24. This draft outturn position will form the basis for the production of the statutory accounts, which will then be subject to audit by the Council's external auditors.</p>
Consultation(s)	<p>None – This is a factual report of the financial year end position for 2022/23.</p>
Recommendations	<p>Members are asked to consider the report and recommend the following to Full Council:</p> <ul style="list-style-type: none"> a) The provisional outturn position for the General Fund revenue account for 2022/23; b) The transfers to and from reserves as detailed within the report (and appendix C) along with the corresponding updates to the 2023/24 budget; c) The deficit of £0.261m relating to service overspends be funded from the General Reserve; d) The deficit of £0.561m relating to retained business rates be funded from the Business Rates Reserve; d) The financing of the 2022/23 capital programme as detailed within the report and at Appendix D; e) The balance on the General Reserve of £2.649m; f) The updated capital programme for 2023/24 to 2025/26 and scheme financing as outlined within the

	<p>report and detailed at Appendix E;</p> <p>g) The roll-forward requests as outline in Appendix F are approved.</p> <p>h) The transfer of £0.500m from the Delivery Plan Reserve to a new reserve 'Net Zero Initiatives' set up specifically to fund projects, initiatives and works to achieve net zero.</p> <p>i) The Provision of Temporary Accommodation capital budget for 2024/25 and 2025/26 of £0.250m per year be moved into 2023/24 giving a total budget of £0.750m in 2023/24 and that this be funded by temporary borrowing until it can be replaced by preserved right to buy capital receipts</p>
Reasons for recommendations	To approve the draft outturn position on the revenue and capital accounts used to produce the statutory accounts for 2022/23.

Medium Term Financial Strategy (MTFS)	The outturn position will have an impact on the Reserve Balances, which will become the revised starting balances for the MTFS
Council Policies & Strategies	

Corporate Governance:	
Is this a key decision	No
Has the public interest test been applied	
Details of any previous decision(s) on this matter	

1. Purpose of the report

- 1.1 This report presents the provisional outturn position for the 2022/23 financial year which will be used to inform the production of the Council's statutory accounts, which will be subject to audit ahead of presentation to the Governance, Risk and Audit Committee (GRAC).

2. Introduction & Background

- 2.1 The draft statements should have been published by the 31 May, with the 30-day public inspection commencing after that. Whilst the Finance Team, with support from services throughout the authority, have worked hard and made every effort to meet this deadline it has not been possible. The team has been under-resourced for some considerable time and the effects of this are now being seen e.g. missing this deadline. This is an issue at a national level and only a third of all Councils have met this deadline for 2022/23.
- 2.2 A notice has been published on the Council's website to inform readers about the delay. Work continues so that the accounts can be published as soon as possible. The external audit of the 2022/23 accounts is scheduled to commence in late summer with a view to taking them to the Governance, Audit and Risk Committee in December to be signed off.
- 2.3 The outturn position for the year ending 31 March 2023 is a net £0.782m deficit. This report recommends funding the 2022/23 deficit from the General Reserve (£0.261m) and the Business Rates Reserve (£0.521m). The contents of this report will be considered by the Overview and Scrutiny Committee on 12 July 2023.
- 2.4 The Council's General Fund Reserve balance at the year-end after funding the deficit of £0.261m is shown below

General Fund:	£'m
Opening balance as at 1 April 2022	2.946
Approved use of the reserve	(0.036)
Closing balance before use to fund the deficit	2.910
Use of reserve to fund the	(0.261)
Closing balance as at 31 March 2023	2.649

- 2.5 The report also includes a current forecast position statement on the level of reserves along with the outturn and financing position for the 2022/23 capital programme. The capital programme for the period 2023/24 to 2025/26 has been updated to take account of the outturn position and is included within this report and appendices.
- 2.6 All budgets have been monitored during the year by both Service and Finance Officers with regular reports being presented to both Cabinet and Overview and Scrutiny. The period 10 budget monitoring report was presented to Cabinet in February which covered the first 10 months of the year up to the end of January 2023. The Period 10 report was forecasting a General Fund overspend of £0.603m.

- 2.7 Officers have managed their budgets in what has been an extremely difficult year. During the year the Council were faced with
- The long-term impact of COVID-19 e.g. addressing backlogs of Environmental Health inspections which could not be carried out but still needed to be done.
 - The impact of the volatile and unstable global economy with shortages in components for all sorts of products as countries began to come out lockdown.
 - The start of the Russian invasion of Ukraine resulting in shortages of various commodities e.g. wheat, cooking oil, oil
 - The shortages in supply triggering spiralling inflation in many areas
 - Salary inflation budgeted at 2% with the actual being an average of around 6% creating a budget pressure of nearly £0.500m
 - Construction costs and construction materials
 - Contract costs
 - Utility costs
 - The cost-of-living crisis which has placed pressure on budgets that are demand led.
- 2.8 This situation and the impacts on costs were recognised when reporting the outturn position for 2021/22. At its meeting on 5 October 2022 full Council approved that the net £0.616m surplus should be added to the General Fund Reserve and set aside to help offset the impacts of the issues that were being faced during 2022/23 (as outlined in paragraph 2.7).
- 2.9 The 2022/23 Period 4 budget monitoring report initially forecast a General Fund deficit of £0.9m. However this has been managed down during the year, which has been helped with some additional grants being received to fund demand led budgets, alongside proactive management of budgets e.g. holding vacancies and recovery of benefits overpayments.

3. Revenue Account – Outturn 2022/23

- 3.1 The revenue account position for the year shows a deficit arising from revenue services' activity of £0.261m and a deficit arising from a reduction in retained business rates income of £0.561m, giving an overall deficit of £0.782m as detailed at Appendix A. This is after allowing for transfers to Earmarked Reserves for current and known commitments (£1.137m).
- 3.2 The transfers to and from reserves that have been made during the year are made in line with the Council's policy framework for Earmarked Reserves as approved as part of the annual budget setting process. Earmarked Reserves are typically used to set aside funds for known or specific liabilities. Transfers to Earmarked Reserves have been made for the following:
- A) Where an underspend has occurred within a service, mainly due to the timing of work not being completed as planned (by 31 March 2023), and where no future budget exists or where there is a one-off commitment that continues into the 2023/24 financial year.
 - B) Where external funding has been received in 2022/23 for which the expenditure has not yet been incurred.

- C) Where the 2022/23 budget allowed for expenditure to be funded from an Earmarked Reserve, but the spend has not yet been incurred as planned and therefore the funds remain in the Earmarked Reserve until 2023/24.

3.3 Estimates included in the Accounts.

The provisional outturn position includes some significant figures which are subject to external audit, these are in relation to Benefit Subsidy and Business Rates Retention. These are subject to change as the production of the Statement Accounts progresses and during the audit.

- 3.4 **Benefits Subsidy** - The Benefit Subsidy return was completed and submitted on 17 May 2023 and will be subject to external audit review later in the year. Depending on the outcome from the external audit review, there could be an impact on the overall financial position; for example, there may be a subsidy repayment due to the Department for Work and Pensions. The Council holds a Benefits Earmarked Reserve to mitigate any such impact.
- 3.5 **Business Rates** - Under the current system 50% of the business rates is retained locally - the County's share is 10% and the district's share is 40% with the balance (50%) being returned to Central Government. The budget for the year was informed by the baseline funding and the NNDR1 position. The outturn position is based on the NNDR3 Return. The draft NNDR3 Return was submitted to Government on 17 May 2023 and is subject to external audit as part of the final accounts audit, before being finalised.
- 3.6 The Council, as a billing authority, has a statutory obligation to maintain a separate Collection Fund. This Fund captures all the transactions of the Billing Authority in relation to the collection from taxpayers of Council tax and National Non-Domestic Rates (NNDR) and its distribution to Local Government bodies and Central Government. The precepts/shares of council tax and the respective shares of business rates collected are distributed to the respective authorities through the Collection Fund. Should the actual business rates income collected exceed or fall short of the anticipated amounts there would be a surplus or deficit on the fund respectively. As with the benefits subsidy, the Council keeps a Business Rates Earmarked Reserve to mitigate against any negative impacts of these arrangements.
- 3.7 Table 1 shows the main variances across the standard expenditure headings which comprise the Net Cost of Services. Details of the variances at the service level are provided at section 4.

