

## DETERMINATION OF COUNCIL TAX DISCOUNTS 2021/22

Summary: This report sets out alternative options for the level of council tax discounts which Full Council will resolve shall apply to classes of dwelling for the financial year 2021/22.

The determinations are made by the Council under sections 11A and 11B, and of the Local Government Finance Act 1992, subsequent enabling powers and Regulations made under the Act.

Options considered: The recommendations take advantage of the reforms included in the Local Government Finance Act 2012 as amended to generate additional revenue.

Conclusions: The legislation provides local authorities with the power to make changes to the level of council tax discount in relation to classes of property. The Council has to approve its determinations for each financial year. The calculation of the tax base for 2021/22 will be made on the assumption that the determinations recommended below will apply.

Recommendations: Members recommend that Full Council shall resolve that under section 11A of the Local Government Finance Act 1992, and in accordance with the provisions of the Local Government Finance Act 2012 and other enabling powers one of the following applies:

### *Recommendation 1*

- (a) The discounts for the year 2021/22 and beyond are set at the levels indicated in the table at paragraph 2.1.
- (b) The premium for long term empty properties (those that have been empty for a consecutive period longer than 24 months) is continued at 100% of the Council Tax charge for that dwelling
- (c) The premium for long term empty properties (those that have been empty for a consecutive period longer than 60 months) is continued at 200% of the Council Tax charge for that dwelling
- (d) The premium for long term empty properties (those that have been empty for a consecutive

- period longer than 120 months) is set at 300% of the Council Tax charge for that dwelling
- (e) To continue to award a local discount of 100% for eligible cases of care leavers under section 13A of the Local Government Finance Act 1992 (as amended).
  - (f) That an exception to the levy charges may be made by the Section 151 Officer in conjunction with the Portfolio holder for Finance, on advice of the Revenues Manager in the circumstances laid out in section 3.6 of this report.

*Recommendation 2*

- (a) those dwellings that are specifically identified under regulation 6 of the Council Tax (Prescribed Classes of Dwellings)(England) Regulations 2003 will retain the 50% discount and;
- (b) those dwellings described or geographically defined at Appendix A which in the reasonable opinion of the Head of Finance and Asset Management are judged not to be structurally capable of occupation all year round and were built before the restrictions of seasonal usage were introduced by the Town and Country Planning Act 1947, will be entitled to a 35% discount.

Reasons for Recommendations:

In accordance with the relevant legislation these determinations shall be published in at least one newspaper circulating in North Norfolk before the end of the period of 21 days beginning with the date of the determinations.

To set appropriate council tax discounts which will apply in 2021/22 in accordance with the legal requirements and to raise additional council tax revenue.

## 1. Introduction

- 1.1 Local Authorities are required to approve their Council Tax discount determinations each year. The legislation provides local authorities with powers to make changes to the level of council tax discount in relation to certain types of properties.
- 1.2 All billing authorities are able to reduce or end the nationally set 50% council tax discount for second homes. The exception to this rule is that billing authorities cannot change the discount for second homes of people who are liable for council tax on dwellings provided by an employer, i.e. tied accommodation, as established under regulation 6 of the Council Tax (prescribed classes of dwellings) (England) Regulations 2003.
- 1.3 It is for the billing authority to determine whether changes on discounts apply to all or parts of its area. An area can be as small as one property (provided it can be defined geographically) and different discounts can apply in different parts of the area.
- 1.4 Properties that are classed as Long Term Empty (those that have not been occupied for a period of 24 months) can attract a premium on their Council Tax, which varies depending on the period of non-occupation.
- 1.5 The Council also has powers under Section 13A of the Local Government Finance Act 1992 (as amended) to introduce discounts to particular taxpayers.
- 1.6 Since April 2013 North Norfolk District Council (as a billing authority) has had additional powers to vary the levels of council tax discount offered in the District. Reductions in the discounts offered will generate additional revenue for both the District Council and preceptors. The current position in respect of the council tax discounts offered by North Norfolk District Council for 2020/21 is shown in the table below.

## 2. Current Discounts and amendments for 2021/22

- 2.1 There are four classes of dwellings where the Council has discretion to vary the discount offered to council tax payers. The table below sets out the current discount levels as agreed by Full Council in December 2019. Maintaining these discount levels is in line with the current strategy to reduce the forecast budget gap. It is proposed that these levels continue from 1<sup>st</sup> April 2021.

