### **BENEFIT OVERPAYMENTS POLICY**

#### **1.0 COUNCIL RESPONSIBILITIES**

1.1 The Council recognizes that overpayments of benefit do occur. In order to reduce the loss to public funds the Council ensures that firm but fair action must be applied in the administration of overpayments. Positive action in the recovery of overpayments has a deterrent effect. However, in the overpayments process and that of recovering any overpayment of benefit the Council has the responsibility to:

- a) Act in accordance with Primary Legislation (being that of an Act of Parliament, Order or other Statutory Requirement);
- b) Comply with the requirements of Secondary Legislation (being that of the Housing Benefit Regulations, Claims and Payment Regulations, Decision Making and Appeals Regulations etc);
- c) Comply with any changes to the above stated Primary or Secondary Legislation;
- d) Identify the overpayment promptly;
- e) Stop the overpayment continuing;
- f) Classify the overpayment correctly;

- g) Determine if the overpayment is recoverable;
- h) If recoverable:  
Determine from whom recovery should be sought, and  
Determine the most appropriate method of recovery;
- i) Notify claimants and other affected persons of any decision in accordance with the regulations;
- j) Ensure implementation of effective financial control during the overpayments process.
- k) Pursue debt by the most effective recovery method.

## **2.0 BEST PRACTICE**

- 2.1 This policy reflects best practice in the procedure for dealing with and the recovery of overpaid housing benefit.
- 2.2 The policy should be flexible in its approach to recovery of overpayments. Each case will be considered on its own merits. The Council recognises that a policy, which, for example, requires recovery in all cases or where recovery is always made from specific categories of claimants, is unlawful.
- 2.3 This policy has regard for the rights of individuals and obligations of the Council under the provisions of the Human Rights Act 1998.

## **3.0 APPLICATION OF THE POLICY**

- 3.1 The policy should be applied to all cases where an overpayment of benefit may occur and all identified recoverable overpayments; that is any amount of housing benefit which has been paid, but to which there is no entitlement whether on initial decision or on a subsequent revised or superseded decision. In most cases overpayments can arise in consequence of:
  - a) Payments being made in advance;
  - b) Late disclosures of changes in circumstances;
  - c) Errors made by the claimant in completing the application form or subsequent review form;
  - d) Claimant fraud;
  - e) Official errors made by the Council or other Statutory Benefits Departments; Overpayments in the case of e) above are only recoverable if the claimant or person from whom recovery is sought could reasonably have been aware that the overpayment was occurring at the time when the overpayment occurred.

## **4.0 IDENTIFICATION OF OVERPAYMENTS**

- 4.1 The Council will endeavour to act on any information received in relation to a claimant's change of circumstances within service target of having sufficient information to identify an actual or potential overpayment which has occurred or may be occurring.
- 4.2 Such action should, in the first instance, include suspending further ongoing payments of incorrect benefit.
- 4.3 The Council will endeavour to identify any changes of circumstances, resulting in an overpayment by:

- a) Identifying communications from the DWP notifying of Income Support or Income based Jobseekers Allowance having stopped.
- b) Identifying communications from fraud sections requiring action;
- c) Identifying incoming post that indicates a change of circumstances.
- d) Identifying internal post from area and other NNDC offices which indicates a change of circumstances

## **5.0 DECISIONS ON RECOVERABILITY**

- 5.1 In all cases where an overpayment of benefit has arisen NNDC will have regard for legislative procedures in deciding whether an overpayment is recoverable?
- 5.2 In doing so the Council will consider whether an official error caused or contributed to the overpayment.
- 5.3 The Council will have regard for legislative requirements in deciding to recover any overpayment or part thereof, which was caused by official error, or to which an official error materially contributed.

## **6.0 CLASSIFICATION OF OVERPAYMENTS**

- 6.1 All overpayments, whether recoverable or not, must be classified by an officer of the Council who is appropriately trained to sufficient standards that will allow for the correct application of the law in this decision making process.
- 6.2 Officers responsible for the classification of an overpayment must record the classification and reasons for it on file.