2022 /23 Subjective Analysis	2022/23 Updated Budget	2022/23 Outturn	Variance	
	£000	£000	£000	%
Employee Costs	14,652	16,973	2,321	15.8
Premises	3,397	4,349	952	28.0
Transport Related Expenditure	312	300	(13)	(4.2)
Supplies & Services	12,078	12,348	270	2.2
Transfer Payments	19,848	19,424	(423)	(2.1)
Capital Financing Costs	4,134	2,457	(1,677)	(40.57)
Income	(32,328)	(35,586)	(3,257)	10.1
Total cost of services	21,697	19,956	(1,741)	(8.0)

3.8 The reasons for some of the movements included in the summary above are as follows, further details are included at section 4:

A) Employee Costs – Most of the variance on employee costs of £2.321m, relates to adjustments of £2.151m in current service costs on the Local Government Pension Scheme. This is a technical adjustment that has to be made in the accounts to comply with Accounting Standards. It reflects the difference between the cash contributions the Council has made into the Pension Fund during the year and the value of pensions accumulated in the year calculated by the actuary. As these additional costs are reversed out under net operating expenditure they have no bottom-line impact on the revenue outturn position although the increase is reflected in long term liabilities on the Balance Sheet.

In addition to this, other variances include savings of (£0.608m) on posts funded from reserves, (£0.624m) of additional employee costs being funded by grants and contributions and (£0.097m) of underspends on training budgets offset by employee inflation of £0.334m.

B) Premises – Some of the more significant areas of overspending were

- a. £0.315m on repairs and maintenance on the council's assets (including car parks, public conveniences, and temporary accommodation).
- b. £0.118m on Additional Sea Defences expenditure, however this is to be funded from the coastal protection reserve.
- c. £0.188m on higher than anticipated insurance premium increases due to revaluations.
- d. £0.273m on utility charges, of which £0.239m was for electricity.

C) Transport – Savings in mileage claims and vehicle insurance have been offset by higher fuel costs giving an overall net underspend of £13k.

D) Supplies and Services – The overall overspend relates to

- a. a net overspend of £0.567m on increased Bed and Breakfast costs (partly offset by Housing benefit and client contributions) – an impact of the cost-of-living crisis.
- b. £0.387m overspend on grants and contributions paid out, such as hardship grants, however these are funded from grants – an impact of the cost-of-living crisis.
- c. £0.152m overspend on the leisure contract, which is due to the contract being renegotiated during the year and whilst this increased the cost for 2022/23 it will reduce the cost in future years.
- d. (£47k) saving on insurances.
- e. (£54k) reduction in the provision for bad and doubtful debts.
- f. Planned use of reserves of (£0.588m) including Environmental Sustainability, Local Plan expenditure, and Community grants.

F) Transfer Payments – The underspend relates to the total of amount of housing benefits paid out in 2022/23 being lower than anticipated. However this is offset by a reduction in Subsidy received from the Department for works and Pensions (DWP).

H) Capital Financing Costs – The current General Fund position excludes the final capital adjustments; these do not have an impact of the Councils final outturn revenue position as they are reversed out.

I) Income – The favourable variance of (£3.157m) relates to various underspends offset by some areas of overspend.

- a. (£2.574m) Grant funding received in the year, which has been used to fund additional costs including staffing, and grants and contributions paid out.
- b. (£1.104m) Other recoverable charges relating to benefit overpayment debt and temporary accommodation costs.
- c. Service income including Car parks (£0.342m).
- d. Waste and recycling (£0.417m).
- e. £1.376m Housing Benefit Subsidy – of which £0.495m is due to a reduction in subsidy payment volume (see point F above). However there was a substantial shortfall of £0.714m in income. This relates to there being a cap or maximum amount that can be claimed in recoverable subsidy for costs of temporary accommodation costs.

4. Revenue Account – Detailed Commentary 2022/23

- 4.1 This section of the report highlights the more significant variances for direct cost and income when compared to the current budget. Further details can be found in Appendix B. Accounting standards require several notional charges to be made to service accounts e.g., capital charges, revenue expenditure funded from capital under statute (REFCUS) and pension costs, and whilst they do not have an impact on the surplus or deficit for the year, they are included for reporting purposes. Appendix A shows the overall revenue position including notional charges; however, to assist reporting and explaining 'real cash' variances, Table 2 provides a summary of the position excluding notional charges.

**Table 2 - 2022/23 Revenue Account
(Excluding Notional Charges)**

	Updated Budget £	Outturn £	Variance £
Service Area:			
Corporate Leadership /Executive Support	365,763	41,539	(324,224)
Communities	9,245,202	7,828,651	(1,416,551)
Place and Climate Change	5,003,656	4,150,224	(853,432)
Resources	3,212,331	3,585,488	373,157
Net Cost of Services	17,826,952	15,605,904	(2,221,048)
Parish Precepts	2,724,873	2,724,972	99
Net Interest Receivable/ Payable	(991,120)	(1,282,349)	(291,229)
MRP - Waste Contract	562,500	661,723	99,223
Capital Financing	1,413,426	810,274	(603,152)
Contribution to /(from) Earmarked Reserves	(3,133,850)	78,372	3,212,222
Contribution to /(from) General Reserve	(100,330)	(35,826)	64,504
Net Service Expenditure/Income to be met from government Grant & Taxpayers	18,302,451	18,563,070	260,619
Government Grants and Council Tax	(18,302,451)	(17,781,505)	520,946
Net (Surplus)/Deficit for the year	0	781,564	781,564

4.2 **Service Variances** – The following provides commentary of the more significant variances (over/under £50,000) across the different service areas, excluding those relating to capital charges and pension costs. Further detailed variance explanations are provided in the appendices. These figures represent service variances before any additional contributions to/(from) reserves and revenue contributions to capital.

Service and Details
Corporate
Human Resources and Payroll – £40k Employee costs due to pay increase, £12k Recruitment costs, (£53k) Training budget offered as a one-off saving as part of the 2023/24 budget process.
Corporate Leadership Team – £53k Employee costs due to pay increase, £19k Temporary Section 151 cover, and £16k recruitment costs.
Corporate Delivery Unit – (£43k) Employee savings due to vacant posts. (£13k) Savings on subscription budgets no longer required.
Communities – Leisure and Environmental Health
Public Protection – (£57k) Additional fee income including £49k in relation to Taxi Licencing which has to be ringfenced in an earmarked reserve.

<p>Leisure Complexes – £152k Additional contract management fees resulting from an in-year contract change. £28k Higher Insurance premiums.</p>
<p>Other Sports – Net Mammoth Marathon costs £50k</p>
<p>Cromer Pier – £77k Higher insurance premiums.</p>
<p>Waste Management and Disposal – £170k Serco variable billing contract payments were higher than forecast. £14k Additional consultancy fees. (£277k) Additional service fee income. (£118k) Returned gate fee and profit share from Norfolk Environmental Waste Services (NEWS) relating to 2021/22 and a request has been made to transfer this to an earmarked reserve 'Innovation Fund'. It is proposed that some of this be used to part fund the purchase of 2 refuse freighters required to meet growing demand. There is a separate report on this agenda for this.</p>
<p>Cleansing – (£103k) Savings in Serco cleansing contract relating to one-off events.</p>
<p>Communities - People Services</p>
<p>Benefits Administration – £92k Additional staffing costs offset by grants. (£138k) Grants received from the DWP to offset additional costs of legislative changes and service improvements. (£28k) Additional administration subsidy.</p>
<p>Homelessness – £257k Temporary accommodation costs offset by additional subsidy (£579k) and client contributions. Additional grant income has been allocated to fund staffing costs in the wider People Services department.</p>
<p>Housing Options – £151k Additional staffing costs offset by grant funding.</p>
<p>Community – £345k Additional staffing funded by grant Income. This includes the Community Connectors and Homes for Ukraine support. £1.364m Additional community grants with underspends being transferred to reserves so that it can be spent in future years.</p>
<p>Place and Climate Change – Planning</p>
<p>Development Management – (£27k) Employee costs. £60k Legal fees. £11k Subscriptions. £21k Lower fee income.</p>
<p>Planning Policy – (£35k) Staff turnover savings. (£210k) Slippage in Local Plan expenditure which is offset by a reduced contribution from the New Homes Bonus reserve. (£36k) Consultancy costs.</p>
<p>Conservation Design and landscape – (£31k) Temporary posts not recruited. (£49k) Conservation area appraisals funded from the General reserve. (£10k) Contributions no longer payable.</p>