Class	Description	2020/21 Discount	Proposed Discount from 1 <sup>st</sup> April 2021
Class A	Dwellings which are not the sole or main residence, are furnished, but their continuous occupation is restricted by planning regulations to less than 28 days a year.	10%	10%
Class B	All other dwellings which are not the sole or main residence, are furnished, and their continuous occupation is not restricted by planning regulations to less than 28 days a year.	No Discount	No Discount
Class C	All dwellings which are unoccupied and	No	No

	substantially unfurnished.	Discount	Discount
Class D	<p>Dwellings that are unoccupied and unfurnished and:</p> <ul style="list-style-type: none"> <li>• require or are undergoing major repair to make them habitable</li> <li>• are undergoing structural alteration</li> <li>• have undergone major repair work to render them habitable, if less than six months have elapsed since the date on which the alteration was substantially completed and the dwelling has continuously remained unoccupied and unfurnished since that date</li> </ul>	No Discount	No Discount

### 3. Empty Homes Premium

- 3.1 Between 2013 and 2019 the Council has charged the maximum premium of 50% (on top of the usual 100% charge) on long term empty properties ie those that have been empty continuously for 24 months or more.
- 3.2 Introduced in March 2018 and passed through the report stage of the House of Lords on 18 July 2018, the Council has been given additional legal powers to increase the levy premium level to a maximum from 50% to 100%, which would effectively mean a 200% charge on qualifying properties. This has been in place since the 2019/20 financial year. In the 2020/21 financial year, the Council introduced a levy of 200% on properties unoccupied for longer than 60 months.
- 3.3 The levy premium cannot apply to homes that are empty due to the occupant living in armed forces accommodation for job-related purposes, or to annexes being used as part of a main property.
- 3.4 Currently, there are fewer than 150 properties that fall within the bracket within North Norfolk, so this isn't being viewed as a significant revenue generating exercise for the Council, rather a policy tool to encourage efficient use of available housing within the district.
- 3.5 An additional power is now available to allow the increase of the levy charge to 300% for properties that have been unoccupied for the longer period of 120 months. There are 13 properties within the district which would qualify for this premium. The financial implications for each preceptor of introducing this levy is shown below.
- 3.6 Officers are aware there are cases where long term empty properties are undergoing significant renovations in order to bring them back into use, and would like to incentivise this where possible. Officers are recommending that discretion be provided to the Section 151 Officer in conjunction with the Portfolio holder, on advice of the Revenues Manager to provide exceptions to the Levy charge in these cases. There are anticipated to only be a small number of qualifying properties in the District, so is not considered to be a significant financial risk to the Council.

	Band D		Levy	Levy	Increased
	2020/21		200%	300%	Revenue
Norfolk County Council	1,416.51		27,701	41,551	13,850
Norfolk Police & Crime Commissioner	263.07		5,144	7,717	2,573
North Norfolk District Council	153.72		3,006	4,509	1,503
	1,833.30		35,851	53,777	17,926
Parish Average	61.93		1,211	1,817	3,028
Total Average Band D Amount	1,895.23		37,062	55,594	20,954

#### **4. Classes of Property**

4.1 The Regulations differentiate between classes of property as follows:

- “Class A” - properties are those which are not an individual’s sole or main residence, are furnished and have seasonal planning prohibition (i.e. preventing occupation for a continuous period of at least 28 days)
- “Class B” - properties are those which are not an individual’s sole or main residence, are furnished and have no restrictions with regard to occupation.

4.2 In effect Class A properties are second homes where occupancy is restricted for a period of at least 28 days a year where Class B properties have no restrictions on occupancy.

#### **5. Formal Determinations**

5.1 The Council has to approve its determinations for each financial year. It should be noted that the schedule of Class “B” property exceptions shown in Appendix A and referred to in recommendation 2) above, is believed to include all dwellings potentially entitled to retain a discount for the year commencing 1 April 2021 for the reason stated. Under the wording of the 2003 regulations, changes cannot be made to the schedule once the determinations have been made. Should further properties be notified to the Council for possible inclusion in the list for exemptions, they may only be added when the determinations for 2022/23 are made for operation from 1 April 2022.

#### **6. Financial Implications and Risks**

6.1 The calculation of the tax base for 2021/22 will be made alongside the budget, based on the level of discounts approved by Members. The taxbase dictates the expected income to the Council from Council Tax in the following year. Any increase in discounts will reduce the taxbase, and therefore also income.

#### **7. Sustainability**

7.1 This report does not raise any issues relating to Sustainability

#### **8. Equality and diversity**

8.1 This report does not raise any issues relating to Equality and Diversity

#### **9. Section 17 Crime and Disorder considerations**

9.1 This report does not raise any issues relating to Crime and Disorder considerations