## **7.0 WHO SHOULD THE OVERPAYMENT BE RECOVERED FROM?**

- 7.1 Before recover action is undertaken, in each case consideration should be awarded to the relevant facts of the individual case. This may mean that further specific information will need to be obtained from affected parties prior to a decision being made. Recovery should be made from the most appropriate person who may be:
  - a) The claimant, or
  - b) The person to whom the payment was made, or
  - c) The person who misrepresented the material fact or failed to disclose the Fact or
  - d) The partner of the claimant. However regulations provide that this can only be the case where the partner was living as a member of the claimant's family at the time of the overpayment and at the time of the decision being made in respect of recovery.
- 7.2 Recovery of fraudulent overpayments should, in the first instance, be sought to be made from the person who misrepresented or failed to disclose material facts giving rise to the overpayment.

## 8.0 METHOD OF RECOVERY

8.1 Appropriate means of recovery should be considered in all cases under **Regulation 102 of the Housing Benefit Regulations 2006**. Recovery action should be taken by one of the following methods:-

- a) **Ongoing housing benefit deductions;** - The Regulation prescribes the maximum weekly deduction that can be made to recover an overpayment from ongoing entitlement. There are prescribed rates of deduction depending on whether the overpayment has arisen as a result of fraud or not. These rates may be up-rated annually by the Department for Work and Pensions on the 1<sup>st</sup> April.
- b) **Deductions from other DWP benefits** – Where there is no ongoing entitlement to Housing Benefit recovery can be sought from an attachment of other DWP welfare benefits through the Payment Deduction Programme. This is the electronic method of requesting an attachment of benefit.
- c) **Deductions from housing benefit payments made by other local authorities;** – If a debtor has moved to another Council area and is in receipt of Housing Benefit there, a letter can be sent to the Authority requesting that they make deductions from the claimants ongoing benefit entitlement at the suitable rate. The Housing Benefit overpayment would be passed to a Sundry Debtor to create an account in order for payments to be credited to NNDC.
- d) **Invoices** – An invoice will be raised for overpayments which cannot be recovered from ongoing Housing Benefit. Invoices will be raised for overpayments of £25 or more. The first principle will be to seek payment in full. Where a claimant can show that this is unaffordable, then instalments will be negotiated, by officers in accordance with the Corporate Debt Policy and Department for Works and Pensions best practice guidance.
- e) **Direct Earnings Attachment** – The Welfare Reform Act 2012 allows NNDC to ask employers to make deductions from the employees pay. Where a debt is at invoice stage, the debtor will be sent a reminder. Where the debt remains outstanding, the debt can be recovered directly from the debtor's earnings.
- f) **Collection of Overpayments from Landlords** – Where the claimant is no longer entitled to Housing Benefit, the overpayment will be sought from the landlord where they have failed to report a material change which they would have reasonably expected to realise had occurred. The overpayment will be invoiced. Where the landlord fails to settle the account the overpayment will be recovered directly from future Housing Benefit payments for other current tenants. The current tenants are protected and the deduction counts as their rent payment. This is referred to as Blameless Tenant recovery.
- g) **Debt Collection Agencies** – where an invoice has been raised and the payment has not been received the debt can be passed to a debt collection agency to collect.
- h) **Court action** - where an invoice has been raised and a reminder issued and non-payment of the debt continues the debt can be passed to legal services for action in the County Court via a County Court Judgement. A Claim Letter will be sent to the debtor first as a pre-warning that County Court action will take place. This gives the debtor a further opportunity to dispute the debt, or advise the authority that they are seeking financial assistance.
- i) **Recovery action (Post County Court Judgement)** – the HB overpayment is registered as a judgement of the court. Unpaid debts can be recovered by a number of enforcement methods – warrant of execution, attachment of earnings, third party debt order, charging order, bankruptcy or High Court Enforcement (see 8.2 below).

The Council will determine the most appropriate option for recovery of the debt.

Recovery action will commence after taking into consideration the claimants eligibility to underlying entitlement or a new claim pending. This will allow for the claimant to provide further information or make any reapplication for housing benefit, thereby reducing any overpayment, in addition to allowing time for the affected persons to register any appeal rights that they may wish to enact, and or to reach a mutually acceptable arrangement for the recovery of the overpayment.

- 8.2 From 12<sup>th</sup> April 2018, we now have access to a new recovery tool called the Housing Benefit Debt Service (HBDS). This is administered by the DWP and allows us to retrieve debtor's employment, self-employment, private pension information and address details directly from the HMRC.

