18 Market street which will be known as The Peasants Tavern is a brick built building with a tile roofed and a flat roof at the rear. The full building consists of the ground floor and a flat above both are owned by the same individuals who will rent the ground floor to ourselves to allow us to operate as a public house. The ground floor was until last year originally a pub called the Market Tavern but upon the death of the landlord the existing Premise license has lapsed and the ground floor has been completely cleared so we will have to start again. We intend to keep the same arrangement of rooms as now. There will be one to the front and one to the rear. We plan to install a cool room in which the beer barrels will be stored on a barrel rack from which the beer will be served. There are two toilets which we plan to renovate to bring them up to date. and if able will increase the number of toilets. Again if we are able we will install disabled and baby changing facilities in one of the toilets. There is an open space at the rear which used as a beer garden and which we intend to retain as a beer garden. We will not have TV, music or games machines. There are flats close by, in a very similar arrangement as most public houses in the town, but as will not have daily music and will insist anyone sitting outside to be quite we do envisage this will cause any disadvantage to those living there. We notice that a take away shop next door has a large extraction vent going in the evening which is quite noisy so we don't expect our outside area will increase the noise level. We are applying to provide off supplies but will not provide a place for consumption.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

### LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The Full time Bar Manager, who has a Personal License, has extensive experience of running a busy pub. We will have sufficient number of staff on the premises to cover longer hours, holidays & busy times. Regular training of staff, who will be encouraged to get Personal Licenses. Two others of our staff already have Personal licenses and they will be will be trained in the requirements.

All staff will be trained in the four licensing objectives and their responsibilities to maintain them and we will ensure that this responsibility is refreshed on a regular basis.

After each refresher staff will sign off the refresher record which will be available for the authorities to review as required.

We shall keep an incidents and refusals log to detail any crime or disorder, any issue with Public Safety, Public Nuisance and Protection of Children from harm which may happen on the premises. We shall record date and times of any incidents and any result of the incident.

If we are able we shall also record names and address of any individual involved.

We shall review any incident report and decided if we need to put an action plan in place to to prevent any further similar incidents.

The member of staff recording the incidence shall also sign and date the record of the incidence.

All staff who work on the premises shall be advised of the incidence and the steps taken to deal with it, so all can learn from the incident.

The management shall also review the incident book on a regular basis.

The incident log will be maintained and the record kept for a period of 30 days for inspection by the relevant authorities as required.

Staff shall be trained in evacuation of the premises, the use of emergency exits, the use of safety equipment, how the safety lighting and alarms operate and shall be included in all safety checking so they are aware of all requirements.

CCTV will be in place in the bar, back room and beer garden. We shall retain the recordings for 30 days and they will available for review by the authorities as required.

We will liaise with other public houses in North Walsham to ensure that we maintain a safe operating premises.

b) The prevention of crime and disorder

All the available doors into the pub can be seen from the bar and the staff will be trained in identifying and dealing with disorder. We will have suitable regular glass collections inside and in the beer garden. We will request photographic identification to control underage drinking; garden furniture will be solid and heavy. We will provide a list of taxi numbers. Beer garden will be regularly patrolled. We will not accept any drug taking in the pub or allow anyone in who we believe to be carrying drugs or under the influence of drugs or excess alcohol.

c) Public safety

Annual gas safety check; ring main electrical check (once every 5 years); PAT testing (portable electrical appliance testing); annual safety checks for any lifting and barrel tilting equipment; up to date health & safety policy & risk assessments; employers & public liability insurance in

place; monthly safety checks of emergency lighting, sufficient lighting internally & externally; regular fire checks & servicing of fire detection & extinguishing equipment; emergency procedures in place; designated smoking/non-smoking areas; good housekeeping procedures in place including toilet checks on a regular basis. All checking to be logged for inspection and record.

d) The prevention of public nuisance

Although we do not plan to have any music inside or outside the pub noise is likely to be the main nuisance. If we do have any music we will keep doors & windows closed, have noise restrictions on equipment and keep to reduced hours so no later than 23:00. If we do any outside entertainment we will restrict the hours to no later than 22:00 and have any music speakers facing away from residential areas. We do not expect noise from the beer garden to be an issue as we have noticed that a take away restaurant at the side of the premises has a noisy extract fan in operation during evening hours. We will have signage in place asking people to leave quietly, make regular sound checks inside & outside of the premises. We will not have any permanent noise generators in the pub as we will not be doing music. If we do any entertainment we will ensure entertainers are aware of any noise restrictions placed on them prior to commencement.

e) The protection of children from harm

Staff will be trained in respect of Protecting Children from harm and refresher training will be applied every 12 months. Restrict areas where children allowed, we will restrict children access to the bar area and they will be kept in the rear room or beer garden. Restrict hours when children under the age of 16 are allowed on the premises, only be allowed inside up-to 16:00 each day. Ensure parents are aware of the risk of slow traffic in the road outside and not allow children to run around. We shall also challenge proof of age by asking for photo identification cards, as we think necessary, such as driving license, passport or the proof of age card.

**NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK**

*Continued from previous page...*

**Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

*Continued from previous page...*

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
