1. Purpose of the report

- 1.1 This report summarises any decisions taken under delegated powers since end of October 2025
- 1.2 Delegated decisions are available to the public through the website and are reported to Members via Cabinet. The process for reporting and consulting on these decisions is contained in the Constitution at Chapter 6, 2.1 (Conditional Delegation) and 5.1 and 5.2 (Full Delegation to Chief Officers) and the publication of these decisions is a legal requirement.
- 1.3 Historic lists are available on request.

2. Introduction & Background

- 2.1 Decisions under powers delegated by a specific resolution must always be recorded and published. So should decisions under specific delegated powers set out in the Officer Scheme of Delegation in the Constitution.
- 2.2 The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 require that all decisions, including those taken by officers, must state:

- The decision taken and the date it was made
- The reasons for the decision
- Details of options considered and rejected and the reasons why they were rejected
- Declarations of interest and any dispensations granted in respect of interests

Officers taking a decision under delegation are required to complete a delegated decision form.

- 2.3 The Openness of Local Government Bodies Regulations 2014, section 7 states that any decision should be recorded if it would otherwise have been taken by the relevant local government body, or a committee, sub-committee of that body or a joint committee in which that body participates, but it has been delegated to an officer of that body either
 - (a)under a specific express authorisation; or

- (b)under a general authorisation to officers to take such decisions and, the effect of the decision is to—
- (i)grant a permission or licence;
 - (ii)affect the rights of an individual; or
 - (iii)award a contract or incur expenditure which, in either case, materially affects that relevant local government body's financial position.

These requirements **do not** apply to:

- planning and licencing matters where there are established arrangements for recording decisions: or
- decisions which are purely administrative or operational in nature

- 2.4 The Constitution requires that for the exercise of any power or function of the Council in routine matters falling within established policies and existing budgets, where waiting until a meeting of the Council, a committee or working party would disadvantage the Council, an elector or a visitor to the District, then the officer exercising the power must consult with the Leader, the relevant portfolio holder and if it relates to a particular part of the District, the local member.
- 2.5 For the exercise of any power or function of the Council, which in law is capable of delegation, in an emergency threatening life, limb or substantial damage to property within the District, the senior officer shall consult with the Leader or the Deputy Leader.
- 2.6 Overview and Scrutiny Committee can request to review the delegated decisions list at their meetings so they can fully understand why they were taken and assess the impact on the Council.