Place and Climate Change – Economic Growth
<p>Coast Protection – £117k Additional Sea Defence expenditure funded from reserves. Coastal Transition Accelerator Programme (CTAP) employee costs covered by grant income. Surplus income to be earmarked for CTAP activities.</p>
<p>Environmental Strategy – (£20k) Employee savings due to vacant posts – reserve funded. (£187k) Tree Planting underspend of which £120k has been previously approved is carried forward to fund legacy projects in 2023/24 and future years. (£20k) Professional fees relating to the Green Build event, partially offset by reduced fee income of £14k.</p>
<p>Coastal Management – (£152k) Funded employee costs not recruited.</p>
Resources – Finance, Assets and Legal
<p>Revenue Services – £60k Movement in the Provision for bad and doubtful debts. (£461k) Grant income including some residual Covid-19 funding.</p>
<p>Benefits Subsidy – (£174k) Movement in the provision for Bad and doubtful debts. £495k Reduced Housing Benefit payments made in 2022/23 offset by reduced subsidy claimed from the DWP. £714k The subsidy shortfall relates to irrecoverable subsidy on temporary accommodation. (£308k) net movement in relation to benefit overpayments.</p>
<p>Admin Buildings – £105k Electricity, £10k Gas, £17k Insurance Premiums, £37k Contract Cleaning, £43k Repairs and maintenance</p>
<p>Corporate Finance – (£44k) Budgeted apprentice posts not recruited. £35k Agency staff cover. £11k Subscriptions.</p>
<p>Investment Properties – £31k Electricity (Rocket House and Other Lettings), £14k Insurance Premiums (Other Lettings), £77k Repairs and maintenance mainly on the Rocket House. £62k Additional Rental and service charge income (£34k) for Rocket House and (£23k) Other Lettings</p>
<p>Corporate and Democratic Core – £40k Audit Fees (19/20 payment made in 22/23). Supplies and Services including, £18k Bank Charges, £14k Consultancy Fees, £30k Other Professional Fees, £71k Contributions of which £67k is funded from Business Rates reserve i.e. (Enterprise Zone).</p>

Resources – Organisational Resources
<p>Car Parking – £198k Premises related expenditure including utilities, rent and repairs and maintenance. (£314k) Additional income including ticket income and penalty notices.</p>
<p>Public Conveniences – £139k Premises related expenditure including insurance premiums, utilities, rent and repairs and maintenance.</p>

Non-Service Income and Expenditure

- 4.3 The non-service expenditure and income predominantly relates to investment income (interest and dividends). The original income budget for 2022/23 was £1.149m, but the actual investment income for the year was £1.449m. This favourable variance £300k is due to actual interest rates (actual averaging 3.53%) being higher than those anticipated when setting the budget (average rate assumed at 2.68%).
- 4.4 Borrowing costs were £165k, which were £19k higher than the budget of £146k. This was due to the interest rates being higher than anticipated, the amount of borrowing undertaken was as anticipated. All borrowing was short-term borrowing (less than 1 year duration) and was undertaken to meet shortfalls in its cash flow to fund its operations and capital programme.
- 4.5 The full details of the Treasury Management activity and performance for the year are contained in a separate report on this agenda. Significant points to note though, are that £9.419m was withdrawn from the Council's investment in pooled funds. This was done to manage the cashflow in the longer-term following a request at short notice for the repayment of COVID-19 Grant from the Government. The Council has brought the level of its pooled fund investments down to £22.581m. As at the 31st March 2023, the Council has loans invested with Housing Associations to the value of £2.332m. but with good cash flow planning the Council should be able to balance any costs of borrowing with the interest earned on its investments.

Retained Business Rate Income

- 4.8 The Council re-joined the Norfolk Business Rates Pool again in 2022/23. This is beneficial for all authorities within the Pool.
- 4.9 Accounting for Business Rates collection is a complex area as it involves three financial years and contributions to and from other external organisations over this time too. In addition to the normal complexities, there has been the impact of the additional COVID 19 pandemic grants to account for. The Council received grants from central government to redistribute as additional reliefs to the retail hospitality & leisure and nurseries sectors. This was to support businesses during the COVID 19 pandemic national lockdown. The value of this relief totalled £10m for the North Norfolk District in 2020/21. Although full compensation was provided to the authority by the government

through section 31 grants, the timing has meant that there has been a deficit created in the Collection Fund and this is still working its way through the accounts. Due to cash flow problems being experienced by Local Authorities during the pandemic, the Government paid over the entirety of the section 31 grant, whereas normally an Authority would only receive its proportionate share. The local share due to North Norfolk District Council is 40% of the grant received, and the remaining 60% was accrued in anticipation of returning it to Central Government. The grant has been repaid during 2022/23.

- 4.10 There are large variances on Retained Business Rates due to the timing difference between Section 31 grant being received and being accounted for, and the accounting for the Council's share of the deficit on the Collection Fund. This grant money was transferred to the Business Rates Reserve to offset the anticipated deficit which would affect the Council in the 2022/23 financial year alongside normal monies held in reserve.
- 4.11 The year-end position is that there is a deficit of £0.521k for Retained Business Rates Income when the actual outturn is compared to the budget. It is proposed to fund this deficit from the Business Rates Reserve. However this is the draft calculated position and may be subject to change once the calculations have been checked during the closure of accounts process which will follow on from the producing the outturn position.

5. Reserves

- 5.1 The Council holds a General Reserve for which the recommended balance for 2022/23 is £2.1 million. The purpose of holding a General Reserve is to provide a working balance to help cushion the impact of uneven cash flows and to provide a contingency to help cushion the impact of unexpected events or emergencies.
- 5.2 The outturn position for the year ending 31 March 2022 was a net £0.616m surplus and at its meeting on 5 October 2022 full Council approved that it should be added to the General Reserve in order to help offset the impacts of pay and inflation at above budgeted levels in 2022/23, resulting from the volatile and unstable global economy (the reaction to the impact of COVID-19 and the war in Ukraine). This report recommends funding the 2022/23 deficit from the General Reserve and that it should be met from the 2021/22 surplus £0.616m set aside to meet this.
- 5.2 In addition to the General Reserve the Council holds several Earmarked Reserves that are held to meet known or predicted liabilities. The Earmarked Reserves also provides a means at the year-end for carrying funds forward to the new financial year to fund ongoing commitments and known liabilities for which no separate revenue budget exists.
- 5.3 There are several Earmarked Reserves that have balances, yet the timing of the use of the reserve is yet to be agreed. For example, the Business Rates reserve which is held to negate any negative impacts on the General fund resulting from business rates appeals awarded.
- 5.4 Section 4 of the report has highlighted several service areas where an underspend has occurred in the year and a transfer to reserves had been made to ensure funds are available to meet future spending commitments.

Unlike capital budgets, underspends on revenue budgets in the year are not automatically rolled forward at the year-end where there is an annual budget provision. Where the underspend represents a grant received which has not yet been fully utilised or there has been a delay in the planned use, the unspent grant has been rolled forward.

5.5 The transfers to and from reserves (general and earmarked) are included within the reserves statement as detailed at Appendix C. This appendix outlines the purpose of each reserve and shows the planned use over the current four-year budget period. The updated budget projections were forecasting a movement of (£3.234m) out of earmarked reserves. At outturn the final transfer made was £42k inwards, resulting in a variance of £3.276m the most significant movements are as follows.

- **Business Rates Reserve** – Business rates shortfall after final accruals (£0.521m) – please note this is not yet reflected in the Reserves position.
- **Coast Protection** - (£0.117m) Additional Sea defence expenditure. Grant roll forward request re CTAP funding programme.
- **Grants Reserve** - £0.404m – This relates to residual COVID grants which had unspent balances as of 31st March 2023.
- **Delivery Plan Reserve** – £1.415m, Capital financing and slippage in funded posts.
- **Housing Reserve** - £0.711m - lower than budgeted transfer out of this reserve to fund staffing costs. Grant roll forward requests totalling £0.593m have been transferred to this reserve.
- **Restructuring & Invest to Save Reserve** - (£0.336m) 2022/23 Capital financing.
- **Planning** – £0.149m Staffing savings earmarked for use in 2023/24 budget.
- **New Homes Bonus** – £0.160m Slippage in Local Plan expenditure.

5.7 The General Reserve balance as of 31 March 2023 stands at £2.910 million, which is above the minimum recommended balance. The funding of the deficit of £0.261m has not yet been actioned in the General Reserve. This will reduce the balance to £2.649m which is still above the minimum recommended balance.

6. Capital Programme 2022/23

6.1 This section of the report presents the financing of the capital programme for 2022/23, together with the updated programme for the financial years 2023/24 to 2027/28. Appendix D provides the detail of the outturn for the 2022/23 capital programme for all service areas and variances prior to any adjustments to the original year budgets. The updated capital programme for 2023/24 to 2027/28, after all carry forwards and bringing back of budgets, have been done together with the financing for all schemes is attached at Appendix E.

