

I am writing as regards the licensing application at Standard House Chanderly, Wells-next-the-sea.
NR23

As a neighbour, I wish to object to a license running until 9.30 pm. The area is currently residential and quiet. Outside tables in premises serving alcohol until 9.30 pm are likely to create a noise nuisance. Customers will not disperse immediately so it is likely to be noisy extra half an hour or so. Can I suggest that the licencing hours finish at 8pm?

Regards
