Highview Properties Application for Premises Licence at the Pop Inn
dated 20/7/2023

Dear Licensing Authority

We live close to the Pop Inn and have concerns regarding the impact to our amenity should a late night licence be granted for extended use and hours. Music and Dancing until the small hours suggests the potential for disturbances on and near the Glebe as people depart after 1.00am (Or Later) closure. We therefore object to this application.

Yours Sincerely