6.2 The outturn position for the 2022/23 capital programme at Appendix D, highlights where schemes have variances that need to be reprofiled between years. The reasons for reprofiling include where schemes have not

progressed as originally planned, and the funding is requested to be carried forward to the new financial year.

- 6.3 In total the expenditure on the capital programme for the 2022/23 year was £6.862m compared to an updated 2022/23 budget of £16.337m giving an underspend of £9.475m. This is the draft outturn position as at 31st March 2023 before any reprofiling has been done. The 'Updated Budgets' shown in Appendix D are the latest approved budgets.
- 6.4 The significant underspend is attributable to multiple factors. Some projects have not progressed as far as originally planned due to delays in confirming the finances available to budget managers. This was due to resource issues within the Finance Team meaning that there wasn't anyone with the knowledge and expertise in Capital to cover this area of work. This issue is being resolved as interim resource has been brought in and there is currently a recruitment campaign underway to appoint permanent staff.
- 6.5 The financing of the capital programme is as below. Details of the Capital Expenditure and the financing for 2022/23 can be found in Appendix D.
- Expenditure was funded by:
- £2.516m of capital receipts,
 - £1.835m of grants,
 - £1.754m of contributions
 - £0.810m from reserve allocations.
 - (£0.054m) Prior year adjustment to the borrowing which has been applied in financing the 2022/23 programme.
- 6.6 There were four capital projects outstanding from 2021/22 that were completed in 2021/22 and so the 2022/23 budget was not required. These were:
- The Car Park Ticket Machine Replacement Programme.
 - Steelworks Protection to Victory Pool and Fakenham Gym
 - Fakenham Gym
 - The Splash Gym Equipment
- 6.7 Capital receipts generated from the sale of assets during 2022/23 were:
- £1.671m earned from the sale of the Parklands site.
 - £0.417m from the sale of Property (7-9 Bridewell Street).
 - £0.778m from Right to Buy sales relating to the Council's old housing stock.
- 6.8 For schemes which did not complete in 2022/23 and where there was an underspend of the 2022/23 budget allocation, the unspent budgets have been rolled forward into 2023/24. The significant capital roll-forwards (i.e., over £100k of slippage) can be found in the table below and are detailed in Appendix E.
- 6.9 Within the capital programme there is capital expenditure planned for 2023/24 to 2025/26 of £250k per annum for the provision of temporary accommodation. It was planned to fund these through the use of preserved Right-to-buy capital receipts. There is a need for this accommodation now and so it is proposed that the expenditure is all moved into 2023/24 and that in the short term the expenditure is funded by borrowing if there is a short in

capital receipts. Then, moving forward the capital receipts can be applied to reduce the borrowing requirement until such time as the borrowing reduces to zero. This is included as a recommendation for Cabinet.

Table 3 - Budget Slippage from 2022/23 to the 2023/24 Capital Programme over £100,000

Capital Project	2022/23 Budget rolled-forward into 2023/24
Cornish Way Industrial Units	£140,120
Public Conveniences Improvements (Net budget remaining across full scope of programme)	£248,964
CPO of Long-Term Empty Properties	£434,294
Fakenham Urban Extension	£1,780,000
Loans to Housing Providers	£150,000
Property Acquisitions	£704,784
Community Housing Fund	£1,335,160
S106 Enabling	£1,425,000
Coastal Adaptations	£244,990
Cromer Pier – Infrastructure Steelworks	£576,087
The Reef Leisure Centre	£139,727
Cromer Coast Protection Scheme	£3,316,936
Mundesley – Refurbishment of Coastal Defences	£2,760,927
3G Facilities at North Walsham & Fakenham	£847,570

7. Capital Programme 2022/23 Update

- 7.1 Appendix E shows the updated capital programme for the period 2023/24 to 2027/28 as it currently stands. The capital programme has been updated to reflect the slippage identified within this report, together with the capital outturn position. It also includes schemes which have already received formal approval by Cabinet (up to the last Cabinet meeting), the 2023/24 budget report and P10 monitoring report which went to full Council in March 2023.

8. Medium Term Financial Strategy

- 8.1 The content of this report includes details of budgets which will support the medium-term financial strategy through the revised capital programme and movements in reserves.

9. Proposals and Options

This is a factual report that outlines the financial position at the year-end for the financial year 2022/23. There are proposed recommendations for Cabinet to make to full Council on 12 July 2023. The approval of these recommendations will enable the Council to maintain its strong financial position in the coming years.

10. Corporate Priorities

Delivering services within budgets enables the Council to maintain its strong financial position and maintain a robust level of reserves that may be required to address future unforeseen events.

11. Financial and Resource Implications

11.1 This report is of a financial nature and the financial implications are included within the report content.

12. Legal Implications

12.1 There are no legal implications as a direct consequence of this report

13. Risks

13.1 Financial risks are identified within the report content

14. Net Zero Target

The Council's Net Zero Strategy & Action Plan requires all decisions to be assessed and tested for consistency against the Net Zero 2030 Strategy & Climate Action Plan. Please confirm that this has been undertaken and provide any details.

15. Equality, Diversity & Inclusion

Under equality legislation, the Council has a legal duty to pay 'due regard' to the need to eliminate discrimination and to promote equality. Please ensure that you have referred to the Council's Equality, Diversity & Inclusion Strategy and outline whether there are any implications of the decision you are proposing. If the report is in relation to a key decision, an equality impact assessment should be undertaken and referenced as a background document. Any issues identified as a result of the impact assessment should be outlined here.

16. Community Safety issues

If the proposals are likely to have any impact on community safety issues, they should be referenced here.

17. Conclusion and Recommendations

17.1 Members are asked to consider the report and recommend the following to Full Council:

1. The provisional outturn position for the General Fund revenue account for 2022/23
2. The transfers to and from reserves as detailed within the report (and appendix C) along with the corresponding updates to the 2023/24 budget
3. Use £0.261k of the General Reserve to cover the deficit of £0.261k that is the position at the year-end for 2022/23
4. The financing of the 2022/23 capital programme as detailed within the report and at Appendix D

5. The balance on the General Reserve of £2.649 million
6. The updated capital programme for 2023/24 to 2025/26 and scheme financing as outlined within the report and detailed at Appendix E
7. The roll-forward requests as outline in Appendix F are approved

This page is intentionally left blank

General Fund Summary Outturn 2022/23

	2022/23 Base Budget £	2022/23 Updated Budget £	2022/23 Outturn £	2022/23 Outturn Variance £

Treasury Outturn Report 2022/23	
Executive Summary	This report sets out the Treasury Management activities undertaken during 2022/23 compared with the Treasury Management Strategy for the year.
Options Considered	This report must be prepared to be ensured members are aware of Treasury activities. It is also a requirement for the Council to comply with the CIPFA Treasury Management and Prudential Codes.
Consultation(s)	Link Treasury Services have provided the economic information in Appendix T associated with this report.
Recommendations	That Cabinet reviews and approves this report, with the recommendation that it is submitted to Full Council for final approval.
Reasons for recommendations	This report requires approval by Full Council for the Authority to be compliant with the CIPFA Treasury Management and Prudential Codes.
Background papers	<p>This report refers to the Council's Capital Strategy Report 2022/23 which was approved by Members on 31/01/2022.</p> <p>This report refers to the Council's Treasury Management Strategy 2022/23 which was approved by Members on 23/02/2022.</p>

Wards affected	All
Cabinet member(s)	Cllr Lucy Shires
Contact Officer	James Moore - Accountancy Assistant - James.Moore@north-norfolk.gov.uk

Details of any previous decision(s) on this matter	This is an annual report on the Council's current Treasury position.

1. Purpose of the report

This report sets out the Treasury Management activities undertaken during 2022/23 compared with the Treasury Management Strategy for the year.

It is a requirement for this report to be completed to comply with the CIPFA (Chartered Institute of Public Finance) Treasury Management Code and the Council's own Treasury Management: Code of Practice, so that members are updated with the current Treasury position of the Authority.

2. Introduction & Background

This report shows the Council's current Treasury position against the cost of delivering its Capital Programme (CFR – Capital Financing Requirement). This shows the Council's current ability to finance its current Capital Programme.

The Council Borrows and Invests substantial sums of money and is therefore exposed to financial risks including the loss/gain of invested funds. There is also the revenue accounting implications of a constantly changing interest rate environment on the Authority's investments. The successful identification, monitoring and control of risk remains central to the Authority's Treasury Management Strategy.

Please refer to **Appendix T – Annual Treasury Outturn Report 2022/23** for a full outline of the Council's Treasury position.

3. Proposals and Options

This report contributes towards the overall financial performance of the Council. It is recommended that the Council proceeds with its Treasury operations as outlined in the Treasury Management Strategy 2023-24 and Capital Strategy 2023-24 approved by members on 22/02/2023.

