

## DEBT WRITE OFF POLICY

1. This forms part of the Council's Corporate Debt Management and Recovery policy (Appendix 2).
2. The Council is committed to ensuring that debt write offs are kept to a minimum by taking all reasonable steps to collect monies due. There will be situations where the debt recovery process fails to recover some or all of the debt and will need to be considered for write off. The Council views such cases very much as exceptions and this document provides the framework within which procedures must be documented and followed.
3. The Debt Management and Recovery policy takes account of the impact that getting into debt can have on people and their families, so it also encourages people to pay, and aims to provide all reasonable facilities and assistance for them to do so. Before writing off debt, the Council will satisfy itself that all reasonable steps have been taken to collect it and that no further recovery action is possible or practicable. It will take into account the age, size and types of debt, together with any other factors that it feels are relevant to the individual case.
4. The Council will only consider write off in the following circumstances:

Category	Requirement	Action

Undue hardship and debt remaining following negotiated settlement.	Where the debtor can provide written evidence of genuine financial difficulty, showing evidence of inability to pay even small instalments, or that such payment will cause undue hardship.	Submit for Write Off

Irrecoverable / Out of Jurisdiction***	The debtor has moved out of legal jurisdiction or the debt has been returned nulla bona and all other recovery avenues have failed.	Submit for Write Off

*\* If a debtor's whereabouts become known after the write-off has been approved, then the debt should be written back on.*

*\*\* If a dividend is subsequently paid, then the debt should be written back on.*

*\*\*\* If the debtor subsequently moves back into legal jurisdiction, then the debt should be written back on.*

5. Debts will normally only be considered for write off where the account is "closed" (i.e. no recurring debt). Only in exceptional circumstances will amounts on "live" (i.e. ongoing accruing debt) accounts be considered for write off. Such cases must demonstrate that further recovery action will not achieve collection of the debt.
6. The Director for Resources will be accountable to Cabinet Committee for the effective management of debt write offs and will ensure that appropriate performance management arrangements are introduced across all Council service and debt areas.
7. Decisions on the write off of individual debts will be taken in accordance with the Council's Scheme of Delegation. They must also comply with all relevant statutory requirements and those of the Director for Resources or designated representative(s).
8. Cabinet Committee will receive an annual report from the Director for Resources summarising performance on debt write offs during the previous year.
9. Each Service Head will be responsible for the initial recovery of debt within their service. Where the debt is collected through Sundry Income the Director for Resources will be responsible. Once recovery action is required, this must be passed to the recovery section who will then take ownership of the debt.
10. The Heads of Service will be responsible for the regular review of debts and will consider the need for write off of individual debts within their jurisdiction, monthly.

## Appendix 2

11. Negotiated settlements generally result in the need for a write off. Any negotiation of a settlement at court will be the responsibility of the Court Officer, as such, situations cannot be planned and we need to respond immediately. Any other negotiated settlement will require approval according to the Scheme of Delegation i.e. the write off amount is the sum being remitted through negotiation.
12. Prior to write off being proposed, the debt will be reviewed to ensure that no further recovery action is possible or practicable.
