

The map displays the coverage quality of mobile networks across the United Kingdom, categorized into four levels: Good (dark green), Acceptable (light green), Essential (yellow), and Poor (orange). The map is overlaid with a hexagonal grid. Major cities and regions are labeled, including London, Manchester, Birmingham, and Cardiff. A legend in the bottom right corner provides the key for the coverage quality categories.

Coverage Quality	Color
Good	Dark Green
Acceptable	Light Green
Essential	Yellow
Poor	Orange
