DEBT WRITE OFF POLICY

- 1. This forms part of the Council's Corporate Debt Management and Recovery policy (Appendix 2).
- 2. The Council is committed to ensuring that debt write offs are kept to a minimum by taking all reasonable steps to collect monies due. There will be situations where the debt recovery process fails to recover some or all of the debt and will need to be considered for write off. The Council views such cases very much as exceptions and this document provides the framework within which procedures must be documented and followed.
- 3. The Debt Management and Recovery policy takes account of the impact that getting into debt can have on people and their families, so it also encourages people to pay, and aims to provide all reasonable facilities and assistance for them to do so. Before writing off debt, the Council will satisfy itself that all reasonable steps have been taken to collect it and that no further recovery action is possible or practicable. It will take into account the age, size and types of debt, together with any other factors that it feels are relevant to the individual case.
- 4. The Council will only consider write off in the following circumstances:

^{*} If a debtor's whereabouts become known after the write-off has been approved, then the debt should be written back on.

- 5. Debts will normally only be considered for write off where the account is "closed" (i.e. no recurring debt). Only in exceptional circumstances will amounts on "live" (i.e. ongoing accruing debt) accounts be considered for write off. Such cases must demonstrate that further recovery action will not achieve collection of the debt.
- 6. The Director for Resources will be accountable to Cabinet Committee for the effective management of debt write offs and will ensure that appropriate performance management arrangements are introduced across all Council service and debt areas.
- 7. Decisions on the write off of individual debts will be taken in accordance with the Council's Scheme of Delegation. They must also comply with all relevant statutory requirements and those of the Director for Resources or designated representative(s).
- 8. Cabinet Committee will receive an annual report from the Director for Resources summarising performance on debt write offs during the previous year.
- 9. Each Service Head will be responsible for the initial recovery of debt within their service. Where the debt is collected through Sundry Income the Director for Resources will be responsible. Once recovery action is required, this must be passed to the recovery section who will then take ownership of the debt.
- 10. The Heads of Service will be responsible for the regular review of debts and will consider the need for write off of individual debts within their jurisdiction, monthly.

^{**} If a dividend is subsequently paid, then the debt should be written back on.

^{***} If the debtor subsequently moves back into legal jurisdiction, then the debt should be written back on.

- 11. Negotiated settlements generally result in the need for a write off. Any negotiation of a settlement <u>at court</u> will be the responsibility of the Court Officer, as such, situations cannot be planned and we need to respond immediately. Any other negotiated settlement will require approval according to the Scheme of Delegation i.e. the write off amount is the sum being remitted through negotiation.
- 12. Prior to write off being proposed, the debt will be reviewed to ensure that no further recovery action is possible or practicable.
- 13. Following the appropriate investigation, those debts still considered irrecoverable will be proposed for write off. The following information needs to be provided for each debt to the officer who authorises the write offs:
 - Debtors name
 - Debtors address
 - Description of debt
 - Period of debt and / or date of invoice
 - Amount to be written off
 - Reason for write off

Supporting documentation must be retained and available that shows:

- > Evidence to support write off
- Recovery history
- Details of tracing and enquiries carried out

In considering a debt for write-off, the following conditions will apply:

- Each case will be considered on its merits
- Each request will be supported by relevant documentation
- Each case will receive authorisation from the appropriate authorised officer.
- 14. Appropriate records of all authorised write offs will be maintained and reviewed periodically against live caseload. This will enable any trends to be identified and will support the review of the Policy every 12 months.
- 15. Authorisation levels are reflected in the Scheme of Delegation within the following parameter.

Section Manager / Team Leader up to £2,000
Head of Service / Revenues Manager up to £10,000
Section 151 Officer or Deputy Section 151 Officer up to £20,000
Director for Resources or Chief Executive in consultation
with the Portfolio Member over £20,000

- 16. The revenues manager will record all write-off decisions, and provide a summary to the Director for Resources. This will be available for further Scrutiny, for Audit purposes and for reporting to Cabinet.
- 17. The Director for Resources will submit an annual report to Cabinet identifying the following:
 - A summary of debts written off in each debt area showing reason for write-off, values and number of cases.
 - Collection performance for each service area
 - Level of arrears outstanding
 - Level of provision for bad and doubtful debts