Following the introduction of HBDS, we anticipate more debts being recovered via a Direct Earnings Attachment. Where these recovery options do fail and we are unable to engage with the debtor and once a County Court Judgement has been obtained, we are able to consider use of High Court Enforcement. This is where a Writ of Execution (a cost to NNDC of £66 if not successful) will be obtained from the High Court authorising a High Court Enforcement Officer to recover the amount owed by the debtor or take sufficient goods to be sold at auction to raise what is owed. The Enforcement Agent will not raise or charge any costs or fees in excess of the costs and fees allowed under the regulations in force as shown in the table below:-

Schedule of Enforcement Fees (other than under a High Court Writ)

Fee Stage	Fixed Fee	Percentage fee (regulation 7): percentage of sum to be recovered exceeding £1000
Compliance Stage	£75.00	0%
First enforcement Stage	£190.00	7.5%
Second enforcement Stage	£495.00	0%
Sale or disposal stage	£525.00	7.5%

The above figures are not including VAT.

- 8.3 In respect of ongoing housing benefit deductions, the standard rates should be applied as per the amounts laid down by Regulations, unless having regard to the health and/or financial circumstances and/or housing risk or need of the person from whom recovery is sought a lesser sum is deemed appropriate. Regulations provide that in all cases a minimum of 50p per week housing benefit must remain in payment.
- 8.4 Where recovery is sought from a bankrupt, recovery should be sought via ongoing benefit entitlement or from other prescribed benefits before considering any court action.

8.5 Where the case involves the death of a claimant, the deceased's representative or executor should be approached to seek recovery from the estate. However, the overpayment should not be recovered from ongoing benefit deductions from the surviving spouse.

8.6 'Excess Council Tax Benefit/Support ' will be added back onto the Council Tax account and collected in accordance with the Council Tax recovery Regulations.

## **9.0 PERIOD OF OVERPAYMENT CALCULATION**

9.1 The period over which the overpayment is calculated should be from the start date of the overpayment.

## **10.0 CALCULATION OF OVERPAYMENTS**

10.1 Where an overpayment is identified the Council will invite claimants to provide sufficient information to establish any underlying benefit entitlement.

10.2 The Council will endeavour to carry out the calculation of the overpayment within 14 days of its receipt of any written notice of change and any further information that is reasonably required for the correct administration of the overpayments procedure as is required by regulations.

## **11.0 MAXIMUM AMOUNT**

11.1 The full amount of the overpayment should be recovered, unless after having regard to the health and or financial circumstances and/or housing risk or need of the person from whom recovery is sought, a lesser amount would be more appropriate.

## **12.0 MAXIMUM PERIOD OF RECOVERY**

12.1 In all cases the overpayment should be recovered as quickly as possible. However, the maximum period over which the debtor should be allowed to repay the overpayment is that of six years.

12.2 The maximum period of six years may be exceeded if the method of recovery is deductions from ongoing benefit entitlement of other DWP benefits, having regard to the maximum deductions allowed by the regulations.

## **13.0 DECISION NOTICES**

13.1 All decision notices must be dated and issued to all the "affected persons" as prescribed by regulations within 14 days of the Council having reached that decision.

13.2 All decision notices must fully comply with the requirements of legislation, including the reasons for the decision, the right to request a statement of reasons and time limits for doing so, the affected person's right of revision/appeal and time limit for doing so.

13.3 Copies of the actual decision notice must be retained on file for a period of not less than 13 months in order that they may be retrieved and produced in the event of a future review/appeal/complaint or civil proceedings.

## **14.0 RECOVERY OF OVERPAYMENT DEBT**

14.1 The Council will seek to recover all recoverable overpayments of benefit in its statutory duty to reduce any loss to public funds. In doing so the Council will have regard for:

- a) The period of time that the debt may take to be recovered;
- b) The effect of recovery on the affected person from whom recovery is sought;
- c) The ability to repay of the affected person from whom recovery is sought.

14.2 All methods of recovery may be considered at any time, having regard for the circumstances of any individual case.

14.3 The Council may reconsider the methods used to recover overpayments at the end of each financial year for effectiveness and efficiency.

## **15.0 Policy Performance**

15.1 From April 2005 there are three performance measures that Councils have to report quarterly on to the Department of Works & Pensions in relation to overpayments:-

- The amount of HB overpayments recovered during the period as a percentage of the total amount of HB overpayments identified during the period.
- The amount of overpayments recovered during the period as a percentage of the total amount of HB overpayment debt outstanding at the start of the period plus amount of HB overpayments identified during the period.
- The amount of overpayments written off during the period as a percentage of the total amounts of HB overpayment debt outstanding at the start of the period plus amount of overpayments identified during the period