4. Corporate Priorities

The Council's Treasury Management report supports the Medium Term Financial Strategy through protecting the Council's funds and cash flows whilst minimizing borrowing costs.

5. Financial and Resource Implications

There is no significant implication highlighted by this report. The Treasury has followed the Treasury Management Strategy, and the Council currently has sufficient investment balances to fund the Capital Programme.

6. Legal Implications

This report must be prepared to ensure the Council is compliant with the CIPFA Treasury Management Code.

7. Risks

This report addresses the potential risk that the Council does not have sufficient funds, or requires long-term borrowing, to finance its Capital Programme.

Full risks details are highlighted within Appendix T associated with this report.

8. Net Zero Target

Not applicable to this report.

9. Equality, Diversity & Inclusion

10. Not applicable to this report.

11. Community Safety issues

Not applicable to this report.

12. Conclusion and Recommendations

11.1. To conclude that treasury activities for the year have been carried out in accordance with the CIPFA code and the Council's Treasury Strategy.

11.2. To ask that this report is sent to Full Council for approval.

Annual Treasury Management Review 2022/23

Purpose

This Council is required by regulations issued under the Local Government Act 2003 to produce an annual treasury management review of activities and the actual prudential and treasury indicators for 2022/23. This report meets the requirements of both the CIPFA Code of Practice on Treasury Management, (the Code), and the CIPFA Prudential Code for Capital Finance in Local Authorities, (the Prudential Code).

During 2022/23 the minimum reporting requirements were that the full Council should receive the following reports:

- an annual treasury strategy in advance of the year (Council 23/02/2022)
- a mid-year, (minimum), treasury update report (Council 20/12/2022)
- an annual review following the end of the year describing the activity compared to the strategy, (this report)

In addition, the Council has received quarterly treasury management update reports.

The regulatory environment places responsibility on members for the review and scrutiny of treasury management policy and activities. This report is, therefore, important in that respect, as it provides details of the outturn position for treasury activities and highlights compliance with the Council's policies previously approved by members.

This Council confirms that it has complied with the requirement under the Code to give prior scrutiny to all of the above treasury management reports by the Overview & Scrutiny Committee before they were reported to the full Council.

Member training on treasury management was not undertaken during the 2022/23 year, but a session will be organised during the 2023/24 financial year order to support members' scrutiny role, with intentions for this session to run yearly to keep members updated with the Council's current portfolio.

Executive Summary

During 2022/23, the Council complied with its legislative and regulatory requirements. The key actual prudential and treasury indicators detailing the impact of capital expenditure activities during the year, with comparators, are as follows:

Prudential and treasury indicators	31.3.22 Actual £m	2022/23 Forecast £m	31.3.23 Actual £m
Capital Expenditure	9.183	13.985	6.862
Capital Financial Requirement	15.827	15.677	15.111
Short-Term Borrowing	13.000	0.000	9.000
Long-Term Borrowing	0.000	0.000	0
Gross Borrowing	13.000	0.000	9.000
Short-Term Investments	10.770	8.600	2.830
Long-Term Investments	32.000	32.000	22.582
Non-Treasury Investments (Housing Loans)	2.605		2.332
Total Investments	45.375	40.600	27.744
Net Investments	32.375	40.600	18.744
Net Borrowing	(16.548)	(24.923)	(3.633)

Other prudential and treasury indicators are to be found in the main body of this report. The Director of Finance also confirms that borrowing was only undertaken for a capital purpose and the statutory borrowing limit, (the authorised limit), was not breached.

Recommendations

The Council is recommended to:

1. Approve the actual 2022/23 prudential and treasury indicators in this report
2. Note the annual treasury management report for 2022/23

Introduction and Background

This report summarises the following:-

- Capital activity during the year;
- Impact of this activity on the Council's underlying indebtedness, (the Capital Financing Requirement);
- The actual prudential and treasury indicators;
- Overall treasury position identifying how the Council has borrowed in relation to this indebtedness, and the impact on investment balances;
- Summary of interest rate movements in the year;
- Detailed debt activity; and
- Detailed investment activity.

1. The Council's Capital Expenditure and Financing

The Council undertakes capital expenditure on long-term assets. These activities may either be:

- Financed immediately through the application of capital or revenue resources (capital receipts, capital grants, revenue contributions etc.), which has no resultant impact on the Council's borrowing need; or
- If insufficient financing is available, or a decision is taken not to apply resources, the capital expenditure will give rise to a borrowing need.

The actual capital expenditure forms one of the required prudential indicators. The table below shows the actual capital expenditure and how this was financed.

General Fund £m	31.3.22 Actual	2022/23 Forecast	31.3.23 Actual
Capital expenditure	9.183	13.985	6.862
Capital Receipts	0.999	6.035	2.516
Grants, Reserves & Capital Contributions	2.624	4.657	4.400
Revenue Contributions	1.319	3.293	0.00
Financed in year	4.942	0.000	6.916
Unfinanced capital expenditure (External Borrowing)	4.241	0.000	(0.054)

2. The Council's Overall Borrowing Need

The Council's underlying need to borrow for capital expenditure is termed the Capital Financing Requirement (CFR). This figure is a gauge of the Council's indebtedness. The CFR results from the capital activity of the Council and resources used to pay for the capital spend. It represents the 2022/23 unfinanced capital expenditure (see above table), and prior years' net or unfinanced capital expenditure which has not yet been paid for by revenue or other resources.

Part of the Council's treasury activities is to address the funding requirements for this borrowing need. Depending on the capital expenditure programme, the treasury service organises the Council's cash position to ensure that sufficient cash is available to meet the capital plans and cash flow requirements. The Council can borrow from multiple sources; two potential brokers (Tradition/King & Shaxson) to organise borrowing from other Government Bodies (Council's, Police Authorities, Fire Authorities), it can borrow through the Public Works Loan Board (PWLB), or it can borrow internally using temporary cash resources within the Council.

Reducing the CFR – the Council's underlying borrowing need (CFR) is not allowed to rise indefinitely. Statutory controls are in place to ensure that capital assets are broadly charged to revenue over the life of the asset. The Council is required to make an annual revenue charge, called the Minimum Revenue Provision – MRP, to reduce the CFR. This is effectively a repayment of the Revenue Account borrowing need. This differs from the treasury management arrangements which ensure that cash is available to meet capital commitments. External debt can also be borrowed or repaid at any time, but this does not change the CFR.

The total CFR can also be reduced by:

- the application of additional capital financing resources, (such as unapplied capital receipts); or
- charging more than the statutory revenue charge (MRP) each year through a Voluntary Revenue Provision (VRP).

The Council's 2022/23 MRP Policy, (as required by DLUHC Guidance), was approved as part of the Capital Strategy Report for 2022/23 on 31/01/2022.

The Council's CFR for the year is shown below, and represents a key prudential indicator. It includes PFI and leasing schemes on the balance sheet, which increase the Council's borrowing need. No borrowing is actually required against these schemes as a borrowing facility is included in the contract (*if applicable*).

CFR (£m): General Fund	31.3.22 Actual	2022/23 Budget	31.3.23 Actual
Opening balance	11.939	16.003	15.827
Add unfinanced capital expenditure (as above)	4.241	0.000	(0.054)
Less MRP/VRP*	(0.353)	(0.326)	(0.662)
Less PFI & finance lease repayments	0.000	0.000	0.000
Closing balance	15.827	15.677	15.111

* Includes voluntary application of capital receipts

Borrowing activity is constrained by prudential indicators for gross borrowing and the CFR, and by the authorised limit.

Gross borrowing and the CFR - in order to ensure that borrowing levels are prudent over the medium term and only for a capital purpose, the Council should ensure that its gross external borrowing does not, except in the short term, exceed the total of the capital financing requirement in the preceding year (2022/23) plus the estimates of any additional capital financing requirement for the current (2023/24) and next two financial years. This essentially means that the Council is not borrowing to support revenue expenditure. This indicator allowed the Council some flexibility to borrow in advance of its immediate capital needs in 2022/23. The table below highlights the Council's gross borrowing position against the CFR. The Council has complied with this prudential indicator.

£m	31.3.22 Actual	2022/23 Budget	31.3.23 Actual
Gross borrowing position	13.000	0.000	9.000
CFR	15.827	15.677	15.111
(Under) / over funding of CFR	(2.527)	(15.677)	(6.111)

The Council does not have a gross borrowing position above its CFR.

The authorised limit - the authorised limit is the "affordable borrowing limit" required by s3 of the Local Government Act 2003. Once this has been set, the Council does not have the power to borrow above this level. The table below demonstrates that during 2022/23 the Council has maintained gross borrowing within its authorised limit.

