1. Background

- 1.1. In accordance with agreed internal audit review and reporting cycles, we revisit the status of audit recommendations on a 6-monthly basis and last presented our findings in this area to the Audit Committee in June 2020.
- 1.2. This report now seeks to provide an update on the status of audit recommendations following recent verification work performed by the Contractor, which examined the level of activity concerning the delivery of audit recommendations falling due between 31 March 2020 and 21 November 2020.

2. Overall Position

- 2.1. The overall position in relation to the implementation of Internal Audit Recommendations is within the attached report.

3. Conclusion

- 3.1 We recommend that officers now focus on completing recommendations raised during 2017/18 as these are now significantly overdue. As requested, the Committee continue to observe the progress made against completion of the one remaining important recommendation made during the 2010/11 review of Development Management, in relation to the Section 106 Arrangements.

4. Recommendation

- 4.1 It is recommended that the Committee notes management action taken to date regarding the delivery of audit recommendations.
