Case Studies

GO DIGITAL CASE STUDY – CROP SYSTEMS LTD

Crop Systems Ltd

"We would highly recommend Norfolk's Go Digital project to other businesses looking to modernise and thrive."

Scott Morgan – Crop Systems Ltd

"Andy's tailored advice and the grant really helped our business, making us more efficient and organised."

"The tailored guidance from our advisor gave us clarity, confidence, and a clear path forward."

"Norfolk's Go Digital project gave us the tools and confidence to embrace modern digital solutions."

"Taking part in Norfolk's Go Digital project has been a truly wonderful experience for our business. The support from our advisor, Andy, was exceptional. He provided insightful and practical advice tailored to our specific needs, helping us pinpoint ways to enhance our digital capabilities and run our business more effectively."

The £500 grant was a fantastic boost, enabling us to purchase a new desktop PC. This investment has had an immediate and significant impact on our operations. The upgraded technology has allowed us to work much more efficiently, organise our workload effectively, and complete tasks that used to be challenging."

What made the programme so effective was the combination of expert guidance and financial support. Andy's recommendations were clear, practical, and easy to implement, ensuring that we could make the most of the new equipment."

This initiative has not only improved the way we run our business but has also given us the confidence to explore new digital tools. We would highly recommend Norfolk's Go Digital project to other businesses looking to modernise and thrive."

GO DIGITAL CASE STUDY – TUCKED AWAY

Tucked Away

"We're so grateful for the opportunity and highly recommend the programme to any small business looking to improve their digital footprint."

Christine Clifford - Tucked Away

"Go Digital's support transformed our online presence, giving us the tools to grow and thrive."

"The improvement in our online visibility has been noticeable, with increased traffic and enquiries coming in almost immediately."

"Our new website not only looks professional and aligns perfectly with our brand, but it's also user-friendly and optimised for a wider audience."

As a small business, joining the Go Digital project was a game-changer for Tucked Away. The programme provided them with both guidance and financial support to enhance their online presence and knowledge, which is essential in today's competitive market."

"Our dedicated advisor, Andy, was fantastic throughout the process. From the outset, he took the time to understand our business and helped us identify the best way to maximise the £500 grant. His knowledge and approachable style made the whole experience seamless and enjoyable."

"We decided to invest the grant in web design. The results have been incredible. The improvement in our online visibility has been noticeable, with increased traffic and inquiries coming in almost immediately."

Go Digital empowered Tucked Away to take that next step in their business journey, providing them with both the tools and confidence to grow. "We are so grateful for the opportunity and highly recommend the programme to any small business looking to improve their digital footprint."