The operational boundary – the operational boundary is the expected borrowing position of the Council during the year. Periods where the actual position is either below or over the boundary are acceptable subject to the authorised limit not being breached.

Actual financing costs as a proportion of net revenue stream - this indicator identifies the trend in the cost of capital, (borrowing and other long term obligation costs net of investment income), against the net revenue stream.

	2022/23
Authorised limit	£50m
Maximum gross borrowing position during the year	£15m
Operational boundary	£15m
Average gross borrowing position	£10m

3. Treasury Position as at 31st March 2023

The Council's treasury management debt and investment position is organised by the treasury management service in order to ensure adequate liquidity for revenue and capital activities, security for investments and to manage risks within all treasury management activities. Procedures and controls to achieve these objectives are well established both through member reporting detailed in the summary, and through officer activity detailed in the Council's Treasury Management Practices. At the end of 2022/23 the Council's treasury, (excluding borrowing by PFI and finance leases), position was as follows:

DEBT PORTFOLIO £m	31.3.22 Principal	Average Rate/ Return	Average Duration (Days)	31.3.23 Principal	Average Rate/ Return	Average Duration (Days)
Fixed rate funding, Short-Term Borrowing:						
- Local Authority Borrowing	11.000	0.51%	208	7.000	4.23%	137
- Police Authority Borrowing	0.000			2.000	4.55%	85
- Fire Authority Borrowing	2.000	0.95%	184	0.000		
Variable rate funding:						
- None	0.000			0.000		
Total debt	13.000	0.58%		9.000	4.30%	120
CFR	15.827			15.111		
Over / (under) borrowing	(3.520)			(6.858)		
Total investments	45.375	2.10%		27.744	5.21%	
Net debt	(41.855)			(20.886)		

The maturity structure of the debt portfolio was as follows:

£m	31.3.22 actual	2022/23 original limits	31.3.23 Actual
Under 12 months	13.000	50.000	9.000
12 months and within 24 months	0.000	0.000	0.000
24 months and within 5 years	0.000	0.000	0.000
5 years and within 10 years	0.000	0.000	0.000
10 years and within 20 years	0.000	0.000	0.000
20 years and within 30 years	0.000	0.000	0.000
30 years and within 40 years	0.000	0.000	0.000
40 years and within 50 years	0.000	0.000	0.000

The Council has reduced its short-term borrowing during the 2022-23 financial year by selling some of its long term-investments (Pooled Funds) in March 2023 as can be seen in the Executive Summary on page 7 above. The amount of long-term investments has decreased from £32m to £22.581m, £9.419m of investment was sold which generated a net investment return of £118,298 on the principal invested.

Mostly short-term deposit funds were repaid (Cash Plus and Short-Dated Funds) as these have a recommended investment duration of around 5 years and were bought in May 2015. These

investments focus on a high-level of security with a low return yet can be repaid at same day notice. The below investment portfolio table reflects the balance of these two types of funds being reduced from a total of £6m to £1.012m.

Approximately 20% investment of the larger fund categories (equity and Multi-Asset Funds) were then repaid to keep diversification across the portfolio whilst ensuring there was no loss in recognition of principle on the total repayment (net investment return mentioned above). By keeping a diverse portfolio in different fund types, the Council is able to balance losses and gains on the capital values of investments so that a net gain is always realised when repaying long-term investments.

INVESTMENT PORTFOLIO	31.3.22 Actual £m	31.3.22 Actual % of Portfolio	31.3.23 Actual £m	31.3.23 Actual % of Portfolio
Treasury investments				
Money Market Funds	10.770	24%	2.830	11%

Treasury investments	42.770	94%	25.412	92%
Non-Treasury investments	2.605	6%	2.332	8%
TOTAL OF ALL INVESTMENTS	45,375	100%	27.744	100%

The maturity structure of the investment portfolio was as follows:

COUNTERPARTY / INVESTMENT	Redemption Period	Investment Value 31.03.2023 (£m)
Aberdeen Standard / MMF	CALL	0.555
Blackrock / MMF	CALL	1.075
DWS / MMF	CALL	1.200
Federated Investors (UK) LLP / MMF	CALL	0.000
Goldman Sachs / MMF	CALL	0.000
Invesco AIM / MMF	CALL	0.000
CCLA (UK) Public Sector Deposit Fund / MMF	CALL	0.000
CCLA / Local Authorities Mutual Investment Trust	T + 6 months	5.000
Payden & Rygel / Sterling Reserve Fund	T + 2 days	1.012
M&G Securities / UK Income Distribution Fund	T + 3 days	2.000
M&G Securities / Global Dividend Fund	T + 3 days	1.570
Ninety-One / Diversified Income Fund	T + 3 days	3.000
Schroder Unit Trusts / Income Maximiser Fund	T + 4 days	2.000
Threadneedle / Strategic Bond Fund	T + 4 days	3.000
M&G Securities / Strategic Corporate Bond Fund	T + 3 days	2.000
Aegon Asset Management / Diversified Income Fund	T + 3 days	3.000
TOTAL		25.412

Note: CALL = Same day. T = Terms (date of notification to redeem/invest). Fixed = Long-term investment with set repayment dates. The CCLA (LAMIT) fund a Property Fund investment which has a long redemption period.

The Council has seven same day investment/redemption Money Market Funds (MMF) accounts to invest/redeem surplus cash for its daily operations. For MMF's there is no gain/loss on principal invested, therefore they are low risk but with lower interest rates. The cash balances invested in these counterparties fluctuate daily.

The Council has nine Pooled Fund investments as at 31/03/2023, these are intended for long-term investing generating a higher return than MMF's. The principal invested in these funds is at more risk than MMF's as they are subject to gain/loss dependant on the value of the shares owned by the Council. The Council has only invested in counterparties recommended by its treasury advisors and with thorough credit checks. These are all income funds.

The Council sold all of its investments in Royal London Asset Management / Short-Term Income Fund, Royal London / Short-term Income Enhance Fund, Threadneedle / UK Equity Fund and the CCLA / Diversified Income Fund.

The Council currently has two outstanding loans with Housing Associations. One large loan with the Broadland Housing Association (original loan value £3.5m) and one smaller loan with Homes for Wells (original loan value £192,675).

To support the above investment portfolio, the below table summarises the interest earned on the average amounts of the Council's investments during the last two financial years. The purpose of this table is to give members an idea of the rate of return on the Council's portfolio of each type of investment.

INVESTMENT INTEREST	31.3.22 Average Amount Invested £m	31.3.22 Interest Earned £m	31.3.22 Average interest rate %	31.3.23 Average Amount Invested £m	31.3.23 Interest Earned £m	31.3.23 Average interest rate %
Money Market Funds	10.770	0.006	0.06%	7.427	0.136	4.82%
Total managed in house	10.770	0.006	0.06%	7.427	0.136	4.82%

As can be seen from the above, interest rates in 2021/22 were low from the effects of COVID. In February 2022, the Russia-Ukraine war occurred which led to high levels of inflation in cost of goods. The MPC (Monetary Policy Committee) have increased interest rates consistently over the 2022/23 fiscal year to help control the rising inflation rate and prevent a recession. By making interest rates more expensive, consumers and businesses are less likely to borrow funds and therefore spending decreases, slowing down inflation.

4. The Investment Risk Strategy for 2022/23

4.1 Investment strategy and control of interest rate risk

The Treasury managed the Council's interest rate risk in 2022/23 by minimalizing the amount of borrowing undertaken. This is achieved by investing surplus cash into Money Market Funds which have same day access, maintaining a cash flow record to track predicted cash shortfalls in daily operations. When borrowing is necessary to be undertaken, interest rates and MPC (Monetary Policy Committee) meetings are taken into consideration and borrowing is undertaken earlier if it is deemed more financial beneficial to borrow earlier at a cheaper rate. This "forward borrowing" or a week or two was undertaken by the Council in 2022/23 to meet its shortfalls in cash, and in doing so managed to borrow the required sums at more beneficial interest rate and balance the borrowing costs with the increase in interest rates of its long-term investments.

The effective borrowing management of the Council has been more difficult than in previous years. Before and during the COVID period, interest rates and borrowing rates averaged 0.5% and never exceeded 1% even on long-term borrowing (1 year +). After this period, with the changes in the UK's political leadership and the Ukrainian-Russia war, inflation and interest rates increased monthly to the point where even treasury advisors were uncertain of future interest rate forecasts.

