1. Background

- 1.1. In line with the Public Sector Internal Audit Standards, which came into force from 1 April 2013; an annual opinion should be generated which concludes on the overall adequacy and effectiveness of the organisation's framework of governance, risk management and control;
- A summary of the work that supports the opinion should be submitted;
 - Reliance placed on other assurance providers should be recognised;
 - Any qualifications to that opinion, together with the reason for qualification must be provided;
 - There should be disclosure of any impairments or restriction to the scope of the opinion;
 - There should be a comparison of actual audit work undertaken with planned work;
 - The performance of internal audit against its performance measures and targets should be summarised; and,
 - Any other issues considered relevant to the Annual Governance Statement should be recorded.
- 1.2. This report also contains conclusions on the Review of the Effectiveness of Internal Audit, which includes;
- The degree of conformance with the PSIAS and the results of any quality assurance and improvement programme;
 - The outcomes of the performance indicators; and,
 - The degree of compliance with CIPFA's Statement on the Role of the Head of Internal Audit.

- Is compliant with the Public Sector Internal Audit Standards;
 - Is continually monitoring performance and looking for ways to improve; and,
