Dear Sir

RE LICENSING APPLICATION FOR VOEWOOD
10 AM TO 2 AM

We are writing to object to the request for the extension of recorded and live music being played until 2am. This is a quiet village with many retired people living here; we have resided here for 19 years and the peace and quiet is what makes it perfect. Therefore we object under the prevention of public nuisance as the noise from Voewood already travels and disturbs us, so to have an extension will affect us even more. There are no barriers to stop the noise travelling to us. Also who is going to monitor the sound levels at that

time of the morning! On a warm evening
people will spill outside and with the
consumption of alcohol noise levels will
increase with no thought for surrounding
residents. We strongly object to this proposal

Yours faithfully
