1. Introduction

1.1 Officer delegated decision making process.

The officer delegated decision making process has been refreshed in light of the Covid-19 pandemic so that decisions that need to be made quickly can be. The reporting of decisions taken in this way has been strengthened, so it is clear that it is an officer decision that is being made, and the consultation requirements around those decisions. These decisions are available to the public through the website and are reported to Members through a weekly information bulletin. Key decisions are reported to Cabinet. The process for reporting and consulting on these decisions is contained in the Constitution at Chapter 6, 5.1 and 5.2 and the publication of these decisions is a legal requirement.

2. The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020

- 2.1 Following the outbreak of the Covid 19 pandemic, the Council had to realign its resources and the committee meeting cycle was reviewed and adapted to accommodate the business coming through. The regulatory committees and Cabinet continued to meet from the outset, although not always on the scheduled cycle, with the oversight committees and some working parties recommencing from May 2020. Committee meetings continue to be held remotely. All decisions taken under delegation from mid-March onwards are recorded on the Council's website: <https://www.north-norfolk.gov.uk/tasks/democratic-services/officer-delegated-decisions/>
- 2.2 Several of the key decisions that were taken under delegation in the early stages of the pandemic, have now been re-visited and reversed and this is reflected in the summary list of officer decision (Appendix A). All of the decisions taken since March 2020 are included in the list.

3. Consultation

- 3.1 The Constitution requires that for the exercise of any power or function of the Council in routine matters falling within established policies and existing budgets, where waiting until a meeting of the Council, a committee or working party would disadvantage the Council, an elector or a visitor to the District, then the officer exercising the power must consult with the Leader, the relevant portfolio holder and if it relates to a particular part of the District, the local member.
- 3.2 For the exercise of any power or function of the Council, which in law is capable of delegation, in an emergency threatening life, limb or substantial damage to property within the District, the senior officer shall consult with the Leader or the Deputy Leader. The Covid 19 pandemic was considered to fall within this category.
- 3.3 Overview and Scrutiny Committee will receive the delegated decisions list at their meetings so they can fully understand why they were taken and assess the impact on the Council.

4. Financial and Resource Implications

As many of the decisions taken by officers under delegated powers were key decisions there is a financial impact. The majority of the decisions reported to Cabinet on 6th July were related to Covid 19 and had not been included in the Budget set by Full Council on 26th February 2020.

5. Legal Implications

The Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 require that all decisions, including those taken by officers, must state:

- The decision taken and the date it was made
- The reasons for the decision

- Details of options considered and rejected and the reasons why they were rejected
- Declarations of interest and any dispensations granted in respect of interests

Officers taking a decision under delegation are required to complete a form.

6. Conclusion and Recommendations

Several decisions, including key decisions, have been taken by senior officers under delegated authority during the Covid 19 pandemic. Each decision has been recorded and a summary is provided at Appendix A