In January 2023 year, the decision was made to reduce the Council's total long-term investment portfolio, with the redemption of just under £9.42m of its Pooled Fund investments. It was ensured that a balanced portfolio was kept minimizing risk of realising capital losses on investments during a turbulent financial period. By redeeming these long-term investments, the Council prevented its borrowing requirement being increased to figures of around £20m following a request from central government to repay COVID grants unspent in March 2023 to the value of £6m. The remaining value was used to reduce the Council's short-term borrowing amount at the end of the 2022/23 financial year.

Consideration to further borrowing and possibly withdrawing more Pooled Fund investments will be constantly monitored during the 2023/24 financial year. With interest rates predicted to rise further to 5% in June 2023, 5.25% in July 2023 and peaking at 5.5% in September 2023. The current bank of England rate is 4.5% (as at May 2023). It would not be unexpected for rates to reach 6% by December 2023. The Council will need to take careful consideration into its levels of expenditure over the 2023/24 year with the risk of overspending becoming more prevalent as the interest rates increase throughout the year.

4.2 Borrowing strategy and control of interest rate risk

During 2022/23, the Council maintained an under-borrowed position. This meant that the capital borrowing need, (the Capital Financing Requirement), was not fully funded with loan debt as cash supporting the Council's reserves, balances and cash flow was used as an interim measure. This strategy was prudent as investment returns were initially low and minimising counterparty risk on placing investments also needed to be considered.

A cost of carry generally remained in place during the year on any new long-term borrowing that was not immediately used to finance capital expenditure, as it would have caused a temporary increase in cash balances; this would have incurred a revenue cost – the difference between (higher) borrowing costs and (lower) investment returns. As the cost of carry dissipated, the Council sought to avoid taking on long-term borrowing at elevated levels (>4%) and has focused on a policy of internal and short-term borrowing (<1 year).

The policy of avoiding long-term borrowing has served well over the last few years. However, this has been kept under review to avoid incurring higher borrowing costs in the future when this Authority may not be able to avoid new borrowing to finance capital expenditure and/or the refinancing of maturing debt.

Against this background and the risks within the economic forecast, caution was adopted with the treasury operations. The Director of Resources has monitored interest rates in financial markets and adopted a pragmatic strategy based upon the following principles to manage interest rate risks as outlined in section 4.1 above.

- It was realised that there was a significant risk of a sharp rise in long and short-term rates, (e.g., due to a marked increase of risks around relapse into recession or of risks of deflation), then long term borrowings would have been postponed, and so consideration into potential long-term fixed rate borrowing was avoided to prevent the Council being locked into a expensive long-term loan from the PWLB. Short term borrowing and the repayment of long-term investments was decided as the best management of the Council's Treasury.
- if it had been felt that there was a significant risk of a much sharper fall in long and short-term rates than initially expected, perhaps arising from an acceleration in the start date and in the rate of increase in central rates in the USA and UK, an increase in world economic activity or a sudden recession, then the portfolio position would have been re-appraised. Most likely, fixed rate funding would have been drawn whilst interest rates were lower than they were projected to be in the next few years.

Interest rate forecasts were initially suggesting only gradual rises in short, medium and longer-term fixed borrowing rates during 2022/23 but by August it had become clear that inflation was moving up towards 40-year highs, and the Bank of England engaged in monetary policy tightening at every Monetary Policy Committee meeting during 2022, and into 2023, either by increasing Bank Rate by 0.25% or 0.5% each time. Currently the CPI measure of inflation is still above 10% in the UK but is expected to fall back towards 4% by year end. Nonetheless, there remain significant risks to that central forecast.

Forecasts at the time of approval of the treasury management strategy report for 2022/23 are as per the below table:

Average	3.57%	3.62%	3.76%	4.07%	3.74%
Spread	3.16%	3.26%	3.09%	3.36%	3.26%

PWLB rates are based on gilt (UK Government bonds) yields through HM Treasury determining a specified margin to add to gilt yields. The main influences on gilt yields are Bank Rate, inflation expectations and movements in US treasury yields. Inflation targeting by the major central banks has been successful over the last 30 years in lowering inflation and the real equilibrium rate for central rates has fallen considerably due to the high level of borrowing by consumers: this means that central banks do not need to raise rates as much now to have a major impact on consumer spending, inflation, etc. This has pulled down the overall level of interest rates and bond yields in financial markets over the last 30 years. Indeed, in recent years many bond yields up to 10 years in the Eurozone turned negative on expectations that the EU would struggle to get growth rates and inflation up from low levels. In addition, there has, at times, been an inversion of bond yields in the US whereby 10-year yields have fallen below shorter-term yields. In the past, this has been a precursor of a recession.

However, since early 2022, yields have risen dramatically in all the major developed economies, first as economies opened post-Covid; then because of the inflationary impact of the war in Ukraine in respect of the supply side of many goods. In particular, rising cost pressures emanating from shortages of energy and some food categories have been central to inflation rising rapidly. Furthermore, at present the FOMC, ECB and Bank of England are all being challenged by persistent inflation that is exacerbated by very tight labour markets and high wage increases relative to what central banks believe to be sustainable.

Graph of UK gilt yields v. US treasury yields

There is likely to be a fall in PWLB rates across the whole curve over the next one to two years as Bank Rate first rises to dampen inflationary pressures and a tight labour market, and is then cut as the economy slows, unemployment rises, and inflation (on the Consumer Price Index measure) moves closer to the Bank of England's 2% target.

5. Borrowing Outturn

Treasury Borrowing – *The following is record of all short-term borrowing undertaken by the Council in 2022-23:*

Lender	Principal £m	Interest Rate Type	Interest Rate	Maturity days	Interest payable in 2022/23
West Midland Combined Authority	5.000	Fixed	0.10%	182	£821.92
Humberside Fire & Rescue Service	2.000	Fixed	0.95%	184	£9,005.48
North Hertfordshire District Council	2.000	Fixed	0.95%	184	£7,912.33
Tendring District Council	2.000	Fixed	0.95%	184	£9,005.48
Armagh City Banbridge and Craigavon Borough Council	2.000	Fixed	0.65%	99	£2,635.62
Northern Ireland Housing Executive	2.000	Fixed	1.30%	80	£5,698.63
Solihull Metropolitan Borough Council	5.000	Fixed	2.80%	181	£69,424.66
Fermanagh and Omagh District Council	2.000	Fixed	3.55%	182	£32,679.45
Erewash Borough Council	2.000	Fixed	3.45%	32	£6,049.32
Newport City Council	1.000	Fixed	3.85%	14	£1,476.71
Cambridgeshire & Peterborough Combined Authority	5.000	Fixed	4.50%	92	£14,178.08
Police & Crime Commissioner for Avon and Somerset	2.000	Fixed	4.55%	85	£5,734.25

The Five borrowed amounts highlighted in light grey were carried forward from the 2021/22 financial year, the above table reflects the amount of interest due in the 2022/23 year only.

The three borrowed amounts highlighted in dark grey were carried forward into the 2022/23 financial year, the above table reflects the amount of interest due in the 2022/23 year only.

The Council's borrowing budget for 2022/23 was £145,532, this was calculated on a forecast of interest rates being 2%, interest rates were 1% as at December 2021, and they were expected to only marginally rise by April 2022.

The actual cost of borrowing in 2022/23 was £164,621.93, £19,089.93 over the budgeted amount. This cost was covered the extra interest earned above budget on the Council's investments.

The Council has taken no long-term borrowing from the Public Works Loans Board.

Borrowing in advance of need

The Council has not borrowed more than, or in advance of its needs, purely in order to profit from the investment of the extra sums borrowed.

As outlined in section 4.1 The Council did borrow in advance of need when a forecasted cash deficit was known, and it was predicted borrowing rates were to be increased by the MPC soon. Therefore, borrowing was agreed ahead of the borrowing date to agree a lower interest rate.

6. Investment Outturn

Investment Policy – the Council’s investment policy is governed by DLUHC investment guidance, which has been implemented in the annual investment strategy approved at Full Council. This policy sets out the approach for choosing investment counterparties and is based on credit ratings provided by the three main credit rating agencies, supplemented by additional market data, (such as rating outlooks, credit default swaps, bank share prices etc.)

The investment activity during the year conformed to the approved strategy, and the Council had no liquidity difficulties that were not managed by short-term borrowing. No overdraft charges were received.

Investments held by the Council

- The Council maintained an average balance of £40.959m of internally managed funds over the 2022/23 financial year.
- The internally managed funds earned an average rate of return of 3.53%.
- The comparable performance indicator is the average 12-month SONIA rate, which was also 3.53% as shown in the table on page 18.
- This compares with a budget assumption of £42.821m investment balances earning an average rate of 2.68%.
- Total investment income was £1.449m compared to a budget of £1.149m which is a total of £300k extra income earned.

7. The Economy and Interest Rates

UK. Economy.

Against a backdrop of stubborn inflationary pressures, the easing of Covid restrictions in most developed economies, the Russian invasion of Ukraine, and a range of different UK Government policies, it is no surprise that UK interest rates have been volatile right across the curve, from Bank Rate through to 50-year gilt yields, for all of 2022/23.

Market commentators' misplaced optimism around inflation has been the root cause of the rout in the bond markets with, for example, UK, EZ and US 10-year yields all rising by over 200bps in 2022. The table below provides a snapshot of the conundrum facing central banks: inflation is elevated but labour markets are extra-ordinarily tight, making it an issue of fine judgment as to how far monetary policy needs to tighten.

	UK	Eurozone	US
Bank Rate	4.25%	3%	4.75%-5%
GDP	0.1%q/q Q4 (4.1%y/y)	+0.1%q/q Q4 (1.9%y/y)	2.6% Q4 Annualised
Inflation	10.4%y/y (Feb)	6.9%y/y (Mar)	6.0%y/y (Feb)
Unemployment Rate	3.7% (Jan)	6.6% (Feb)	3.6% (Feb)

Q2 of 2022 saw UK GDP deliver growth of +0.1% q/q, but this was quickly reversed in the third quarter, albeit some of the fall in GDP can be placed at the foot of the extra Bank Holiday in the wake of the Queen's passing. Q4 GDP was positive at 0.1% q/q. Most recently, January saw a 0.3% m/m increase in GDP as the number of strikes reduced compared to December. In addition, the resilience in activity at the end of 2022 was, in part, due to a 1.3% q/q rise in real household disposable incomes. A big part of that reflected the £5.7bn payments received by households from the government under the Energy Bills Support Scheme.

Nevertheless, CPI inflation picked up to what should be a peak reading of 11.1% in October, although hopes for significant falls from this level will very much rest on the movements in the gas and electricity markets, as well as the supply-side factors impacting food prices. On balance, most commentators expect the CPI measure of inflation to drop back towards 4% by the end of 2023. As of February 2023, CPI was 10.4%.

The UK unemployment rate fell through 2022 to a 48-year low of 3.6%, and this despite a net migration increase of c500k. The fact remains, however, that with many economic participants registered as long-term sick, the UK labour force shrunk by c500k in the year to June. Without an increase in the labour force participation rate, it is hard to see how the UK economy will be able to grow its way to prosperity, and with average wage increases running at over 6% the MPC will be concerned that wage inflation will prove just as sticky as major supply-side shocks to food (up 18.3% y/y in February 2023) and energy that have endured since Russia's invasion of Ukraine on 22 February 2022.

Bank Rate increased steadily throughout 2022/23, starting at 0.75% and finishing at 4.25%.

In the interim, following a Conservative Party leadership contest, Liz Truss became Prime Minister for a tumultuous seven weeks that ran through September and October. Put simply, the markets did not like the unfunded tax-cutting and heavy spending policies put forward by

her Chancellor, Kwasi Kwarteng, and their reign lasted barely seven weeks before being replaced by Prime Minister Rishi Sunak and Chancellor Jeremy Hunt. Their Autumn Statement of the 17th of November gave rise to a net £55bn fiscal tightening, although much of the “heavy lifting” has been left for the next Parliament to deliver. However, the markets liked what they heard, and UK gilt yields have reversed the increases seen under the previous tenants of No10/11 Downing Street, although they remain elevated in line with developed economies generally.

As noted above, GDP has been tepid throughout 2022/23, although the most recent composite Purchasing Manager Indices for the UK, US, EZ and China have all surprised to the upside, registering survey scores just above 50 (below suggests economies are contracting, and above suggests expansion). Whether that means a shallow recession, or worse, will be avoided is still unclear. Ultimately, the MPC will want to see material evidence of a reduction in inflationary pressures and a loosening in labour markets. Realistically, that is an unlikely outcome without unemployment rising and wage settlements falling from their current levels. At present, the bigger rise in employment kept the ILO unemployment rate unchanged at 3.7% in January. Also, while the number of job vacancies fell for the ninth consecutive month in February, they remained around 40% above pre-pandemic levels.

Our economic analysts, Capital Economics, expect real GDP to contract by around 0.2% q/q in Q1 and forecast a recession this year involving a 1.0% peak-to-trough fall in real GDP.

The £ has remained resilient of late, recovering from a record low of \$1.035, on the Monday following the Truss government’s “fiscal event”, to \$1.23. Notwithstanding the £’s better run of late, 2023 is likely to see a housing correction of some magnitude as fixed-rate mortgages have moved above 4.5% and affordability has been squeezed despite proposed Stamp Duty cuts remaining in place.

As for equity markets, the FTSE 100 started 2023 strongly, rising to a record high of 8,014 on 20th February, as resilient data and falling inflation boosted earnings. But global equities fell sharply after concerns over the health of the global banking system emerged early in March. The fall in the FTSE 100 was bigger than the drop in the US S&P 500. Indeed, at around 7,600 now, the FTSE is 5.2% below its record high on 20th February, while the S&P 500 is only 1.9% lower over the same period. That’s despite UK banks having been less exposed and equity prices in the UK’s financial sector not falling as far. It may be due to the smaller decline in UK interest rate expectations and bond yields, which raise the discounted value of future earnings, compared to the US.

USA. The flurry of comments from Fed officials over recent months suggest there is still an underlying hawkish theme to their outlook for interest rates. Markets are pricing in a further interest rate increases of 25-50bps, on top of the current interest rate range of 4.75% - 5%.

In addition, the Fed is expected to continue to run down its balance sheet once the on-going concerns about some elements of niche banking provision are in the rear-view mirror.

As for inflation, it is currently at c6% but with the economy expected to weaken during 2023, and wage data already falling back, there is the prospect that should the economy slide into a recession of any kind there will be scope for rates to be cut at the backend of 2023 or shortly after.

EU. Although the Euro-zone inflation rate has fallen below 7%, the ECB will still be mindful that it has further work to do to dampen inflation expectations and it seems destined to raise rates to 4% in order to do so. Like the UK, growth has remained more robust than anticipated but a recession in 2023 is still seen as likely by most commentators.

8. Other Issues

1. IFRS 9 fair value of investments

English authorities: Following the consultation undertaken by the Department of Levelling Up, Housing and Communities DLUHC on IFRS 9, the Government has extended the mandatory statutory override for local authorities to reverse out all unrealised fair value movements resulting from pooled investment funds to 31st March 2025. Local authorities are required to disclose the net impact of the unrealised fair value movements in a separate unusable reserve throughout the duration of the override in order for the Government to keep the override under review and to maintain a form of transparency.

Risk management will need to take account of the 2018/19 Accounting Code of Practice proposals for the valuation of investments. Whilst for many authorities, this may not be a significant issue, key considerations are included in our Technical Release, (TRA14, 29 August 2017), including:

- Expected credit loss model. Whilst this should not be material for vanilla treasury investments such as bank deposits, this is likely to be problematic for some funds e.g., property funds, (and also for non-treasury management investments dealt with in the capital strategy e.g., longer dated service investments, loans to third parties or loans to subsidiaries).
- The valuation of investments previously valued under the available for sale category e.g., equity related to the “commercialism” agenda, property funds, equity funds and similar, will be changed to Fair Value through the Profit and Loss (FVPL).

2. Changes in risk appetite

The Treasury has not changed its risk appetite during the 2022/23 year. The main focus of the treasury is to safeguard taxpayers money by investing in low risk counterparties and maintaining a diverse portfolio, and then secondly to generate a interest return on investments.

3. Counterparty limits

The counterparty limits were not changed at the end of the 2022/23 year, effective the 1st April 2023. This is to reflect a lower total investment value of the Council, and to ensure diversification is maintained across the investment portfolio to minimize risk. These limits are in the Treasury Strategy 2023/24, but are also highlighted again below:

Sector	Time limit	Counterparty limit	Sector limit
The UK Government	50 years	Unlimited	n/a
Local authorities & other government entities	25 years	£6m	Unlimited
Secured investments *	25 years	£6m	Unlimited
Banks (unsecured) *	13 months	£2m	£5m
Building societies (unsecured) *	13 months	£2m	£5m
Registered providers (unsecured) *	5 years	£2m	£10m
Money market funds *	n/a	£6m	£20m
Strategic pooled funds	n/a	£6m	Unlimited
Real estate investment trusts	n/a	£6m	£10m
Other investments *	5 years	£2m	£5m
